RE: Request for Correction (RFC) concerning correction of Enforcement and Compliance History Online (ECHO) Information Pursuant to Environmental Protection Agency Quality Guidelines (RFC #06003, Sterling Chemicals)

Dear Mr. Van Voorhees:

I want to provide you with another status update regarding your November 3, 2005, Request for Correction (RFC) submitted under the Environmental Protection Agency's Information Quality Guidelines. EPA's goal is to respond to each request within 90 days of receipt. However, due to the complexity of the issues raised in this RFC, the Agency needs more time to adequately respond to your request.

We anticipate that a response will be forwarded to you within 90 days. Thank you for your interest in environmental information quality.

Sincerely,

A handwritten signature in black ink, appearing to read "Reggie Cheatham".

Reggie Cheatham
Director, Quality Staff
