**Circular Welded Non-Alloy Steel Pipe From Korea: Rescission of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of rescission of administrative review.

**SUMMARY:** In response to requests from interested parties, the Department of Commerce initiated an administrative review of the antidumping duty order on circular welded non-alloy steel pipe from Korea. Based on requests from interested parties for withdrawal of the review with respect to all respondents, we are rescinding the administrative review.

**EFFECTIVE DATE:** May 11, 2004.

**FOR FURTHER INFORMATION CONTACT:**

Scott Holland or Julie Santoboni, Office 1, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone (202) 482-1279 or (202) 482-4194, respectively.

**SUPPLEMENTARY INFORMATION:****Background**

On November 3, 2003, the Department of Commerce ("the Department") published a notice in the **Federal Register** of the opportunity for interested parties to request an administrative review of the antidumping duty order on circular welded non-alloy steel pipe from Korea. See *Notice of Opportunity to Request Administrative Review of Antidumping or Countervailing Duty Order, Finding or Suspended Investigation*, 68 FR 62279 (November 3, 2003). On November 26, 2003, the Department received a timely request for review of Husteel Co. Ltd. ("Husteel"), Hyundai HYSCO ("HYSCO"), and SeAH Steel Corporation, Ltd. ("SeAH") (collectively, "respondents") from Allied Tube and Conduit Corporation and Wheatland Tube Company (collectively, "domestic interested parties"). We also received timely filed requests for review from Husteel, HYSCO, and SeAH.

In accordance with 19 CFR 351.221(b)(1), we published a notice of initiation of the antidumping duty administrative review on December 24,

2003, with respect to the respondents. See *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 68 FR 74550 (December 24, 2003). The period of review is November 1, 2002, through October 31, 2003.

On April 9, 2004, the domestic interested parties withdrew their request for review of all three respondents. HYSCO withdrew its request for review on April 21, 2004. Husteel and SeAH withdrew their requests for review on April 23, 2004.

**Rescission of Antidumping Administrative Review**

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. The Department may extend this time limit if it decides it is reasonable to do so. Although the domestic interested parties and the respondents submitted requests for withdrawal of this administrative review subsequent to the 90 day deadline, *i.e.*, March 23, 2004, because all parties withdrew their requests for an administrative review, we are hereby rescinding this administrative review.

**Assessment**

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of this notice.

**Notification to Importers**

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

**Notification Regarding APOs**

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i) of the Act, as amended and 19 CFR 351.213(d)(4).

Dated: May 4, 2004.

**Pressure Sensitive Plastic Tape From Italy; Final Results of the Second Sunset Review of Antidumping Duty Finding**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of final results of the second expedited sunset review of antidumping finding on pressure sensitive plastic tape from Italy.

**SUMMARY:** On January 2, 2004, the Department of Commerce ("the Department") published the notice of initiation of sunset review on Pressure Sensitive Plastic Tape ("PSPT") from Italy. On the basis of the notice of intent to participate, and adequate substantive comments filed on behalf of a domestic interested party and inadequate response (in this case, no response) from respondent interested parties, we determined to conduct an expedited (120-day) sunset review. As a result of this review, we find that revocation of the antidumping duty finding would be likely to lead to continuation or recurrence of dumping at the levels listed below in the section entitled "Final Results of Review."

**EFFECTIVE DATE:** May 11, 2004.

**FOR FURTHER INFORMATION CONTACT:**

Alessandra Cortez or Ozlem Koray, Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5925 or (202) 482-3675.

**SUPPLEMENTARY INFORMATION:****Background**

On January 2, 2004, the Department published the notice of initiation of sunset review of the antidumping duty finding on PSPT from Italy pursuant to section 751(c) of the Tariff Act of 1930, as amended (the "Act").<sup>1</sup> The Department received the notice of intent to participate on behalf of 3M Company ("3M"), a domestic interested party, within the deadline specified in section 351.218(d)(1)(I) of the Department's Regulations ("Sunset Regulations"). 3M claimed interested party status under section 771(9)(C) of the Act as a U.S. producer of a domestic like product. We received a complete substantive response from 3M within the 30-day deadline specified in the Sunset Regulations under section 351.218(d)(3)(i).

We did not receive a substantive response from any interested party respondents in this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited (120-day) sunset review of this finding.

**Scope of Review**

The products covered in this review are shipments of PSPT measuring over one and three-eighths inches in width and not exceeding four millimeters in thickness. The above described PSPT is classified under HTS subheading 3919.90.50.<sup>2</sup> On May 7, 1992, the Department issued a scope ruling on highlighting "note tape" and determined that it was not within the scope of the finding. *See* Scope Rulings, 57 FR 19602 (May 7, 1992). The HTS subheadings are provided for convenience and for customs purposes. The written description remains dispositive.

**Analysis of Comments Received**

All issues raised in this case by 3M are addressed in the "Issues and

Decision Memorandum" ("Decision Memo") from Ronald K. Lorentzen, Acting Director, Office of Policy, Import Administration, to James J. Jochum, Assistant Secretary for Import Administration, dated May 3, 2004, which is hereby adopted by this notice. The issues discussed in the Decision Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the margin likely to prevail if the finding were to be revoked. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum, which is on file in room B-099 of the main Commerce Building.

In addition, a complete version of the Decision Memo can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>, under the heading "May 2004." The paper copy and electronic version of the Decision Memorandum are identical in content.

**Final Results of Review**

We determine that revocation of the antidumping duty finding on PSPT from Italy would be likely to lead to continuation or recurrence of dumping at the following percentage weighted-average margins:

Italy manufacturers/exporters/producers weighted average	Margin percent
Comet SARA, S.p.A .....	10
Manuli Autoadesivi (Manuli) .....	*10
All Others .....	10

\* Tyco Adhesives Italia S.p.A became a successor-in-interest company to Manuli Tapes S.p.A. *See* Final Results of Antidumping Duty Changed Circumstances Review: Pressure Sensitive Plastic Tape from Italy, 69 FR 15297 (March 25, 2004).

This notice also serves as the only reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305 of the Department's regulations. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing the results and notice in accordance with sections 751(c), 752, and 777(i)(1) of the Act.

Dated: May 3, 2004.

**Pure Magnesium and Alloy Magnesium From Canada: Preliminary Results of Countervailing Duty Administrative Reviews**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of preliminary results of countervailing duty administrative reviews.

**SUMMARY:** The Department of Commerce is conducting administrative reviews of the countervailing duty orders on pure magnesium and alloy magnesium from Canada for the period January 1, 2002, through December 31, 2002. We preliminarily find that certain producers/exporters have received countervailable subsidies during the period of review. If the final results remain the same as these preliminary results, we will instruct the U.S. Bureau of Customs and Border Protection to assess countervailing duties as detailed in the "Preliminary Results of Reviews" section of this notice. Interested parties are invited to comment on these preliminary results (*see* the Public Comment section of this notice).
