Key Information – Please Read

- Make sure your plan code has not been discontinued!
- If your plan is not a national plan (such as an HMO, **make sure it covers your County or State.**
- **Check for premium rate changes;** you may wish to elect a different plan or option!
- Self and Family plan codes end in 5 or 2; Self Only codes end in 4 or 1 -- is your code correct? **Plan codes do not change to Self Only automatically when your last dependent turns 22 years old -- YOU MUST CHANGE through HRSSC or at Open Season. Paying for coverage you can't use is a waste of your money.**
- In *PostalEASE*, changes to “View/Update Dependents” DO NOT result in a plan code/option change. Therefore, removing all dependents does not change your enrollment from Self and Family to Self Only.
- DO NOT WAIT until the last day of Open Season to make your election!
- Know your USPS PIN.
- *PostalEASE* Web is preferred to the phone for ease of use and accuracy.
- **Keep clicking** on UPDATE and SUBMIT until you get a CONFIRMATION NUMBER! Until you have one, your transaction has **not** processed.
- CAUTION: **Do not click** on CANCEL to exit *PostalEASE*; this will cancel your FEHB enrollment entirely.
- CAUTION: **Do not click** on DELETE PENDING unless you no longer wish to make the change; DELETE PENDING does not exit the application.
- DO NOT elect a plan code for “Specific Groups” unless you are a member of that group.
- If you plan to retire or separate before the Open Season effective date in January 2009, DO NOT use *PostalEASE*; submit SF 2809 to the H.R. Shared Service Center with your retirement application for processing.
- Before cancelling your FEHB coverage, read and understand the 5-year requirement for continuing FEHB into retirement (see p. 3).
- If you are on OWCP rolls and having health benefits deducted from compensation checks, DO NOT use *PostalEASE* for FEHB changes, contact Department of Labor, Office of Workers' Compensation Programs (OWCP).
- Retirees submit SF 2809 to OPM for processing.

Introduction to Federal Benefits and This Guide

As a U.S. Postal Service employee, the benefits available to you represent a significant piece of your compensation package. They may provide important insurance coverage to protect you and your family, and/or, in some cases, offer tax advantages that reduce the burden in paying for some health products and services, or dependent or elder care services.

The purpose of this Guide is to provide you basic information about the benefits offered to you as a Postal Service employee, and assist you in making informed choices about these benefits as you move through your career and prepare for retirement.

Benefits Programs Included in this Guide

In addition to your Civil Service or Federal Employees Retirement System benefits and the Thrift Savings Plan, the Postal Service offers five benefits programs to eligible employees. This Guide includes information on the five programs:

- Federal Employees Health Benefits Program
- Federal Employees Dental and Vision Insurance Program
- Flexible Spending Account Program
- Federal Employees' Group Life Insurance Program
- Federal Long Term Care Insurance Program

If you are a new Postal Service employee or have recently become eligible for benefits, the Guide will walk you through the benefits offered, and provide information on how and when to make your choices. If you are a current employee, it will provide the most current information regarding the benefit programs, and will support you as you make decisions during the annual Open Season, or experience life events that cause you to reconsider previous choices.

The Guide also contains some tips on what to consider as you make your decisions. For instance, did you know that the Federal Employees Health Benefits (FEHB) Program, the Federal employees Dental and Vision Insurance Program (FEDVIP) and/or a Flexible Spending Accounts Program (FSA) can potentially provide you with greater benefits without costing you much more? As a Postal Service employee, you can choose to pay the FEDVIP and FEHB premiums with pre-tax dollars and you can use pre-tax FSA dollars to pay for eligible expenses including FEDVIP and FEHB copays and deductibles. Dental and vision care are also eligible FSA expenses, whether combined with FEDVIP coverage or not. Please take a moment to review the information in this Guide and decide upon the right choices for you.

Additional Information

You will find references throughout the Guide to websites or other locations to obtain more detailed information than is available here. We encourage you to access these sites to become a more educated decision-maker and consumer of Postal Service benefit programs.

Federal Employees Health Benefits (FEHB) Program Health Information Technology and Price/Cost Transparency Leaders

Over the past few years, OPM has encouraged FEHB plans to increase their use of health information technology (HIT). HIT can help your health plan and healthcare providers deliver safer more efficient care. Using HIT, your health plan can offer you tools to help you organize your health information, access information targeted to your health needs, and determine the quality and price/cost of the doctors, hospitals and other providers that you and your family use for day-to-day healthcare needs.

HIT, based on broadly accepted standards, allows patients, healthcare providers and health plans to share information securely, driving down costs by avoiding duplicate procedures and manual transactions. More importantly, HIT reduces medical errors; for instance, from misread handwritten prescriptions, or emergency care medical decisions made without complete and accurate health information. HIT can also help you find appropriate health information to aid you and your doctor in making appropriate clinical decisions regarding your care. Since privacy and security considerations are vitally important, safeguards have been established to keep your records safe from inappropriate disclosure.

Personal Health Records

The health plans listed below have made a commitment to offer you and your family access to internet based personal health records (PHR). PHRs come in a variety of forms but what they all have in common is that they give you a convenient way to track, view, and manage your personal health information. PHRs also allow you to share your health information with your healthcare providers so they have a better picture of your health history. When providers know your health history they can make more accurate diagnoses and provide you with safer more efficient care.

Quality and Price/Cost Transparency On-line Tools

The health plans listed here have also made a commitment to offer you and your family access to healthcare quality and price/cost information so you can make more informed choices on which providers to use to receive care. The web site information available includes online decision tools with cost estimators and quality indicators for physician and hospital services and prescription drugs used to treat common or chronic illnesses and conditions. These health plans describe the sources of this health information and any limitations so you can understand what the information means. Some examples of the types of surgical procedures for which you can obtain cost and quality information include: arthroscopy knee/shoulder, breast biopsy, cataract repair, cesarean delivery, colonoscopy, corneal surgery, gall bladder removal, heart catheterization, hysterectomy, inguinal hernia repair, knee replacement, and tonsillectomy. This information helps you understand the true price/cost and quality of your healthcare and enhances your ability to compare hospital, physician, prescription and other provider value as you make healthcare choices. FEHB plans are working to expand the price/cost and quality information they provide to you.

Federal Employees Health Benefits (FEHB) Program Health Information Technology and Price/Cost Transparency Leaders

The health plans listed on this page met OPM's HIT, quality and price/cost transparency standards at the time this Guide went to press. As other plans bring these tools on line, OPM will add them to the list on their website. So, please check the updated information at www.opm.gov/insure before you make your healthcare decisions.

Thinking About Retiring?

Benefits Facts

FEHB

- When you retire, you are eligible to continue health benefits coverage if you meet all of the following requirements:
 - you are entitled to retire on an immediate annuity under a retirement system for civilian employees (including the Federal Employees Retirement System (FERS) Minimum Retirement Age (MRA) + 10 retirement); and
 - you have been continuously enrolled (or covered as a family member) in any FEHB plan(s) for the 5 years of service immediately before the date your annuity starts, or for the full period(s) of service since your first opportunity to enroll (if less than 5 years).
- The 5 year requirement period can include the following:
 - the time you are covered as a family member under another person's FEHB enrollment; or
 - the time you are covered under the Uniformed Services Health Benefits Program (also known as TRICARE) as long as you are covered under an FEHB enrollment at the time of your retirement.
- As an annuitant, you are entitled to the same benefits and Government contributions as Federal employees enrolled in the same plan.
- The event of retirement is not a qualifying life event (QLE); however, there are other opportunities to change FEHB enrollment including during Open Season or when you experience a QLE.
- If you are not enrolled in FEHB (or covered as a family member) at the time of your retirement, you cannot enroll when you retire.
- If you are enrolled in a High Deductible Health Plan (HDHP) with a Health Savings Account (HSA) at the time of your retirement, you can still contribute to your HSA provided you have no other insurance coverage other than those specifically allowed, and are not claimed as a dependent on someone else's tax return. Some examples of other coverage that would cause ineligibility are: Medicare, TRICARE, other non-high deductible health insurance, or having received VA benefits within the previous three months. If you don't qualify for an HSA, your plan will enroll you in a Health Reimbursement Arrangement (HRA).
- If you cancel your FEHB enrollment as an annuitant, you will never be able to re-enroll in FEHB **unless** you had suspended your FEHB enrollment in order to enroll in a Medicare Advantage plan, TRICARE or CHAMPVA, or Medicaid or similar State-sponsored program of medical assistance.
- If you want your surviving family members to continue your health benefits enrollment after your death, you must be enrolled for Self and Family at the time of your death, and at least one family member must be entitled to an annuity as your survivor.
- Consider whether you need to sign up for Medicare when you become eligible.

Thinking About Retiring?

Benefits Facts *continued*

FEDVIP

- There is no 5 year requirement for continuing FEDVIP coverage into retirement.
- Your coverage will continue as a retiree. Retirees may also enroll during the annual Federal Benefits Open Season or when you experience a qualifying life event (QLE). Keep in mind that **retirement is not a QLE**.
- In most cases, changing from payroll deduction to annuity deduction is automatic, but may take one to three months to occur. You will pay premiums on an after-tax, not pre-tax basis.
- BENEFEDS cannot deduct premiums from your annuity while you are receiving “special” or “interim” pay. Once your annuity is finalized, premium deductions will begin. If you miss one or more premium payments before your annuity is final, BENEFEDS will make double deductions until any balance due is paid. They will notify you before deducting this additional premium amount. Once there is no past due balance, the amount of premium deducted will return to the regular monthly premium.

FSA

- You may request payment only for the expenses of services or items received up to and including your retirement date.
- Exception: if you retire on December 31, you are eligible for the FSA Grace Period, so you may request payment for expenses through the following March 15.
- Your FSA claims will be processed if they are received by September 30 of the year following the plan year.
- You cannot continue your FSA coverage after you retire.
- You must pay a full period contribution for any pay period during which you are on Postal Service rolls, even if it is only the first day of the pay period. (The payroll system does not prorate your FSA contribution.)
- The collection of FSA contributions (including the collection of missed contributions) relates strictly to the amount of the contributions you were scheduled to make each pay period while you were an FSA participant.
- What you actually claim, whether it is more or less than what you were scheduled to contribute each pay period while you were an FSA participant, does not affect what you must pay in contributions.
- If you missed contributions you were scheduled to make from your paychecks because you were on Leave Without Pay (LWOP) or had low pay, you must make up the missed contributions.
- If you missed contributions, you cannot reduce what you owe by not filing claims. These rule apply to any type of retirement, including a disability retirement.
- Refer to brochure FSA BK1, *Flexible Spending Accounts* (November 2008), which is being mailed to all career employees for the FSA open season, for the details.

