

Sample Structured Abstract Input Template >>BETA<<

ERIC invites contributors to submit structured abstracts with their research papers and conference presentations. Structured abstracts present important details about research studies and their outcomes under predefined headings, or elements. The screen shot below illustrates what information is required in an ERIC structured abstract. See Online Submission at www.eric.ed.gov for more details.

Step 3 of 3: Provide Submission Details

Enter the following information about this material

* indicates required fields

File uploaded: [researchpaper.doc](#)

* **Title:**

* **Author(s):** First Name: Middle: Last Name:
[Add Another Author](#)

* **Abstract:** (Select an Abstract type and fill in the appropriate information.)
 Narrative Abstract (using a paragraph style)
 Structured Abstract (using predefined headings)
[View Structured Abstract Guidelines and Sample](#)

* **Background:**

* **Purpose:**

* **Research Design:** Descriptive Correlational Experimental Quasi-experimental Single Subject Longitudinal

Setting:

Study Sample:

Intervention:

Research Design Types

- Descriptive
- Correlational
- Experimental
- Quasi-experimental
- Single Subject
- Longitudinal
- Cross-sectional
- Statistical Modeling
- Statistical Survey
- Other Quantitative
- Statistical Synthesis
- Narrative Synthesis
- Qualitative
- Interview
- Epidemiological
- Brain Imaging

Control or Comparison Condition: 

Data Collection and Analysis: 

* Findings: 

* Conclusions: 

* Citation: 

Feedback for Structured Abstract Initiative:

* **Publication Year:**
(Currently, online submission is only accepting materials published 2004-present.)
(select a year) 

Publication Date: (select a month)  (select a day) 

Additional Information:
(e.g. conference information, special instructions about the file)

* **Email Address:**
