

to review reports from some of its Committees/Subcommittee, most likely including the following:

(a) *Executive Committee Subcommittee—Scientific and Technological Achievement Awards Subcommittee (STAA)*—Recommendations on the Agency's FY2001 Scientific and Technological Achievement Awards Program: An SAB Report (see 67 FR 44200 (July 1, 2002), for further details).

(b) *Environmental Economics Advisory Committee (EEAC)*—Affordability: An SAB Report (see 67 FR 46506 (July 15, 2002), for further details).

Please check with Ms. Diana Pozun (see contact information below) prior to the meeting to determine which reports will be on the agenda as last minute changes can take place.

Availability of Review Materials: Drafts of the SAB reports that will be reviewed at the meeting will be available to the public at the SAB website under the heading for the Executive Committee Public Teleconference, December 5, 2002, (<http://www.epa.gov/sab/whatsnew.htm>) approximately two weeks prior to the meeting.

Charge to the Executive Committee: The focus of the EC review of these reports will be on the following questions: (a) Has the SAB adequately responded to the questions posed in the Charge? (b) Are the statements and/or responses in the draft report clear? And (c) Are there any errors of fact in the report? (**Note:** In the case of the STAA report, the charge to the committee was to review over 100 scientific papers and make recommendations for awards. The draft report that will be available for comment at this meeting will only contain the description of the overall process and recommendations on that process. The actual award recommendations are embargoed until approved and processed by the Office of Research and Development. The final report that will be posted on the SAB website, once awards are announced, will include the complete list of recommended awards.)

In accord with the Federal Advisory Committee Act (FACA), the public and the Agency are invited to submit written comments on these three questions that are the focus of the review. Written comments should be received in the SAB Staff Office by November 27, 2002. Forward comments to Ms. Diana Pozun (see contact information below).

The SAB will have a brief period available for applicable public comment. Therefore, anyone wishing to make oral comments on the three focus