Benefits Facts *continued*

FEGLI

- When you retire, you are eligible to continue your FEGLI life insurance coverage(s) if you retire on an immediate annuity and had the coverage for:
 - the five years of service immediately before the starting date of your annuity or, for annuitants retiring under FERS who postpone receiving their annuity, the five years immediately before their separation date for annuity purposes, or
 - all period(s) of service during which that coverage was available to you if it is less than five years, and
 - you (or your assignees) do not convert the coverage to a private policy.
- If you are eligible, you will choose via Standard Form (SF) 2818 how you wish your coverage(s) to continue during your retirement.
- If you are not enrolled in FEGLI at the time of your retirement, you cannot enroll when you retire.
- You cannot newly elect or increase existing coverage after you retire. You may only reduce or cancel coverage.
- Your premiums are subject to change in the future. Your premium could change based on your age and the experience of the Program. You will be notified if there is any change in your deductions from your annuity.

FLTCIP

- Your coverage continues into retirement provided you continue to pay premiums.
- If you pay premiums via payroll deduction, then shortly before you retire, you should notify Long Term Care Partners (LTCP) at 1-800-582-3337 to make other arrangements for premium payment.
- You may elect annuity deduction if you desire. LTCP cannot deduct your premium from “special” or “interim” pay. LTCP will send you a direct bill during this time. Premium deduction will begin from your annuity once it is finalized.

Federal Employees Health Benefits (FEHB) Program

Overview

The United States Postal Service (USPS) provides health benefits to its career employees by participating in the Federal Employees Health Benefits (FEHB) Program, which is administered by the U.S. Office of Personnel Management (OPM), Office of Retirement and Insurance Services. It is the largest employer-sponsored health insurance program in the world. OPM interprets health insurance laws and writes regulations for the FEHB Program. It gives advice and guidance to the USPS and other participating agencies to process your enrollment changes and to deduct your premiums. OPM also contracts with and monitors all of the plans participating in the FEHB Program.

While FEHB eligibility, enrollment requirements and the plans available for 2009 are the same for federal and USPS employees alike, the Postal Service pays a higher percentage contribution towards career Postal employee premium rates than the rest of the federal government. All employee premium rates are calculated using the "Fair Share Formula."

What does this program offer?

The FEHB Program offers a wide variety of plans and coverage to help you meet your health care needs. It is group coverage available to employees, retirees and their dependents. If you continuously maintain your FEHB enrollment, or are covered by the FEHB enrollment as a family member, or a combination of both, for the five years of service immediately preceding your retirement, and you retire on an immediate annuity, you can continue to participate in the FEHB after retirement. The Program benefits you receive as a retiree are the same coverage Federal employees receive and at the same cost. If you leave government employment before retiring, the Program offers temporary continuation of coverage (TCC) and an opportunity to convert your enrollment to non-group (private) coverage.

If you are currently enrolled in the FEHB and do not want to change plans or enrollment type, you do not need to do anything. Your enrollment will continue automatically.

Appendix F includes a comparison chart of all the plans in the FEHB with information comparing basic benefits and costs.

Key Facts

- The FEHB Program is part of the annual Open Season.
- FEHB coverage continues each year. You do not need to re-enroll each year. If you are happy with your current coverage, do nothing. **Please note that your premiums and benefits may change. Also, if your plan is not a national plan, the service area may change.**
- You can choose from Consumer-Driven and High Deductible plans that offer catastrophic risk protection with higher deductibles, health savings/reimbursement accounts and lower premiums, or Health Maintenance Organizations or Fee-for-Service plans with comprehensive coverage and higher premiums.
- There are no waiting periods and no pre-existing condition limitations, even if you change plans.
- If you are an active Postal employee, you can use your Health Care Flexible Spending Account or Limited Health Care Flexible Spending Account with your FEHB plan.
- If you participate in Pre-tax Payment of Premiums, enrollment changes can only be made during Open Season or if you experience a qualifying life event (QLE).
- All nationwide FEHB plans offer international coverage.
- There are separate and/or different provider networks for each plan.
- Utilizing an in-network provider will reduce your out-of-pocket costs.

Federal Employees Health Benefits (FEHB) Program

How much does it cost?

The premiums for your enrollment are shared by you and the Postal Service. The Postal Service pays the lesser of 83% of the average premium of all plans weighted by the number of enrollees in each plan or but not more than 86.5% of the total premium for any individual plan. If you are a career employee, you automatically pay your share of the premium through a payroll deduction using pre-tax dollars unless you waive this treatment and pay your premiums with after-tax money. The charts in Appendix F provide cost information for all plans in the FEHB Program.

Am I eligible to enroll?

All career employees are eligible to enroll in FEHB. Non-career employees are eligible if they meet the eligibility requirements. If you have an appointment other than career and you have not received information about enrollment, you should contact the Human Resources Shared Service Center (HRSSC) on 1-877-477-3273, option 5 for more information.

When you retire, you are eligible to continue health benefits coverage if you retire on an immediate annuity under a retirement system for civilian employees (including FERS MRA + 10 retirements) and you have been continuously enrolled (or covered as a family member) in any FEHB plan(s) for the 5 years of service immediately before the date your annuity starts, or for the full period(s) of service since your first opportunity to enroll (if less than 5 years).

If you suspend your FEHB coverage as a retiree because you are covered by TRICARE, a Medicare Advantage Plan, Medicaid, or Peace Corps volunteer coverage you may reenroll under certain conditions. (You should contact your retirement system for information on your eligibility.) **If you are not enrolled in or covered as a family member under FEHB when you retire, you will not be able to enroll after retirement.**

Coverage

New Employees – New employees have the opportunity to select a health plan within 60 days of being hired.

Current Employees – Current employees have an opportunity to select or change plans:

- During Open Season
- When certain life events occur (see table on pages 35 through 38 of this Guide) **NOTE: These elections MUST be made within certain time limits as specified in the table.**

Your choice of plans and options includes Self Only coverage just for you, or Self and Family coverage for you, your spouse, and unmarried dependent children under age 22 (and in some cases, a disabled child 22 years or older who is incapable of self-support).

Eligible Family Members – Eligible family members for “Self and Family” health benefits enrollment purposes include an enrollee’s:

- Spouse
- Unmarried dependent children under age 22, including legally adopted children and recognized natural (born out-of-wedlock) children.
- Unmarried dependent stepchildren and foster children, (including foster children who are also your grandchildren) under age 22 if they live with the enrollee in a regular parent-child relationship.
- Unmarried dependent children age 22 or over who are incapable of self-support because of physical or mental incapacity that existed before their 22nd birthday.

Ineligible Members – even though the following family members may live with and/or be dependent upon the enrollee, they are NOT ELIGIBLE for coverage under the enrollee’s “Self and Family” FEHB program enrollment:

- Parents and other relatives
- Former spouses

NOTE: Falsifying or misrepresenting family member eligibility or enrollment is a violation of federal law and may subject an employee to fine, imprisonment and/or disciplinary action.

Federal Employees Health Benefits (FEHB) Program

Loss of Coverage – When an event occurs that causes you or your family member to lose coverage, the FEHB Program offers a continuation of coverage feature, either temporarily or by permanent conversion to a private sector policy. Such events include but are not limited to:

- Child reaching age 22
- Separation
- Retirement
- Divorce
- Application for Spouse Equity
- Death
- Relocation
- LWOP Status*

*Leave Without Pay Status – FEHB Program regulations state that you may continue your FEHB coverage for up to 365 days while you are in a Leave Without Pay (LWOP) status, provided that you pay the employee share of the premium, either while on LWOP or when you return to a pay status. The Postal Service will invoice you for our share of the premium unless you complete and submit to the Human Resources Shared Service Center (HRSSC) PS Form 3111, FEHB Coverage or Termination While in Leave Without Pay (LWOP) Status, to terminate coverage. At 365 days in LWOP status, your FEHB coverage terminates.

If you do not pay your FEHB premiums while in a LWOP status, when you return to a pay status the amount owed for unpaid premiums may be significant. If there are FEHB past-due premiums (from one to four unpaid FEHB premiums), up to the entire amount due will be deducted from your salary. In addition, if there are sufficient monies available, the premium for the current pay period will be deducted from your pay. When an accounts receivable account has been created for unpaid FEHB premiums and that receivable is over 45 days old, Payroll automatically takes 15 percent of your disposable net pay per pay period until that accounts receivable account is paid off. This means that an employee who returns to pay status could possibly pay all of these amounts at the same time – the past

due FEHB premiums (maximum of four unpaid FEHB premiums), the current FEHB premium, and up to 15 percent of disposable net pay towards payment of any accounts receivables for unpaid FEHB premiums.

It is your responsibility to report life events that may cause you or your family member to lose eligibility. It is also your responsibility to complete and submit any required paperwork to change your enrollment and/or apply for any continuation of coverage, if eligible, within the time limits specified in the Table of Permissible Changes on pages 35 through 38 of this Guide. If you have questions, contact the HRSSC on 1-877-477-3273, option 5.

If you lose coverage under the FEHB Program, you should automatically receive a Certificate of Group Health Plan Coverage from the last FEHB plan to cover you. If not, the plan must give you one on request. This certificate may be important to qualify for benefits if you join a non-FEHB plan.

When can I enroll?

If you are a new employee who is eligible for FEHB or an employee who has become newly eligible to enroll, you may enroll within 60 days of becoming eligible. You may also enroll during the annual Open Season. Furthermore, you may enroll, change your enrollment type, or change plans outside of Open Season if you experience a qualifying life event (QLE) such as a change in family or other insurance coverage status. The Table of Permissible Changes on page 35 contains more specific information about qualifying life events that permit employees to enroll or change enrollment in the FEHB Program.

For new or newly eligible employees who elect to enroll, coverage will be effective on the first day of the first pay period that begins after the Postal Service receives your enrollment. An Open Season enrollment or change is effective on the first day of the first full pay period that begins in January.

Federal Employees Health Benefits (FEHB) Program

FEHB Open Season

Each year you have the opportunity to enroll or change enrollment during an Open Season. **The 2008 Open Season is from November 10 through December 9 at 5:00 p.m. Central Time.** Employees may make any one – or a combination – of the following changes:

- Enroll if not enrolled
- Change from one option to another
- Change from Self Only to Self and Family
- Change from Self and Family to Self Only
- Change from pre-tax to post tax premium deductions or vice versa (see pages 12 through 13 of this Guide)
- Cancel enrollment

If you decide to do any of the above actions, you **MUST** follow the instructions on the *PostalEASE* FEHB Worksheet contained in this Guide and enter your election in *PostalEASE* by 5:00 p.m. Central Time on December 9, 2008. It is critical that this be done timely.

