The provision would allow for, among other things, as applicable, the pass-through of all Nasdaq fees, other market center access fees, ECN access fees, trading-related telecommunications charges, market data service charges, and other similar charges.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6 of the Act,⁶ in general, and section 6(b)(4) of the Act,⁷ in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become immediately effective pursuant to section 19(b)(3)(A)(ii) of the Act,⁸ and subparagraph (f)(2) of Rule 19b-4 thereunder,⁹ in that it establishes or changes a due, fee, or other charge imposed by the self-regulatory organization. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; Order Granting Approval of Proposed Rule Change by the Chicago Board Options Exchange, Inc., Relating to the Reporting of Other Affiliations of Associated Persons to the Exchange

May 8, 2003.

I. Introduction

On January 9, 2003, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange"), filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and rule 19b-4 thereunder,² a proposed rule change relating to a member's obligation to report other affiliations of its Associated Persons ("APs") to the Exchange. Notice of the proposed rule change was published for comment in the **Federal Register** on February 5, 2003.³ The Commission received one comment letter on the proposed rule change.⁴ On

March 10, 2003, CBOE filed Amendment No. 1 to the proposed rule change.⁵ This order approves the proposed rule change, as amended.

II. Description of the Proposed Rule Change

A. Text of the Proposed Rule Change

The Exchange proposes to amend its rules requiring members to report outside business affiliations of their personnel to the Exchange. Below is the text of the proposed rule change. Proposed new language is *italicized*. Proposed deletions are in [brackets].⁶

⁵ In Amendment No. 1, CBOE added a comma immediately following the phrase "Financial / Operations Principal" in revised CBOE rule 9.4. This grammatical correction clarifies the scope of application of rule 9.4(b) to Registered Options Principals and Sales Supervisors, in accordance with the intent of the proposal, as described in the Notice. This is a technical amendment to the proposed rule change that does not require notice and comment. See e-mail from Jaime Galvan, Attorney, CBOE, to Andrew Shipe, Special Counsel, Division of Market Regulation, Commission, dated March 10, 2003 ("Amendment No. 1").

Rule 9.4. Other Affiliations of Registered [Representatives] *Associated Persons*

[or to the business of its affiliates which are engaged in the transaction of business as a broker or dealer in securities or commodities or in such other businesses as have been approved by the Exchange.]*

B. Description of the Proposed Rule Change

Currently, CBOE rule 9.4 ("Other Affiliations of Registered Representatives") requires a member firm's Registered Representatives and Registered Options Principals ("ROPs") to obtain express written permission

from the Exchange in order to engage in any business, other than that of their member organization, during business hours. Further, CBOE rule 3.6A ("Qualification and Registration of Certain Associated Persons") provides that a member firm may employ a part-time employee or independent contractor as a Financial/Operations Principal, provided that it receives the prior written approval of the Exchange to do so.

Pursuant to the proposed rule change, CBOE would amend rule 9.4 to apply to all of a member firm's registered APs. The rule would now provide that, other than in the case of a passive investment, all such persons would be required to give prompt written notice to the employing member, and to receive the member's prior written consent, with respect to outside business activities. Where CBOE is the firm's Designated Examining Authority, and the AP in question is a ROP, Sales Supervisor, or Financial / Operations Principal, the CBOE will also require prompt written notice to the Exchange. CBOE rule 3.6A's restrictions on FINOPs would also be amended with changes corresponding to the new provisions of rule 9.4.

III. Discussion

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁷ In particular, the Commission believes that the proposal is consistent with section 6(b)(5) of the Act,⁸ which requires, among other things, that the rules of an exchange be designed to promote just and equitable principles of trade and to protect investors and the public interest.

The Commission believes that the proposed rule change will provide CBOE with information that it needs to regulate its member firms. The Commission further notes that the proposed rules are similar to rules of other self-regulatory organizations.⁹ Finally, the proposed rule change does not alter in any way the obligation of a CBOE member or member organization to oversee the operation of its business and supervise the performance of its

associated persons, including any potential conflicts of interest involving any associated person, in a manner that assures compliance with the Act and rules and regulations thereunder, as well as applicable rules of the CBOE. To this end, the Commission notes that CBOE member firms will be obligated to review and approve in writing any outside business arrangements of their personnel.

Therefore, the Commission believes that the proposal is consistent with section 6(b)(5) of the Act,¹⁰ which requires, among other things, that the rules of an exchange be designed to promote just and equitable principles of trade, and to protect investors and the public interest.

IV. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹¹ that the proposed rule change, as amended (File No. SR-CBOE-2003-02) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹²
