

cooperating agencies during scoping will also be given due consideration.

### Potential Environmental Impacts

TVA anticipates that the EIS will include discussion of the potential effects of the various alternatives on the following resources: terrestrial wildlife and vegetation; aquatic ecology, endangered and threatened species; geology; surface and groundwater; wetlands; recreation and natural areas; cultural resources; socioeconomic and environmental justice issues; land use; solid waste disposal; visual resources; and transportation. Other issues that may also be discussed, depending on the potential impact of the alternatives, include noise, air quality, floodplains, and soils.

### Public Participation

TVA is interested in receiving comments on issues and alternatives to be addressed in the EIS. Written comments on the scope of the environmental review should be received on or before June 15, 2003. TVA will prepare an EIS on a range of alternatives for the proposed Koppers Coal Reserve Management Plan after considering public comments received from this scoping process. TVA anticipates completing the Draft EIS by October 2004. An opportunity to review and comment on the Draft EIS will be provided at that time. Concurrent with the NEPA review, TVA also seeks comments from the public on the scope of this federal undertaking on historic properties as provided under section 106 of NHPA.

TVA plans to hold a public meeting to provide more information and to receive comments on the proposal on June 3, 2003, at Cove Lake State Park, 4 p.m.–8 p.m. eastern standard time. The time, location, and place will be announced in local newspapers, on the TVA Web page at <http://www.tva.gov/environment/calendar.htm>, and may be obtained by contacting the persons listed above.

### SUPPLEMENTARY INFORMATION:

#### Background

Section 4007 of the Transportation Equity Act for the 21st Century (TEA-21) (Pub. L. 105-178, 112 Stat. 107, now codified at 49 U.S.C 31315 and 31136), requires FMCSA to publish a notice in the **Federal Register** for each exemption requested, explain that the request has been filed, provide the public with an opportunity to inspect the safety analysis and any other relevant information known to the agency, and provide an opportunity to comment on the request. Prior to granting a request for an exemption, the agency must publish a notice in the **Federal Register** identifying the person or class of persons who will receive the exemption, the provisions from which the person will be exempt, the effective period, and all terms and conditions of the exemption. The terms and conditions established by FMCSA must ensure that the exemption will likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved by complying with the regulation.

On December 8, 1998, FMCSA published an interim final rule implementing section 4007 of TEA-21 (63 FR 67600). The regulations at 49 CFR part 381 establish the procedures to be followed to request waivers and to apply for exemptions from the Federal Motor Carrier Safety Regulations, and the provisions used to process them.

#### Exemption Request

Mayflower and United Van Lines have requested exemptions that would allow them to impose controlled substance and alcohol testing on their non-CDL drivers using the same standards, forms and requirements, and in the same random testing pool as their CDL drivers.

Mayflower and United Van Lines note that for purposes of administrative efficiency and to promote safety in their operations, Mayflower and United Van Lines have included all of the commercial motor vehicle drivers, including the non-CDL drivers, in the company controlled substance and alcohol testing programs conducted under the Department of Transportation regulations. This request for exemptions was prompted by the results of a compliance review conducted by the Federal Motor Carrier Safety Administration during which Mayflower was cited for including non-CDL drivers in its controlled substances and alcohol testing program. Consequently, Mayflower and United