Your new enrollment or any changes that you make to your existing coverage will take effect on January 3, 2009, and the change in premium rate deductions will be seen on your January 23, 2009, earnings statement. If you change plans, any covered expenses incurred between January 1 – 2, 2009, will count toward the prior year deductible of the plan you are changing from.

If you decide **NOT** to change your enrollment, **DO NOTHING**, and your present enrollment will continue automatically unless your plan is not participating in 2009. If your plan is not participating in 2009 you **MUST** choose another plan during Open Season or you will not have FEHB coverage. Ask the Human Resources Shared Service Center (HRSSC) for a list of the plans that will terminate at the end of the 2008 plan year.

If you decide to cancel your coverage during Open Season, you must cancel your enrollment in *PostalEASE*, which includes a confirmation by you that you clearly accept the consequences of canceling. The cancellation will become effective on January 2, 2009.

If you pay premium contributions on a pre-tax basis (which most career employees do) you will not be able to cancel or reduce (change from Self and Family to Self Only) coverage unless you experience a qualifying life event (QLE) and your election is in keeping with the change. See pages 12 through 13 of this Guide on Pre-tax Payment of Premium Contributions and the Table of Permissible Changes on pages 35 through 38 of this Guide.

You, as an employee, are responsible for being informed about your health benefits. You should thoroughly read this Guide, the brochures of plans that interest you, and the bulletin board notices on health benefits topics. These include family member eligibility, the option to continue or terminate an enrollment during periods of non-pay status or insufficient pay, dual enrollment prohibition, coverage for former spouses, and discontinued health insurance plans. Be sure to read the section on the pre-tax payment of health insurance premium contributions, which specifies Internal Revenue Service (IRS) restrictions for reducing or canceling coverage (see pages 12 through 13 of this Guide). Also be sure to refer to the Table of Permissible Changes on pages 35 through 38 of this Guide.

You can go to <http://opm.gov/insure/health> and download:

- All of the Benefits Guides including the Guide for Career USPS Employees, the Guide for United States Postal Service Inspectors and Office of Inspector General Employees, the Guide for Certain Temporary (Non-career) USPS Employees, and the Guide for TCC and Former Spouse Enrollees.
- Plan brochures that include benefits, cost, and other major features of each health plan.

After referring to these sources, if you still have questions regarding eligibility, enrollment criteria, continued coverage after certain life events, or on any other FEHB policies, or if you need assistance making your choice in *PostalEASE*, contact the HRSSC on 1-877-477-3273, option 5.

Federal Employees Health Benefits (FEHB) Program

How do I enroll?

- Complete the *PostalEASE* FEHB Worksheet on page 29.
- Access *PostalEASE* on the Internet (<https://liteblue.usps.gov>), at an Employee Self-Service Kiosk (available in some facilities), on the Intranet (from the Blue page), or by calling the Employee Service Line toll-free at 1-877-477-3273, option 1.

How do I get more information about this Program?

Visit the FEHBP online at www.opm.gov/insure/health for information including:

- How to compare and choose among health plans
- Health plan websites and plan brochures
- How to file a disputed claim request
- Getting quality healthcare
- Medicare and FEHB

FEHB and *PostalEASE*

The United States Postal Service uses *PostalEASE* to enter Federal Employee Health Benefit (FEHB) Program Open Season enrollments and changes. By using *PostalEASE* for health benefits, and by sending information to health insurance companies electronically instead of via paper forms as in past open seasons, the Postal Service expects that employees who make health benefits changes will get their new insurance cards more quickly. All the information you need for using *PostalEASE* is included in the FEHB *PostalEASE* Worksheet found on pages 29 to 33 of this Guide. Just follow the instructions to:

- Enroll
- Change Enrollment
- Cancel Enrollment
- Review or change your pending open season transaction
- Review or update your dependent information
- Review your current enrollment information
- Receive a copy of a health benefits election that was processed using *PostalEASE*

If you want to make a change for the 2009 plan year, you may do so during the annual FEHB Open Season, which is from November 10 through December 9, 2008, at 5:00 PM Central Time. If you currently have an FEHB enrollment and you do not want to make any changes, *do nothing*. Your coverage will continue automatically.

Please do not wait until late in the open season to enter your choice via *PostalEASE*. If you select Self and Family coverage, then you'll need to enter information about your dependents. Although this will take extra time, providing this information is required under FEHB regulations. Just complete the FEHB *PostalEASE* Worksheet and follow the instructions carefully.

All open season Self Only enrollments, changes to Self Only coverage, and cancellations, should be entered as employee "self service" transactions using *PostalEASE*. Since dependent information is not required, such transactions are simple. Most Self and Family enrollments can also be completed as employee self service transactions, although they require additional information. The easiest way to do this is via the *PostalEASE* Employee Web, which is available through the Liteblue page, Blue page, or on a kiosk. Many Self and Family transactions can also be completed by telephone. If you are unable to enter your dependent information via the telephone, the *PostalEASE* system will refer you to the Web, a kiosk, or the Human Resources Shared Service Center (HRSSC). *PostalEASE* provides the enrollment date, processing date, and effective date when you complete your transaction. You may delete or change a pending transaction until it is processed. If you are newly eligible for FEHB as a career employee, you may also use *PostalEASE* during the first 60 days after your date of appointment.

This Guide contains important FEHB policy information that used to be provided to you as part of the SF 2809 *Health Benefits Election Form*. Be sure you understand how your health benefits work, including information on which family members are eligible, how you pay for your health benefits premiums using pre-tax dollars, and the limitations on making a health benefits change outside of open season. As a reminder, to continue health benefits coverage during retirement, you must have had five consecutive years of FEHB coverage immediately prior to your retirement. If you need help understanding any of this information, or you need help using *PostalEASE*, you should contact the HRSSC for assistance on 1-877-477-3273, option 5.

Pre-Tax Payment of Premium Contributions

The Postal Service has established the pre-tax payment of health insurance premium contributions as a tax-saving benefit feature for its employees. This feature has been sponsored by the Postal Service since 1994. Payment of premiums on a pre-tax basis prohibits enrollees from reducing coverage unless they qualify as described in the section “Reducing Coverage” below.

Pre-Tax Withholding

If you are a career employee, your premium contributions will automatically be withheld from pay as “pre-tax money,” which means the premium amount is not subject to income, Social Security, or Medicare taxes.

Premiums are collected on a pre-tax basis automatically, unless you waive this treatment. Once you begin to pay FEHB premiums with pre-tax money, this method continues each year.

Although you are automatically enrolled to pay premium contributions with pre-tax money, you do have an opportunity during FEHB Open Season, or if you have a qualifying life event, to waive this treatment and pay your premiums with “after-tax money.” This means you give up the tax savings of paying with pre-tax money.

There are two possible disadvantages of paying your premiums with pre-tax money that you should balance against the tax savings you receive.

First, when you retire, if you begin to collect Social Security (normally this occurs at age 62 at the earliest), you may receive a slightly lower Social Security benefit. Paying your FEHB premiums with pre-tax money reduces the earnings reported to the Social Security Administration. (Your Medicare, life insurance, retirement plan, and Thrift Savings Plan benefits are not affected.)

Second, there are some restrictions on reducing or canceling your coverage outside FEHB Open Season

that apply if you pay your premium contributions with pre-tax money. These are explained in the section “Reducing Coverage” below.

Most employees prefer paying their premiums with pre-tax money because they save on taxes. Nevertheless, if for any reason you do not want this method of payment, and instead wish to have premiums paid with after-tax money, you must submit a form that is available from the Human Resources Shared Service Center (HRSSC) to waive the pre-tax treatment. For more information, see the section “How to Waive or Restore Pre-Tax Payment” on page 13 of this Guide.

Reducing Coverage

When your premium contributions are withheld on a pre-tax basis, certain Internal Revenue Service (IRS) guidelines affect your ability to change coverage. You may elect to reduce your coverage, that is, to cancel your FEHB enrollment, or to go from Self and Family to Self Only coverage, only during an FEHB Open Season, unless you have a qualifying life event. These are shown in the chart on pages 35 to 38 of this Guide titled “USPS Employees: Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After-Tax Premium Payment.” Refer to the column labeled “FEHB Enrollment Change That May Be Permitted” and the header “Cancel or Change to Self Only.” You also must satisfy the time limits shown in the column labeled “Time Limits in Which Change May Be Permitted.”

If you are the only person left in your Self and Family enrollment as a result of a qualifying life event in marital or family status, you must elect to reduce the enrollment (elect Self Only coverage or cancel coverage) by submitting the FEHB *PostalEASE* Worksheet to the HRSSC within the time limit shown in the column labeled “Time Limits in Which Change May Be Permitted” in the chart on pages 35 to 38 of this Guide. Otherwise, your Self and Family enrollment will continue until another event (that is, a qualifying life event or FEHB Open Season) occurs that allows you to elect to reduce coverage.

Pre-Tax Payment of Premium Contributions

Reducing your FEHB coverage outside of FEHB Open Season must be in keeping with, or on account of, your qualifying life event. For example, if you have a new baby, you usually would not change from Self and Family to a Self Only enrollment, or cancel coverage.

To reduce your FEHB coverage outside of FEHB Open Season, submit an FEHB *PostaleASE* Worksheet to the Human Resources Shared Services Center (HRSSC) within the time limits shown in the column labeled “Time Limits in Which Change May be Permitted” in the table on pages 35 to 38 of this Guide. You must provide any supporting documentation requested by the HRSSC. The effective date of a change from Self and Family to Self Only will be the first day of the pay period that follows the pay period in which your Worksheet is received by the HRSSC. The effective date of a cancellation will be the last day of the pay period in which your Worksheet is received by the HRSSC, if received within the specified time limits.

It is your responsibility to notify and submit necessary forms to the HRSSC on time when you are the only person left on your enrollment.

Retirement is NOT a qualifying life event that allows cancellation prior to the date of your retirement. If you wish to cancel an enrollment at retirement, the HRSSC will accept your completed SF 2809 and forward it to OPM for processing after separation from the Postal Service. (Annuitants’ FEHB premium contributions are not withheld as a pre-tax payment, thus once you are an annuitant, reduction in coverage is allowed at any time.)

During periods of non-pay status or insufficient pay, you may terminate your FEHB enrollment. The effective date of termination is retroactive to the end of the last pay period in which a premium contribution was withheld from pay. Contact the HRSSC for more information about how termination during periods of non-pay status or insufficient pay affects FEHB enrollment.

