The 18-member Council includes the Director of the Service and the president of the International Association of Fish and Wildlife Agencies, who both serve in ex officio capacities. Other Council members are Directors from State agencies responsible for managing recreational fish and wildlife resources and individuals who represent the interests of saltwater and freshwater recreational fishing, recreational boating, the recreational fishing and boating industries, recreational fisheries resource conservation, aquatic resource outreach and education, and tourism. The Council will convene to discuss: (1) The Council's continuing role in providing input to the Fish and Wildlife Service on the Service's strategic vision for its Fisheries Program; (2) the Council's work in its role as a facilitator of discussions with Federal and State

agencies and other sportfishing and boating interests concerning a variety of national boating and fisheries management issues; and (3) the Council's role in providing the Interior Secretary with information about the implementation of the Strategic Plan for the National Outreach and Communications Program. The Interior Secretary approved the Strategic Plan in February 1999, as well as the five-year, \$36-million federally funded outreach campaign authorized by the 1998 Sportfishing and Boating Safety Act that is now being implemented by the Recreational Boating and Fishing Foundation, a private, nonprofit organization.
