**RE: Interim Response to National Association of Home Builders (NAHB)
Reconsideration of Request for Correction (RFR 06004A)**

Dear Mr. Jackson:

I want to provide you with a status update regarding the National Association of Home Builders (NAHB) Request for Reconsideration (RFR 06004A) submitted under the Environmental Protection Agency's Information Quality Guidelines. EPA's goal is to respond to each RFR with 90 days of receipt. However, due to the complexity of this RFR, the Agency needs more time to adequately respond to your request.

We anticipate the response to the NAHB RFR will be sent to you within 90 days. If you have any questions about this letter, please contact me at (202) 564-6830 or Monica Jones at (202) 564-1641.

Sincerely,

A handwritten signature in black ink, appearing to read "Reggie Cheatham".