How to Waive or Restore Pre-Tax Payments

If you pay premiums with after-tax money, you will not be affected by the IRS guidelines described above that restrict reductions in coverage. You may reduce your level of FEHB coverage at any time of year without having a qualifying life event. You will give up the tax savings from paying your premium contributions with pre-tax money.

If you wish to pay your premiums with after-tax money, you must contact the HRSSC and ask for Postal Service (PS) Form 8201, Pre-tax Health Insurance Premium Waiver/Restoration Form. During Open Season, complete the form and return it to the HRSSC by close of business December 9, 2008. If this is your initial opportunity to enroll in FEHB, you have 60 days to submit your election to the HRSSC. You also may make such an election when you have a qualifying life event which is shown in the chart on pages 35 to 38 of this Guide. Refer to the column labeled “Premium Conversion Election Change That May Be Permitted.” You must also satisfy the time limits shown in the column labeled “Time Limits in Which Change May Be Permitted.”

If you submit a waiver, your premiums will continue to be paid with after-tax money in future years, unless you later submit another PS Form 8201 to restore pre-tax payment of FEHB premiums.

If you previously submitted a waiver in order to pay with after-tax money, and you want to begin paying your premiums with pre-tax money, you may submit a PS Form 8201 to restore pre-tax payment of your premium contributions. You may change the method of payment from pre-tax to after-tax, or the reverse only during the annual FEHB Open Season or following a qualifying life event and within the time limits described earlier in this section.

Federal Employees Dental and Vision Insurance Program (FEDVIP)

What does this Program offer?

The Federal Employees Dental and Vision Insurance Program provides comprehensive dental and vision insurance at competitive group rates. There are seven dental plans and three vision plans from which to choose. FEDVIP features nationwide, international, and regional plans.

A dental or vision insurance plan is much like a health insurance plan; you may be required to meet a deductible and provide a copay or coinsurance payments for your dental or vision services. With any plan choice, you should look at all the information and find a plan that will best fit your needs. You should also review your FEHB plan brochure to determine what dental and/or vision coverage the FEHB plan provides.

If you are currently enrolled in FEDVIP and you take no action during Open Season, your current coverage will continue in 2009, provided you remain eligible for the program. Enrollments continue year to year, automatically. **Please Note:** your premiums and benefits may change for 2009.

Key FEDVIP Facts

- FEDVIP is separate and different from the FEHB Program.
- FEDVIP coverage continues each year. You do not need to re-enroll each year. If you do not want to change plans or enrollment type, do nothing.
- You can only cancel FEDVIP coverage during Open Season, upon deployment to active military duty or upon transfer to another agency where you enroll in their dental and/or vision plan and the agency pays at least 50% of the premium. You cannot cancel just because you retire or because you can no longer afford the premiums.

- Coordination of benefits (COB) with your FEHB plan, if you are enrolled in a FEHB plan, is a requirement under the FEDVIP law. The FEDVIP plan is always secondary to the FEHB plan.
- You can use your Flexible Spending Account (FSA) with FEDVIP. You can submit your FEDVIP copayments and deductibles as eligible expenses against your FSA account.
- All nationwide FEDVIP plans provide international coverage.
- There are separate and/or different provider networks for each plan.
- Utilizing an in-network provider will reduce your out-of-pocket costs.
- There are no pre-existing condition limitations.
- There is no opportunity to convert to a private plan when your FEDVIP coverage ends. There is no 31-day extension of coverage, Temporary Continuation of Coverage (TCC), Spouse Equity coverage, or right to convert to an individual policy (conversion policy).

What enrollment types are available?

- Self Only, which covers only the enrolled employee or retiree;
- Self Plus One, which covers the enrolled employee or retiree plus one eligible family member specified by the enrollee; and
- Self and Family, which covers the enrolled employee or retiree and all eligible family members.

The FEDVIP Guide lists the available dental and vision insurance plans along with basic benefit information. The FEDVIP Guide will be mailed to your address on record.

Federal Employees Dental and Vision Insurance Program (FEDVIP)

How much does it cost?

You pay the entire premium. There is no Postal Service contribution to the premium. If you are an active employee, your premiums are taken from your salary on a pre-tax basis if your salary is sufficient to make the premium withholding. When you retire, premiums will be withheld from your monthly annuity check on a post-tax basis if your annuity is sufficient.

Premiums for the nationwide dental plans and one regional dental plan are based on where you live. This is called your rating region. Your home ZIP code is used to find your rating region. Rating regions vary by carrier. The vision plans do not have rating regions. Enrolling in a FEDVIP plan will not reduce your FEHB premium.

See the FEDVIP Guide to find 1) the rating region assigned to the area where you live by the different dental plans and 2) the related premium you will pay. You may also go to OPM's website at www.opm.gov/insure/dental and www.opm.gov/insure/vision for premium and rating region information.

Am I eligible to enroll?

In general, Postal Service employees eligible for FEHB coverage (whether or not actually enrolled) and retirees (regardless of FEHB status) are eligible to enroll in a dental and/or vision plan. Former spouses and deferred annuitants are NOT eligible to enroll. Anyone receiving an insurable interest annuity who is not also an eligible family member is NOT eligible to enroll.

When can I enroll?

If you are a new employee eligible for FEDVIP, or an employee who has become newly eligible to enroll, you may enroll within 60 days of first becoming eligible. This is a one-time opportunity outside of Open Season to enroll. There is a separate 60-day enrollment period for dental and vision. For example: you may enroll in a dental plan on day 30 and a vision plan on day 59. Once you enroll, your 60-day opportunity for that type of plan ends.

An eligible employee or retiree may also enroll during the annual FEDVIP Open Season, which runs from the Monday of the second full work week in November through the Monday of the second full work week in December. An eligible employee or retiree may enroll, cancel, change enrollment type, or change plans or options during Open Season. You may enroll or make changes outside of Open Season if you experience a qualifying life event (QLE) such as a change in family or other insurance coverage status. Please see the FEDVIP Guide for more information about QLEs that permit employees and retirees to enroll or make changes in FEDVIP.

If you enroll during Open Season, premiums are deducted beginning the first full pay period on or after January 1. For new or newly eligible employees who elect to enroll, coverage is effective the first day of the pay period following the one in which BENEFEDS receives your enrollment. An Open Season enrollment or change is effective January 1.

Federal Employees Dental and Vision Insurance Program (FEDVIP)

How do I enroll?

You may enroll on the Internet at www.BENEFEDS.com. BENEFEDS is a secure enrollment website sponsored by OPM. For those without access to a computer, please call 1-877-888-FEDS (1-877-888-3337) (TTY number, 1-877-889-5680).

You cannot enroll in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through *PostalEASE*.

What should I consider in making my decision to participate in this Program?

There are questions you should ask yourself when deciding to enroll in FEDVIP or selecting a FEDVIP plan. By considering these questions thoroughly, you will be able to determine if FEDVIP is a good option for you.

1. Does my FEHB plan provide dental or vision coverage?
2. How does the FEDVIP plan coordinate benefits with the FEHB plan and how is the coordination of benefits calculated?
3. How affordable is the plan?
 - How much will it cost me on a bi-weekly or monthly basis? Can I afford that for the entire year?
 - Must I pay a deductible?
 - If I use a FEDVIP provider outside of the network, how much will I pay to get care?
 - How frequently can I visit the dentist and how much do I have to pay at each visit?
 - Will the plan provide benefits if I am also covered by another dental or vision plan?

4. Do I have access to any provider?
 - Does the plan give me the freedom to choose my own dentist or am I restricted to a panel of dentists selected by the plan?
 - Are there enough of the kinds of dentists I want to see?
 - Where will I go for care? Are these places near where I work or live?
 - Do I need to get permission before I see a dental specialist?
 - Will the plan allow referrals to specialists? Will my dentist and I be able to choose the specialist?
5. Does the plan provide coverage for specialty services?
 - Are dentures, orthodontics, implants or replacement of missing teeth covered?
 - What are the plan's limitations or exclusions?
 - Are there annual limits on the types of services included?

How do I find my premium rate?

A brochure, FEDVIP BK-1, *Guide to Federal Employees Dental and Vision Insurance Program* (November 2008), will be mailed to all employees.

How do I get more information about this program?

Visit FEDVIP on-line at www.opm.gov/insure/dental and www.opm.gov/insure/vision for information including:

- How to enroll
- FEDVIP plan website, brochures, and provider searches

USPS Flexible Spending Accounts (FSA) Program

Flexible Spending Accounts (FSA) Open Season

- Enrollment for 2009 FSAs begins:
November 10, 2008
- Enrollment ends: December 28, 2008
(5:00 P.M. Central Time)
- Enrollments are effective: January 1, 2009

Who Can Enroll

Only career employees are eligible to enroll in FSAs for 2009.

What Are FSAs for and How Do They Work?

There are two types of FSAs available to you — the Health Care FSA for health care expenses and the Dependent Care FSA for dependent care (day care) expenses.

If you're like most people, you have health care expenses you pay yourself — insurance doesn't cover them. Expenses for you and your family, like prescriptions, doctor and dentist visits, vision care, even over-the-counter medical items like aspirin or bandages. Expenses like health plan deductibles or copayments. If you enroll in FEDVIP and have dental or vision insurance, amounts for non-cosmetic procedures or items that your plan doesn't cover. But your expenses aren't high enough for you to claim a deduction on your taxes.

You can get a tax break, though, by signing up for Flexible Spending Accounts (FSAs). You decide how much to contribute for 2009. Then, you contribute money every payday to an FSA, which is an account that allows you to cover your eligible health care expenses throughout the year with tax-free money. Meanwhile, whatever you contribute isn't subject to Federal income tax, or Social Security tax, or Medicare tax. Since, you get a tax break each payday, it's cheaper to pay for your health care expenses through an FSA. (Without an FSA, you pay for health care expenses using your checkbook or a credit card, and there's no tax break at all.)

You can use FSAs for dependent care (day care) expenses too, and you'll save on taxes the same way.

The full amount that you sign up for is available to you beginning January 1, 2009, to cover your eligible expenses, even though FSA contributions are taken from your pay over the entire year. So, for example, if you have Lasik surgery in February and it costs you \$3,000, you can withdraw the entire amount from your Health Care FSA even though you won't have had that much withheld from your pay at that time. It works the same way for the Dependent Care FSA too.

