

USGS Map Discount Information

Who Qualifies?

- 1) A **nonprofit** organization or **public** educational institution (a copy of your Federal Tax ID is required for verification). Private schools are not eligible.
- 2) Any U.S. governmental organization - federal, state, or local.
- 3) A USGS Business Partner with a signed working agreement.

Discount applied when purchasing maps:

- 3-24 maps of the same title = 40% discount
- 25 or more maps of the same title = 50% discount
- If the order totals 100 or more individual maps (not the same title), the discount is 25%

Example: Pricing for a mixed order of 100 maps:

75 maps of the same title = 50% discount

23 maps of the same title = 40% discount

and 2 maps with different titles = 25% discount

Faxed orders are preferred using your organization's letterhead. If you are a nonprofit organization or public school, please include your Federal TAX ID number on the fax (this is not to be confused with your Federal Tax Exempt number). These discounts apply only to USGS paper maps and cannot be used for the purchase of any other USGS products.
