

3. *Reporting*: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures*: Under the Government Performance and Results Act (GPRA), the Department has established a set of performance measures that are designed to yield information on the effectiveness of the Personnel Preparation program. These measures address: (1) the percentage of scholars that complete their program; and (2) the percentage of scholars employed upon program completion in the area trained.

If funded, applicants will be asked to collect and report data through the Personnel Preparation Data (PPD) Web site at www.osepppd.org (see section III.3.(c) of this notice for further information on the PPD) and in their required annual performance reports. The PPD and annual performance reports are designed, in part, to provide an opportunity for grantees to document their success in addressing these performance measures.

Beyond the performance measures previously described, the Department is also currently developing measures that will be designed to yield information on various aspects of program quality (e.g., the extent to which programs support scholars who are highly qualified for the position for which they are trained; the extent to which the curricula of training programs reflect the current knowledge base on effective practices; and the percentage of program completers maintaining employment for three or more years in the area(s) for which they were trained) for projects funded under this notice. If funded, applicants will also be asked to participate in assessing and providing information on program quality.

ANR Pipeline Company; Notice of Negotiated Rate Filing

February 26, 2004.

Take notice that on February 10, 2004, ANR Pipeline Company (ANR) tendered for filing and approval two negotiated rate agreements between ANR and ConocoPhillips Company pursuant to ANR's Rate Schedule ITS, as well as of the Negotiated Rate Letters and the related Lease Dedication Agreement. ANR tenders complete copies of these agreements, pursuant to the Commission's Letter Order dated January 29, 2004, where it accepted the filing subject to ANR filing a complete copy of the associated liquefiables ITS agreement as the pages of this agreement were out of order in the original transmittal, creating the impression that the copy was incomplete. Also, the signature page for one of the Negotiated Rate Letters was missing; therefore, ANR has submitted a complete set of all the agreements involved.

ANR requests that the Commission accept and approve the subject negotiated rate agreement amendments to be effective February 1, 2004.