Be sure to read the FSA brochure that's mailed to you as it explains the limitations on using your FSA—for example, there are specific time limits for expenses to be eligible. You can't cover certain expenses, such as cosmetic items or procedures. And there's a deadline for filing your claims. The brochure explains the details.

What Are the Contribution Limits?

You can contribute up to \$5,000 to the Health Care FSA. You can contribute up to \$5,000 to the Dependent Care FSA.

How to Enroll

To use the Employee Web — the easiest way to use *PostalEASE* — access the system in any of these ways:

- On the Internet at <https://liteblue.usps.gov>. Under “Employee Self Service,” select *PostalEASE*.
- At an employee self-service kiosk.
- On the Intranet at <http://blue.usps.gov>. Under “Employee Resources,” select *Employee Self Service* and then *PostalEASE*.

To use the telephone, call the Employee Service Line at 877-477-3273, option 1.

If you have a medical condition that interferes or for another reason cannot successfully complete your transaction using *PostalEASE*, contact the Human Resources Shared Service Center (HRSSC) for assistance.

USPS Flexible Spending Accounts (FSA) Program

Details Are in the Mail

A leaflet and a brochure, FSA BK1, *Flexible Spending Accounts* (November 2008), with a *PostalEASE* FSA worksheet included, are being mailed to all career employees. If you do not receive yours by November 28, 2008, contact the HRSSC.

What if I Enroll in a High-Deductible Health Plan with a Health Savings Account?

It is *very important* for you to read the FSA brochure that is mailed to you this FSA open season so that you understand the rules before you sign up for a Health Care FSA. Look for the section that explains the Limited FSA.

Questions

Hotline for FSA questions: 800-842-2026.

TTY line for employees who are deaf or hard of hearing: 1-888-697-9056. Advance call to hotline encouraged.

Federal Employees' Group Life Insurance Program (FEGLI)

What does this Program offer?

The FEGLI Program offers group term life insurance.

Key FEGLI facts

- There is no annual Open Season for FEGLI.
- Employees in eligible positions are automatically covered under Basic life insurance, unless they choose to waive that coverage.
- Employees must have Basic insurance in order to have or elect Optional insurance.
- Employees must take action, within strict time limits, to elect Optional insurance. Coverage is not automatic.
- The Postal Service pays the full cost of Basic insurance. Enrollees pay 100% of the cost of Optional insurance.
- FEGLI does not have any cash or paid-up value. You cannot get a loan by borrowing from this insurance.
- Retirees may be able to continue their FEGLI coverage into retirement, but they cannot elect FEGLI coverage as a retiree.
- Living benefits are life insurance benefits paid to you while you are still living, rather than paid to a beneficiary or survivor when you die. You are eligible to elect a living benefit if you are an employee, retiree, or compensationner covered under the FEGLI Program who has been diagnosed as terminally ill with a life expectancy of nine months or less, and you have not assigned your insurance.

What coverage is available?

Basic insurance – your annual salary, rounded up to the next even \$1,000, plus \$2,000. Basic insurance includes accidental death and dismemberment coverage for employees (not for retirees).

Optional insurance

- **Option A - Standard** – \$10,000 of insurance. Option A includes accidental death and dismemberment coverage for employees (not retirees).
- **Option B - Additional** – 1, 2, 3, 4 or 5 times your annual rate of basic pay after rounding it up to the next even \$1,000.
- **Option C - Family** – coverage for your spouse and all of your eligible dependent children. You can elect 1, 2, 3, 4 or 5 multiples. Each multiple is equal to \$5,000 for your spouse and \$2,500 for each eligible child.

How much does it cost?

The Postal Service pays the full cost of your basic life insurance premium.

You pay 100% of the premium for Optional insurance. The cost depends on your age, based on 5-year age groups.

Am I eligible to enroll?

Most Postal Service employees are eligible to enroll in FEGLI. Retirees are eligible to carry their FEGLI into retirement if they meet the following requirements: eligible to retire on an immediate annuity (including FERS MRA+10 retirement), have not converted the coverage to a private plan, and have been insured under FEGLI for the five years immediately preceding retirement or for all periods of service during which FEGLI was available to them if they have been covered for less than 5 years. **There is no waiver of this five-year rule.**

When can I enroll?

There is no annual Open Season for FEGLI.

If you are a new employee who is eligible for FEGLI, or an employee who has become newly eligible to enroll, you will be automatically enrolled in Basic. If you do not want Basic, you must file a waiver.

Federal Employees' Group Life Insurance Program (FEGLI)

As a new or newly eligible employee, you may enroll in Optional insurance within 31 days of becoming eligible. If you take no action, you will have Basic and will not have any Optional insurance.

If you are not a new employee or newly eligible, you may enroll in Basic life insurance and, if you wish, Option A and/or Option B coverage by providing satisfactory medical information at your own expense using the Request for Life Insurance (Standard Form 2822). You cannot enroll in Option C this way.

If you already have Basic insurance, you may elect or increase Option B and/or Option C within 60 days of experiencing a qualifying life event (marriage, divorce, death of a spouse or birth or adoption of children). You cannot enroll in Option A this way.

You may also enroll during a FEGLI Open Season, which is held infrequently. You will receive plenty of notice when there is a FEGLI Open Season. The most recent FEGLI Open Seasons were held in 2004 and in 1999.

How do I enroll?

Contact the Human Resources Shared Service Center (HRSSC) on 1-877-477-3273, option 5 for details on how you can enroll.

Who gets the benefits paid after my death?

When you die, the Office of Federal Employees' Group Life Insurance (OFEGLI), an administrative unit of Metropolitan Life Insurance Company (MetLife), will pay life insurance benefits in a particular order set by law, unless you have a standard form (SF) 2823, Designation of Beneficiary. FEGLI in your official personnel file. The FE 76-20 FEGLI Program Booklet for USPS Employees, available from the HRSSC and at www.opm.gov/insure/life, contains more details.

How does my beneficiary file a claim?

He or she must use form FE-6, *Claim for Death Benefits* to claim FEGLI benefits, available from the HRSSC, or retirement system or at www.opm.gov/insure/life.

How do I get more information about this Program?

Contact the HRSSC on 1-877-477-3273, option 5. If you are retired, contact OPM's Retirement Operations Center at retire@opm.gov or by calling 1-888-767-6738. Neither OFEGLI nor OPM's Insurance Services Program offices maintain records for active Postal Service employees or retirees.

Federal Long Term Care Insurance Program (FLTCIP)

What does this Program offer?

The FLTCIP offers insurance that helps cover the costs of certain long term care services. Long term care is the assistance you receive to perform activities of daily living – such as bathing or dressing yourself – or supervision you receive because of a severe cognitive impairment. Long term care can be provided in a facility, like a nursing home, but is mostly provided at home.

Key FLTCIP facts

- There is no annual Open Season for FLTCIP.
- You must apply and answer questions about your health to find out if you are eligible to enroll.
- You can apply for coverage at any time using the full underwriting application.
- New/newly eligible employees and their spouses and newly married spouses of employees can apply with abbreviated underwriting (fewer questions about their health) within 60 days of becoming eligible.
- Qualified family members can also apply, with full underwriting.
- Once enrolled, you can keep your coverage even if you are no longer in an eligible group (for example, you leave your job with the Postal Service).
- The FLTCIP is sponsored by OPM and is currently insured by John Hancock and MetLife.

How much does it cost?

If you are approved for coverage, your premium is based on your age on the date your application is received and on the benefit options you select. You may pay your premiums through deductions from pay or annuity, by automatic bank withdrawal, or by direct bill.

Am I eligible to apply?

Most Postal Service employees are eligible to apply for coverage. If you are eligible for the FEHB Program you are eligible to apply for coverage under the FLTCIP, even if you are not enrolled in the FEHB Program.

Retirees are eligible to apply. Spouses and adult children of eligible employees and retirees may also apply, as well as parents, parents-in-law, and stepparents of employees (but not of retirees).

How do I apply?

You apply by completing an application found at www.ltcfeds.com/usps or by calling 1-800-LTC-FEDS. You must pass a medical screening (called underwriting). Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. By applying while you're in good health, you could avoid the risk of having a future change in your health disqualify you from obtaining coverage. Also, the younger you are when you apply, the lower your premiums.

If you are a new or newly eligible employee, you (and your spouse, if applicable) have 60 days to apply using the abbreviated underwriting application, which asks fewer questions about your health. Newly married spouses of employees also have 60 days to apply using abbreviated underwriting.

Open Seasons for the FLTCIP are infrequent, but you don't have to wait for an Open Season – you may apply anytime using the full underwriting application.

What should I consider in making my decision to participate in this Program?

Remember that FEHB plans do not cover the cost of long term care. While Medicare covers some care in nursing homes and at home, it does so only for a limited time, subject to restrictions. The need for long term care can strike anyone at any age and the cost of care can be substantial.

Be sure to visit www.ltcfeds.com/usps for the most up-to-date information about the Program.

How do I get more information about this Program?

Call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com/usps.

Appendix A

FEHB Program Features

No waiting periods. You can use your benefits as soon as your coverage becomes effective. There are no pre-existing condition limitations even if you change plans.

A choice of coverage. You can choose Self Only coverage just for you, or Self and Family coverage for you, your spouse, and unmarried dependent children under age 22. Under certain circumstances, your FEHB enrollment may cover your disabled child 22 years old or older who is incapable of self-support.

A choice of plans and options. Fee-for-Service plans, plans offering a Point-of-Service product, Health Maintenance Organizations, High Deductible Health Plans and Consumer-Driven Health Plans.

A Government contribution. The Postal Service pays the lesser of 83% of the average premium of all plans weighted by the number of enrollees in each plan but not more than 86.5% of the total premium for any individual plan.

Salary deduction. You pay your share of the premium through a payroll deduction and have the choice of doing so using pre-tax dollars.

Annual enrollment opportunities. Each year you can enroll or change your health plan enrollment during Open Season. Open Season runs from the Monday of the second full work week in November through the Monday of the second full work week in December. Other events allow for certain types of changes throughout the year; see the Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After Tax Premium Payment for details.

Continued group coverage. The FEHB Program offers continued FEHB coverage:

- * for you and your family when you retire from the Postal Service (normally you need to be covered under the FEHB Program for the five years of service immediately before you retire),
- * for your former spouse if you divorce and he or she has a qualifying court order (contact the Human Resources Shared Service Center (HRSSC) for more information),
- * for your family if you die, or
- * for you and your family when you move, transfer, go on leave without pay, or enter military service (certain rules about coverage and premium amounts apply; contact the HRSSC).

