

and collaborative approaches to environmental problems. NACEPT will provide advice in a timely manner and operate as a proactive and strategic body that will alert EPA to potential environmental challenges and issues that could impact the Agency's ability to protect public health and the environment, and options to address them.

Members are appointed by the Administrator of EPA for two year terms with the possibility of reappointment. The Council usually meets 3–4 times annually and the average workload for the members is approximately 10 to 15 hours per month. Members serve on the Council in a voluntary capacity; however, EPA does provide reimbursement for travel expenses associated with official government business.

Potential candidates should possess the following qualifications:

Occupy a senior position within their organization.

Broad experience outside of their current position.

Experience dealing with public policy issues.

Membership in broad-based networks.

Extensive experience in the environmental field.

Recognized expert in the subject matter to be addressed by NACEPT.

EPA is seeking nominees for representation from all sectors, in particular federal, state, local and tribal agencies, academia, industry, environmental justice, and non-governmental organizations. Nominations for membership must include a resume and short biography describing the educational and professional qualifications of the nominee and the nominee's current business address and daytime telephone number.

**Proposed Agreement Pursuant to Section 122(h)(1) of the Comprehensive Environmental Response, Compensation, and Liability Act for the MichCon Mercury Regulators Site**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice; request for public comment on proposed CERCLA 122(h)(1) agreement with Michigan Consolidated Gas Co., an operating subsidiary of DTE Energy Co., for the MichCon Mercury Regulators Superfund Site.

**SUMMARY:** In accordance with section 122(i)(1) of the Comprehensive Environmental Response, Compensation and Liability Act of 1984, as amended ("CERCLA"), notification is hereby given of a proposed administrative agreement concerning the MichCon Mercury Regulators hazardous waste site in and around Detroit, Michigan (the "Site"). EPA proposes to enter into this agreement under the authority of section 122(h) and 107 of CERCLA. The proposed agreement has been executed by Michigan Consolidated Gas Co., an operating subsidiary of DTE Energy Co. (the "Settling Party").

Under the proposed agreement, the Settling Party will pay \$160,000 to the Hazardous Substances Superfund to resolve EPA's claims against it for response costs incurred by EPA at the Site. EPA incurred response costs overseeing the Settling Party's response actions to investigate and mitigate potential imminent and substantial endangerments to human health or the environment presented or threatened by hazardous substances present at the Site.

For thirty days following the date of publication of this notice, the Environmental Protection Agency will receive written comments relating to this proposed agreement. EPA will consider all comments received and may decide not to enter this proposed agreement if comments disclose facts or considerations which indicate that the proposed agreement is inappropriate or inadequate.

**DATES:** Comments on the proposed agreement must be received by EPA on or before January 18, 2005.

**ADDRESSES:** Comments should be addressed to the Docket Clerk, U.S. Environmental Protection Agency, Region 5, 77 West Jackson Boulevard,

Chicago, Illinois 60604-3590, and should refer to: In the Matter of MichCon Mercury Regulators Site, U.S. EPA Docket No. V-W-05C-804.

**Whitehouse Oil Pits Superfund Site; Notice of Proposed Settlement**

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice of proposed settlement.

**SUMMARY:** In accordance with section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9622(i), the Environmental Protection Agency proposes to enter into a settlement with Mrs. Eloise Gleaton concerning the Whitehouse Oil Pits Superfund Site near Jacksonville, Duval County, Florida. To resolve her potential liability at the Site, the Agreement requires Mrs. Gleaton to deed certain property and grant a temporary easement over other property to the City of Jacksonville that is needed for remediation of the Site. The Agreement also requires Mrs. Gleaton to place well drilling restrictions on certain property so as not to interfere with the integrity of the remedy being implemented at the Site. EPA will consider comments on the settlement until January 18, 2005. The Agency will consider all comments received and may modify or withdraw its consent to
