BILLING CODE 4410-FY-M

DEPARTMENT OF LABOR

Employee Benefits Security Administration

[Prohibited Transaction Exemption 2003-39; Application No. D-11100]

Class Exemption for the Release of Claims and Extensions of Credit in Connection With Litigation

AGENCY: Employee Benefits Security Administration, Department of Labor.

ACTION: Grant of class exemption.

SUMMARY: This document contains a final class exemption from certain prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (ERISA or the Act) and from certain taxes imposed by the Internal Revenue Code of 1986, as amended (the Code). The exemption permits transactions engaged in by a plan, in connection with the settlement of litigation. This exemption was proposed in response to concerns raised by the pension community regarding the impact of ERISA's prohibited transaction provisions on the settlement of litigation by employee benefit plans with parties in interest. The exemption

affects all employee benefit plans, the participants and beneficiaries of such plans, and parties in interest with respect to those plans engaging in the described transactions.

EFFECTIVE DATE: The exemption is effective January 1, 1975.

FOR FURTHER INFORMATION CONTACT:

Andrea W. Selvaggio, Office of Exemption Determinations, Employee Benefits Security Administration, U.S. Department of Labor, Room N-5649, 200 Constitution Avenue NW., Washington, DC 20210 (202) 693-8540 (not a toll-free number).

SUPPLEMENTARY INFORMATION: On February 11, 2003, the Department published a notice in the **Federal Register** (68 FR 6953) of the pendency of a proposed class exemption from the restrictions of section 406(a)(1)(A), (B) and (D) of the Act and from the sanctions resulting from the application of section 4975 of the Code, by reason of section 4975(c)(1)(A), (B) and (D) of the Code. The Department proposed the class exemption on its own motion, pursuant to section 408(a) of the Act and section 4975(c)(2) of the Code, and in accordance with the procedures set forth in 29 CFR Part 2570 Subpart B (55 FR 32836, August 10, 1990).¹

The notice of pendency gave interested persons an opportunity to comment or request a public hearing on the proposal. The Department received five (5) public comments. Upon consideration of all the comments received, the Department has determined to grant the proposed class exemption, subject to certain modifications. These modifications and the major comments are discussed below.

Executive Order 12866

Under Executive Order 12866, the Department must determine whether a regulatory action is "significant" and therefore subject to the requirements of the Executive Order and subject to review by the Office of Management and Budget (OMB). Under section 3(f), the order defines a "significant regulatory action" as an action that is likely to result in a rule (1) having an annual effect on the economy of \$100 million or more, or adversely and materially affecting a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or

State, local or tribal governments or communities (also referred to as "economically significant"); (2) creating serious inconsistency or otherwise interfering with an action taken or planned by another agency; (3) materially altering the budgetary impacts of entitlement grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) raising novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in the Executive Order.

Pursuant to the terms of the Executive Order, it was determined that this action is "significant" under Section 3(f)(4) of the Executive Order. Accordingly, this action has been reviewed by OMB.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) (PRA 95), the Department submitted the information collection request (ICR) included in the Class Exemption For Release of Claims and Extensions of Credit in Connection With Litigation to the Office of Management and Budget (OMB) for review and clearance at the time the proposed class exemption was published in the **Federal Register** (February 11, 2003, 68 FR 6953). The ICR for the proposed class exemption was combined with the ICR in PTCE 94-71,² also approved under OMB control number 1210-0091, because of the similarity of subject matter between the two exemptions. No comments were received about the burden estimates and no substantial or material changes have been made in the grant of the exemption that would affect the burden estimates in the proposal. The approval for each of the ICRs included in the two exemptions will expire on April 30, 2006.

In order to grant an exemption pursuant to section 408(a) of the Act, the Department must, among other things, make a finding that the terms of the exemption are protective of the rights of participants and beneficiaries of a plan. To support making such a finding, the Department normally imposes certain conditions on fiduciaries and parties in interest that may make use of the exemption. The information collection provisions of the exemption are among these conditions. The information collection provisions are found in sections III(c), (e), (g), and

¹ Section 102 of Reorganization Plan No. 4 of 1978, 5 U.S.C. App. 1 (1996), generally transferred the authority of the Secretary of the Treasury to issue exemptions under section 4975(c)(2) of the Code of the Secretary of Labor. For purposes of this exemption, references to specific provisions of Title I of the Act, unless otherwise specified, refer also to the corresponding provisions of the Code.