Coverage after FEHB ends. The FEHB Program offers temporary continuation of coverage (TCC) and conversion to non-group (private) coverage:

- * for you and your family if you leave Federal service (including when you are not eligible to carry FEHB into retirement),
- * for your covered dependent child if he or she marries or turns age 22, or
- * for your former spouse if you divorce and he or she does not have a qualifying court order (contact the HRSSC at 1-877-477-3273, option 5).

If you lose coverage under the FEHB Program, you should automatically receive a Certificate of Group Health Plan Coverage from the last FEHB plan to cover you. If not, the plan must give you one on request. This certificate may be important to qualify for benefits if you join a non-FEHB plan.

Worksheets and Definitions

What type of health plan is best for you?

You have some basic questions to answer about how you pay for and access medical care. Here are the different types of plans from which to choose.

	Choice of doctors, hospitals, pharmacies, and other providers	Specialty care	Out-of-pocket costs	Paperwork
Fee-for-Service w/Preferred Provider Organization (PPO)	You must use the plan's network to reduce your out-of-pocket costs. Not using PPO providers means only some or none of your claims will be paid.	Referral not required to get benefits.	You pay fewer costs if you use a PPO provider than if you don't.	Some, if you don't use network providers.
Health Maintenance Organization	You generally must use the plan's network to reduce your out-of-pocket costs.	Referral generally required from primary care doctor to get benefits.	Your out-of-pocket costs are generally limited to copayments.	Little, if any.
Point-of-Service	You must use the plan's network to reduce your out-of-pocket costs. You may go outside the network but you will pay more.	Referral generally required to get maximum benefits.	You pay less if you use a network provider than if you don't.	Little, if you use the network. You have to file your own claims if you don't use the network.
Consumer-Driven Plans	You may use network and non-network providers. You will pay more by not using the network.	Referral not required to get maximum benefits from PPOs.	You will pay an annual deductible and cost-sharing. You pay less if you use the network.	Some, if you don't use network providers.
High Deductible Health Plans w/Health Savings Account (HSA) or Health Reimbursement Arrangement (HRA)	Some plans are network only, others pay something even if you do not use a network provider.	Referral not required to get maximum benefits from PPOs.	You will pay an annual deductible and cost-sharing. You pay less if you use the network.	If you have an HSA or HRA account, you may have to file a claim to obtain reimbursement.

Work Sheet For Picking A Health Plan

An easy-to-use tool allowing you to compare plans is available on the web at www.opm.gov/insure/spmt/plansearch.aspx. If you do not have Internet access, complete the chart below by using this Guide and the health plan's brochures to review your costs, including premiums, and estimate what you might spend on health care next year. Plan brochures can be obtained from the OPM website at www.opm.gov/insure/health. The side-by-side comparison can help you pick a plan with the benefits you need at a cost you can afford.

Type of Plan: HMO, Fee-for-Service, Point-of-Service, High Deductible, Consumer-Driven

	Plan:	Plan:	Plan:	Plan:	Plan:	Plan:
Annual Premium						
Annual Deductible (if any)

Think Quality

Pay attention to how a plan performs on measures of quality. We have several sources for reviewing quality information: **accreditation** (independent evaluations from private accrediting organizations), **member survey results** (evaluations by current plan members), and **effectiveness of care** (how the plan performs in preventing and treating common conditions). Check your health plan's brochure for its accreditation level or look for the Health Plan Accreditation link at www.opm.gov/insure/health. Member survey results are posted within the health plan benefit chart in this Guide. And a plan's effectiveness of care is measured by the Healthcare Effectiveness Data and Information Set found on OPM's website at www.opm.gov/insure/health/hedis2009.

Choosing an FEHB Plan

Definitions

Brand name drug - A prescription drug that is protected by a patent, supplied by a single company, and marketed under the manufacturer's brand name.

Coinsurance - The amount you pay as your share for the medical services you receive, such as a doctor's visit. Coinsurance is a percentage of the plan's allowance for the service (you pay, 20%, for example).

Copayment - The amount you pay as your share for the medical services you receive, such as a doctor's visit. A copayment is a fixed dollar amount (you pay \$15, for example).

Deductible - The dollar amount of covered expenses an individual or family must pay before the plan begins to pay benefits. There may be separate deductibles for different types of services. For example, a plan can have a prescription drug benefit deductible separate from its calendar year deductible.

Formulary or Prescription Drug List - A list of both generic and brand name drugs, often made up of different cost-sharing levels or tiers, that are preferred by your health plan. Health plans choose drugs that are medically safe and cost effective. A team including pharmacists and physicians determines the drugs to include in the formulary.

Generic Drug - A generic medication is an equivalent of a brand name drug. A generic drug provides the same effectiveness and safety as a brand name drug and usually costs less. A generic drug may have a different color or shape than the brand name, but it must have the same active ingredients, strength, and dosage form (pill, liquid, or injection).

In-Network - You receive treatment from the doctors, clinics, health centers, hospitals, medical practices, and other providers with whom your plan has an agreement to care for its members.

Out-of-Network - You receive treatment from doctors, clinics, health centers, hospitals, and medical practices other than those with whom the plan has an agreement at additional cost. Members who receive services outside the network may pay all charges.

Premium Conversion - A program to allow Federal employees to use pre-tax dollars to pay health insurance premiums to the Federal Employees Health Benefits (FEHB) Program. Based on Federal tax rules, employees can deduct their share of health insurance premiums from their taxable income, which reduces their taxes.

Provider - A doctor, hospital, health care practitioner, pharmacy, or health care facility.

Qualifying Life Events - An event that may allow participants in the FEHB Program to change their health benefits enrollment outside of an Open Season. These events also apply to employees under premium conversion and include such events as change in family status, loss of FEHB coverage due to termination or cancellation, and change in employment status.

Appendix C

FEHB Member Survey Results

Each year Federal Employees Health Benefits plans with 500 or more subscribers mail the Consumers Assessment of Healthcare Providers and Systems (CAHPS)¹ to a random sample of plan members. For Health Maintenance Organizations (HMO)/Point-of-Service (POS) and High Deductible Health Plans (HDHP) and Consumer-Driven Health Plans (CDHP), the sample includes all commercial plan members, including non-Federal members. For Fee-for-Service (FFS)/Preferred Provider Organization (PPO) plans, the sample includes Federal members only. The CAHPS survey asks questions to evaluate members' satisfaction with their health plans. Independent vendors certified by the National Committee for Quality Assurance administer the surveys.

OPM reports each plan's scores on the various survey measures by showing the percentage of satisfied members on a scale of 0 to 100. Also, we list the national average for each measure. Since we offer HMO plans, FFS/PPO plans, HDHP, and CDHP plans, we compute a separate national average for each plan type.

Survey findings and member ratings are provided for the following key measures of member satisfaction:

- Overall Plan Satisfaction – This measure is based on the question, “Using any number from 0 to 10, where 0 is the worst health plan possible and 10 is the best health plan possible, what number would you use to rate your health plan?” We report the percentage of respondents who rated their plan 8 or higher.
- Getting Needed Care – How often was it easy to get an appointment, the care, tests, or treatment you thought you needed through your health plan?
- Getting Care Quickly – When you needed care right away, how often did you get care as soon as you thought you needed? Not counting the times you needed care right away, how often did you get an appointment at a doctor's office or clinic as soon as you thought you needed?
- How Well Doctors Communicate – How often did your personal doctor explain things in a way that was easy to understand? How often did your personal doctor listen carefully to you, show respect for what you had to say, and spend enough time with you?
- Customer Service – How often did the written materials or the Internet provide the information you needed about how your health plan works? How often did your health plan's customer service give you the information or help you needed? How often were the forms from your health plan easy to fill out?
- Claims processing – How often did your health plan handle your claims quickly and correctly?
- Shared Decision Making – Did your doctor talk with you about the pros and cons of each choice for your treatment or health care? When there was more than one choice for your treatment or health care, did your doctor ask which choice was best for you?

In evaluating plan scores, you can compare individual plan scores against other plans and against the national averages. Generally, new plans and those with fewer than 500 FEHB subscribers do not conduct CAHPS. Therefore, some of the plans listed in the Guide will not have survey data.

Using the *PostalEASE* FEHB Worksheet

The *PostalEASE* telephone system and web sites provide a convenient, confidential, and secure way for you to newly enroll, change your current enrollment, or cancel your enrollment in the Federal Employees Health Benefits (FEHB) Program. If you have access to *PostalEASE* on the Internet (<https://liteblue.usps.gov>), at an Employee Self-Service Kiosk (available in some facilities), or on the Postal Service Intranet (from the Blue page), using these may be easier than using the telephone.

Through *PostalEASE* you may:

- Make a change to your current enrollment during FEHB Open Season (November 10, 2008 – December 9, 2008, 5 p.m. Central Time)
- Make an election as a new employee within 60 days of your date of hire.
- Update your dependents' information — **although if you are not making a change in your enrollment at the same time, you must also contact your health plan carrier directly** with this information. *PostalEASE* will **not** transmit dependent change information to the insurance carrier if an enrollment transaction has not occurred.

You cannot use *PostalEASE* to newly enroll or change your enrollment due to the occurrence of a permitting event, nor to cancel or reduce your coverage due to a qualifying life event (QLE). You must contact the Human Resources Shared Service Center (HRSSC) to assist you with these actions.

If you are not making any changes to your current FEHB enrollment, then you do not need to do anything.

Preparing for *PostalEASE* FEHB Enrollment

1. **Read the Privacy Act Statement.**
2. **Read and understand the appropriate *Guide to Benefits* – RI 70-2** for career USPS employees, **RI 70-2IN** for career U.S. Postal Inspectors and Office of the Inspector General employees, **RI 70-8PS** for certain temporary (noncareer) USPS employees or **RI 70-2NU** for Postal nurses – mailed to you for FEHB Open Season.
3. **Have the following information** ready before using *PostalEASE*.
 - a. Your USPS personal identification number (**PIN**). If you don't know your PIN, just call the Employee Service Line at 1-877-477-3273. When prompted to enter your PIN, pause and you will be given the option of having it mailed to your address of record. Usually it will be mailed by the next business day. Or, request your USPS PIN from *PostalEASE* on the Internet (<https://liteblue.usps.gov>), at an Employee Self-Service Kiosk (available in some facilities), or on the Intranet (from the Blue Page).
 - b. Your Employee ID, which is printed at the top of your earnings statement. Enter all 8 digits, even if the first one is a zero.
 - c. Your daytime **phone number**.
 - d. The name of the **health benefits plan** in which you are enrolling.
 - e. The **enrollment code** of the health benefits plan in which you are **enrolling**. For the name and enrollment code, refer to your *Guide to Benefits*, or to the health plan brochure.
 - f. The names, Social Security Numbers (optional), addresses, and dates of birth for all **eligible family members** that will be covered under your health benefits enrollment. For more information on family member eligibility, see your *Guide to Benefits*.
 - g. The name and policy number of any **other group insurance** you or any of your eligible family members may have (including TRICARE, Medicare, etc.).
 - h. If you are changing plans or canceling coverage, the **enrollment code** of the health benefits plan in which you are **currently enrolled** — that is, the plan that you will not have after your choice takes effect. The enrollment code for your current plan is found on your biweekly earnings statement. It is the three-character code that follows the letters "HP" or "HB." For example, the Blue Cross Self and Family Standard plan will be shown as HP105 or HB105, and you will enter the code 105 in *PostalEASE*. You may also refer to your *Guide to Benefits*.
4. **Complete the worksheet** on the following pages, using the information you prepared above.

