Act (Magnuson Act) that addresses overfishing and achieving optimum yield from the Nation's fisheries.

Copies of the agenda and other related materials can be obtained by calling 813–228–2815.

Although other non-emergency issues not on the agendas may come before the SSCs for discussion, in accordance with the Magnuson Act, those issues may not be the subject of formal action during these meetings. Actions of the SSC will be restricted to those issues specifically identified in the agendas and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson Act, provided the public has been notified of the Council's intent to take action to address the emergency.

Special Accommodations

The meetings are open to the public and physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Dawn Aring at the Council (see **ADDRESSES**) office by August 18, 2004.

Dated: August 12, 2004.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Office of Space Commercialization will collect financial information from all known producers of Global Positioning System (GPS) equipment. The information will be used to develop a public report describing the size and characteristics of the GPS manufacturing industry, and its economic impact on the United States. Dissemination of this information will provide a service to businesses and investors involved in the GPS industry. The information will also be used within the U.S. Government to inform ongoing policy and budget decisions related to the GPS program.

II. Method of Collection

This will be a one-time collection of information involving a paper questionnaire mailed to all known GPS manufacturers. The survey is completely voluntary and designed to be short to minimize public burden. Follow-up phone calls and letters will be used to encourage companies to participate in the survey. All respondents will receive a copy of the final report upon its release.
