SUPPLEMENTARY INFORMATION:

I. Abstract

The International Trade Administration's U.S. Commercial Service is mandated by Congress to help U.S. businesses, particularly small and medium-sized companies, export their products and services to global markets.

As part of its mission, the U.S. Commercial Service uses "Quality Assurance Surveys" to collect feedback from the U.S. business clients it serves. These surveys ask the client to evaluate the U.S. Commercial Service on its customer service provision. Results from the surveys are used to make improvements to the agency's business processes in order to provide better and more effective export assistance to U.S. companies.

The purpose of the attached survey is to collect feedback from U.S. businesses that receive advocacy services from the U.S. Commercial Service. In providing these services, the U.S. Commercial Service advocates on behalf of a U.S. company that is bidding on a project or government contract, trying to recover payment or goods, or facing a barrier to market entry.