Appendix D

Using the *PostalEASE* FEHB Worksheet

Now You Are Ready To Enroll

- If you have access to the *PostalEASE* Employee Web on the Internet (<https://liteblue.usps.gov>), at an Employee Self-Service Kiosk (available in some facilities), or on the Postal Service Intranet (from the Blue page), using these may be simpler than using the telephone. Just follow the instructions.
- Otherwise, call the Employee Service Line to reach *PostalEASE* toll-free at 1-877-4PS-EASE (1-877-477-3273, option 1) or 1-866-260-7507 for TTY.
- When prompted, select Federal Employees Health Benefits.
- Follow the script and prompts to enter your Employee ID, your USPS PIN, and information from your completed *PostalEASE* FEHB Worksheet.

After Completing Your Entries You Should Note the Following Information

- Record the confirmation number you receive from PostalEASE: _____
- Your enrollment will be processed on this date: _____
- Your enrollment will be reflected in your paycheck that is dated: _____

It is recommended that you keep this information and your *PostalEASE* FEHB Worksheet.

Note: If you have any trouble using *PostalEASE*, or if you are unable to use the telephone because you are deaf or hard of hearing, or you cannot use the telephone, Internet, Intranet, or Employee Self Service Kiosk for a medical reason, you may contact the Human Resources Shared Service Center (HRSSC) for assistance. Just call the Employee Service Line at 1-877-477-3273. When prompted, select 5 for the HRSSC. Then select Benefits to speak with a representative who will assist you. To reach the HRSSC using TTY, call 1-866-260-7507. You may also send a FAX to the HRSSC at 1-651-994-3543.

- If you currently have an FEHB enrollment and you do not want to make any changes . . . ***do nothing***.

WARNING: Any intentionally false statement in this application or willful misrepresentation relative thereto is a violation of the law punishable by a fine of not more than \$10,000 or imprisonment of not more than 5 years, or both. (18 U.S.C. 1001)

PostalEASE FEHB Worksheet

This worksheet will help you prepare to call *PostalEASE*, or use *PostalEASE* on the Internet (<https://liteblue.usps.gov>), at an Employee Self-Service Kiosk (available in some facilities), or on the Postal Service Intranet (from the Blue page). You may also prepare this worksheet and contact the Human Resources Shared Service Center (HRSSC) if you cannot enroll or make a change because *PostalEASE* does not accept the required information.

Note: If you have any trouble using *PostalEASE*, or if you are unable to use the telephone because you are deaf or hard of hearing, or you cannot use the telephone, Internet, or Employee Self-Service Kiosk for medical reasons, you may contact the HRSSC for assistance. **If you contact the HRSSC, be sure to complete this worksheet first.**

Privacy Act Statement: Your information will be used to process your enrollment in the Federal Employees Health Benefits system and to manage your claim under that plan. Collection is authorized by 39 U.S.C. 401, 409, 410, 1001, 1003, 1004, 1005, and 1206 and 1206; and 29 U.S. 2601 et seq.

Providing the information is voluntary, but if not provided, we may not process your request. We may disclose your information as follows: in relevant legal proceedings; to law enforcement when the U.S. Postal Service (USPS) or requesting agency becomes aware of a violation of law; to a congressional office at your request; to entities or individuals under contract with USPS; to entities authorized to perform audits; to labor organizations as required by law; to federal, state, local or foreign government agencies regarding personnel matters; to the Equal Employment Opportunity Commission; to the Merit Systems Protection Board or Office of Special Counsel; the Selective Service System, records pertaining to supervisors and postmasters may be disclosed to supervisory and other managerial organizations recognized by USPS; and to financial entities regarding financial transaction issues.

OPM Privacy Act and Paperwork Reduction Act Notice: The Information you provide on this form is needed to document your enrollment in the Federal Employees Health Benefits Program (FEHB) under Chapter 89, title 5, U.S. Code. This information will be shared with the health insurance carrier you select so that it may (1) identify your enrollment in the plan, (2) verify your and/or your family's eligibility for payment of a claim for health benefits services or supplies, and (3) coordinate payment of claims with other carriers with whom you might also make a claim for payment of benefits. This information may be disclosed to other Federal agencies or Congressional offices which may have a need to know it in connection with your application for a job, license, grant, or other benefit may also be shared and is subject to verification, via paper, electronic media, or through the use of computer matching programs, with national, state, local, or other charitable or social security administrative agencies to determine and issue benefits under their programs or to obtain information necessary for determination or continuation of benefits under this program. In addition, to the extent this information indicates a possible violation of civil or criminal law, it may be shared and verified, as noted above, with an appropriate Federal, state, or local law enforcement agency. While the law does not require you to supply all the information requested on this form, doing so will assist in the prompt processing of your enrollment. We request that you provide your Social Security Number so that it may be used as your Individual identifier in the FEHB Program. Executive Order 9397 (November 22, 1943) allows Federal agencies to use the Social Security Number as an individual identifier to distinguish between people with the same or similar names. Failure to furnish the requested information may result in the U.S. Office of Personnel Management's (OPM) inability to ensure the prompt payment of your and/or your family's claims for health benefits services or supplies. Agencies other than the OPM may have further routine uses for disclosure of information from the records system in which they file copies of this form. If this is the case, they should provide you with any such uses which are applicable at the time they ask you to complete this form.

Public Burden Statement: We think this form takes an average of 30 minutes to complete, including the time for reviewing Instructions, getting the needed data, and reviewing the completed form. Send comments regarding our time estimate or any other aspect of this form, including suggestions for reducing completion time, to the Office of Personnel Management, OPM Forms Officer, (3206-0160), Washington, D.C. 20415-7900. The OMS number, 3206-0160 is currently valid. OPM may not collect this information, and you are not required to respond, unless this number is displayed.

USPS Employees Enrolled in Pre-Tax Premium Payment

Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After-Tax Premium Payment

All USPS career employees are automatically enrolled for pre-tax payment of health insurance premiums, unless they waive it; noncareer employees must elect to participate. Pre-tax payment of premium contributions allow employees who are eligible for FEHB the opportunity to pay for their share of FEHB premiums with pre-tax dollars. The pre-tax payment of premiums (known also as premium conversion) is governed by Section 125 of the Internal Revenue Code, and IRS rules govern when a participant may change his or her election outside of the annual Open Season. When an employee experiences a qualifying life event (QLE) as described in the *Table of Permissible Changes in FEHB Enrollment and Pre-tax/After Tax Premium Payment* chart, changes to the employee's FEHB coverage (including change to Self Only and cancellation) and pre-tax payment of premium contributors election may be permitted so long as they are because of and consistent with the QLEs. For more information please visit www.opm.gov/insure/health.

Be aware that time limits apply for requesting changes. A complete listing of QLE's, which includes Table of Permissible Changes in FEHB Enrollment for Individuals who are not participating in Premium Conversion (pre-tax payment) can be found at www.opm.gov/forms/pdf_fill/sf2809.pdf.

If you have questions, contact the Human Resources Shared Service Center on 1-877-477-3273, option 5.

All employees must meet the time limits stated in the far right column. Employees who are paying premiums on a pre-tax basis may only make changes that are in keeping with, or on account of, the changes described in the table. For example, if you have a new baby, you would usually not cancel coverage. This restriction does not apply to Open Season changes, or to the initial opportunity to enroll. Employees who are paying premiums on an after-tax basis may cancel coverage or reduce coverage from Self and Family to Self Only at any time--they do not need to have an event.

¹ Employees may change to Self Only outside of Open Season only if **the QLE caused** the enrollee to be the last eligible family member under the FEHB enrollment. Employees may cancel enrollment outside of Open Season only if **the QLE caused** the enrollee and all the eligible family members to acquire other health insurance coverage.

² Employees who enter active military service are given the opportunity to terminate coverage. Termination for this reason does not count against the employee for purposes of meeting the requirements for continuing coverage after retirement. Additional information on the FEHB coverage of employees who return from active military service is available from the HRSSC.

³ Employees who begin nonpay status or insufficient pay **must** be given an opportunity to elect to continue or terminate coverage. A termination differs from a cancellation as it allows conversion to nongroup coverage and does not count against the employee for purposes of meeting the requirements for continuing coverage after retirement.

Nationwide Fee-for-Service Plans (Pages 40 through 43)

Fee-for-Service (FFS) plans with a Preferred Provider Organization (PPO) – A Fee-for-Service plan provides flexibility in using medical providers of your choice. You may choose medical providers who have contracted with the health plan to offer discounted charges. You may also choose medical providers who do not contract with the plan, but you will pay more of the cost.

Medical providers who have contracts with the health plan (Preferred Provider Organization or PPO) have agreed to accept the health plan's reimbursement. You usually pay a copayment or a coinsurance amount and do not file claims or other paperwork. Going to a PPO hospital does not guarantee PPO benefits for all services received in the hospital, however. Lab work, radiology and other services from independent practitioners within the hospital are frequently not covered by the hospital's PPO agreement. If you receive treatment from medical providers who are not contracted with the health plan, you either pay them directly and submit a claim for reimbursement to the health plan or the health plan pays the provider directly according to plan coverage, and you pay a deductible, coinsurance or the balance of the billed charge. In any case, you pay a greater amount in out-of-pocket costs.

PPO-only – A PPO-only plan provides medical services only through medical providers that have contracts with the plan. With few exceptions, there is no medical coverage if you or your family members receive care from providers not contracted with the plan.

Fee-for-Service plans open only to specific groups – Several Fee-for-Service plans that are sponsored or underwritten by an employee organization strictly limit enrollment to persons who are members of that organization. If you are not certain if you are eligible, check with the Human Resources Shared Service Center (HRSSC), 1-877-477-3273, option 5 first.

