

The Only Soft Touch Your Baby Needs is YOU!

If you put your baby to sleep in a playpen, leave out the soft bedding.

The Only Soft Touch Your Baby Needs is YOU!

If you put your baby to sleep in a playpen, leave out the soft bedding— like comforters, pillows, extra padding and pillow-like toys. These could put your baby at risk for suffocation. Use only the mattress or pad provided by the manufacturer.

And **ALWAYS** put your baby to sleep on his or her back to reduce the risk of Sudden Infant Death Syndrome (SIDS).