Nationwide Fee-for-Service Plans

How to read this chart:

The table below highlights selected features that may help you narrow your choice of health plans. *Always consult plan brochures before making your final decision.* The chart does not show all of your possible out-of-pocket costs.

The **Deductibles** shown are the amount of covered expenses that you pay before your health plan begins to pay.

Calendar Year deductibles for families are two or more times the per person amount shown.

In some plans your combined **Prescription Drug** purchases from Mail Order and local pharmacies count toward the deductible. In other plans, only purchases from local pharmacies count. Some plans require each family member to meet a per person deductible.

The **Hospital Inpatient** deductible is what you pay each time you are admitted to a hospital.

Doctors shows what you pay for inpatient surgical services and for office visits.

Your share of **Hospital Inpatient Room and Board** covered charges is shown.

Prescription Drug Payment Levels Plans use a variety of terms to define what you pay for prescription drugs such as *generic, brand name, Tier I, Tier II, Level I, etc.* The 2 to 3 payment levels that plans use follow: **Level I** includes most generic drugs, but may include some preferred brands. **Level II** may include generics and preferred brands not included in Level I. **Level III** includes all other covered drugs, with some exceptions for specialty drugs. Many plans are basing how much you pay for prescription drugs on what they are charged.

Mail Order Discounts If your plan has a Mail Order program and that program is superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

The prescription drug copayments or coinsurances described in this chart do not represent the complete range of cost-sharing under these plans. Many plans have variations in their prescription drug benefits (e.g., you pay the greater of a dollar amount or a percentage, or you pay one amount for your first prescription and then a different amount for refills). **You must read the plan brochure for a complete description of prescription drug and all other benefits.**

Fee-for-Service Plans – Blue Cross and Blue Shield Service Benefit Plan – Member Survey Results for Select States

Again this year we are providing more detailed information regarding the quality of services provided by our health plans. We are including the results of the Member Satisfaction survey at the *state level* for eight local Blue Cross Blue Shield (BCBS) Plans. Prior to 2003, BCBS conducted a single survey representing all of its members *nationwide*. We now provide local member satisfaction results for both the Standard Option plan and the Basic Option plan.

In the future, we expect to increase the number of plans conducting local or regional Member Satisfaction surveys. We look forward to making those results available to help you select quality health plans.

Below are Member Survey ratings for local BCBS plans by location.

Appendix F FEHB Plan Comparison Charts

Health Maintenance Organization Plans and Plans Offering a Point-of-Service Product (Pages 46 through 69)

Health Maintenance Organization (HMO) – A Health Maintenance Organization provides care through a network of physicians and hospitals in particular geographic or service areas. HMOs coordinate the health care service you receive and free you from completing paperwork or being billed for covered services. Your eligibility to enroll in an HMO is determined by where you live or, for some plans, where you work.

- The HMO provides a comprehensive set of services – as long as you use the doctors and hospitals affiliated with the HMO. HMOs charge a copayment for primary physician and specialist visits and sometimes a copayment for in-hospital care.
- Most HMOs ask you to choose a doctor or medical group as your primary care physician (PCP). Your PCP provides your general medical care. In many HMOs, you must get authorization or a “referral” from your PCP to see other providers. The referral is a recommendation by your physician for you to be evaluated and/or treated by a different physician or medical professional. The referral ensures that you see the right provider for the care appropriate to your condition.
- Medical care from a provider not in the plan’s network is not covered unless it’s emergency care or your plan has an arrangement with another plan.

Plans Offering a Point-of-Service (POS) Product – A Point-of-Service plan is like having two plans in one – an HMO and an FFS plan. A POS allows you and your family members to choose between using, (1) a network of providers in a designated service area (like an HMO), or (2) Out-of-Network providers (like an FFS plan). When you use the POS network of providers, you usually pay a copayment for services and do not have to file claims or other paperwork. If you use non-HMO or non-POS providers, you pay a deductible, coinsurance, or the balance of the billed charge. In any case, your out-of-pocket costs are higher and you file your own claims for reimbursement.

The tables on the following pages highlight what you are expected to pay for selected features under each plan. *Always consult plan brochures before making your final decision.*

Primary care/Specialist office visit copay – Shows what you pay for each office visit to your primary care doctor and specialist. Contact your plan to find out what providers it considers specialists.

Hospital per stay deductible – Shows the amount you pay when you are admitted into a hospital.

Prescription drugs – Plans use a variety of terms to define what you pay for prescription drugs such as generic, brand, Level I, Level II, Tier I, Tier II, etc. In capturing these differences we use the following: **Level I** includes most generic drugs, but may include some preferred brands. **Level II** may include generics and preferred brands not included in Level I. **Level III** includes all other covered drugs with some exceptions for specialty drugs. The level in which a medication is placed and what you pay for prescription drugs is often based on what the plan is charged.

Mail Order Discount – If your plan has a mail order program and that program is superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through mail order), your plan’s response is “yes.” If the plan does not have a mail order program or it is not superior to its pharmacy benefit, the plan’s response is “no.”

Member Survey Results – See Appendix C for a description.

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement (Pages 74 through 105)

A High Deductible Health Plan (HDHP) provides comprehensive coverage for high-cost medical events and a tax-advantaged way to help you build savings for future medical expenses. The HDHP gives you greater flexibility and discretion over how you use your health care benefits.

When you enroll, your health plan establishes for you either a Health Savings Account (HSA) or a Health Reimbursement Arrangement (HRA). The plan automatically deposits the monthly “premium pass through” into your HSA. The plan credits an amount into the HRA. (This is the “Premium Contribution to HSA/HRA” column in the following charts.)

Preventive care is often covered in full, usually with no or only a small deductible or copayment. Preventive care expenses may also be payable up to an annual maximum dollar amount (up to \$300 for instance). As you receive other non-preventive medical care, you must meet the plan deductible before the health plan pays benefits. You can choose to pay your deductible with funds from your HSA or you can choose instead to pay for your deductible out-of-pocket, allowing your savings to continue to grow.

The HDHP features higher annual deductibles (a minimum of \$1,150 for Self and \$2,300 for Family coverage) and annual out-of-pocket limits (not to exceed \$5,800 for Self and \$11,600 for Family coverage) than other insurance plans. Depending on the HDHP you choose, you may have the choice of using in-network and out-of-network providers. There may be higher deductibles and out-of-pocket limits when you use out-of-network providers. Using in-network providers will save you money.

Health Savings Account (HSA)

A Health Savings Account allows individuals to pay for current health expenses and save for future qualified medical expenses on a pre-tax basis. Funds deposited into an HSA are not taxed, the balance in the HSA grows tax free, and that amount is available on a tax free basis to pay medical costs. You are eligible for an HSA if you are enrolled in an HDHP, not covered by any other health plan that is not an HDHP (including a spouse’s health plan, but does not include specific injury insurance and accident, disability, dental care, vision care, or long-term coverage), not enrolled in Medicare, not received VA benefits within the last three months, not covered by your own or your spouse’s Health Care Flexible Spending Account (FSA), and are not claimed as a dependent on someone else’s tax return. If you are enrolled in a High Deductible Health Plan with an HSA you may not participate in a Health Care FSA, but you are permitted to participate in a Limited FSA. HSA’s are subject to a number of rules and limitations established by the Department of the Treasury. Visit www.ustreas.gov/offices/public-affairs/hsa for more information. The 2009 maximum contribution limits are \$3,000 for Self Only coverage and \$5,950 for Self and Family coverage. If you are over 55, you can make an additional “catch up” contribution. You can use funds in your account to help pay your health plan deductible.

FEHB Plan Comparison Charts

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement

Federal employees who are enrolled in HDHPs are eligible to have Health Savings Accounts (HSAs).

Features of an HSA include:

- Tax-deductible deposits you make to the HSA. Your own HSA contributions are either tax-deductible or pre-tax (if made by payroll deduction). See IRS Publication 969.
- Tax-deferred interest earned on the account.
- Tax-free withdrawals for qualified medical expenses.
- Carryover of unused funds and interest from year to year.
- Portability; the account is owned by you and is yours to keep – even when you retire, leave government service, or change plans.

Health Reimbursement Arrangement (HRA)

Health Reimbursement Arrangements are a common feature of Consumer-Driven Health Plans. They may be referred to by the health plan under a different name, such as personal care account. They are also available to enrollees in High Deductible Health Plans who are not eligible for an HSA.

HRAs are similar to HSAs except:

- an enrollee cannot make deposits into an HRA;
- a health plan may impose a ceiling on the value of an HRA;
- interest is not earned on an HRA;
- and the amount in an HRA is not transferable if the enrollee leaves the health plan.

If you are enrolled in a High Deductible Health Plan with an HRA you may participate in a Health Care Flexible Spending Account.

The plan will credit the HRA different amounts depending on whether you have a Self Only or a Self and Family enrollment. You can use funds in your account to help pay your health plan deductible.

Features of an HRA include:

- Tax-free withdrawals for qualified medical expenses.
- Carryover of unused credits from year to year.
- Credits in an HRA do not earn interest.
- Credits in the HRA are forfeited if you leave federal employment or switch health insurance plans

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement

	Health Savings Account (HSA)	Health Reimbursement Arrangement (HRA)
ELIGIBILITY	You must enroll in a High Deductible Health Plan (HDHP). No other general medical insurance coverage is permitted. You cannot be enrolled in Medicare Part A or Part B. You cannot be claimed as a dependent on someone else's tax returns.	You must enroll in a High Deductible Health Plan (HDHP).
FUNDING	The plan deposits a monthly "premium pass through" into your account.	The plan deposits the credit amount directly into your account.
CONTRIBUTIONS	The maximum allowed is a combination of the health plan "premium pass through" and the member contribution up to the maximum contribution amount set by the IRS each year.	Only that portion of the premium specified by the health plan will be contributed. You cannot add your own money to an HRA.
DISTRIBUTIONS	<p>May be used to pay the out-of-pocket medical expenses for yourself, your spouse, or your dependents (even if they are not covered by the HDHP), or to pay the plan's deductible.</p> <p>See IRS Publication 502 for a complete list of eligible expenses, including over-the-counter drugs.</p>	<p>May be used to pay the out-of-pocket expenses for qualified medical expenses for individuals covered under the HDHP, or to pay the plan's deductible.</p> <p>See IRS Publication 502 for a complete list of eligible expenses.</p>
PORTABLE	Yes, you can take this account with you when you change plans, separate from service, or retire.	<p>If you retire and remain in your HDHP you may continue to use and accumulate credits in your HRA.</p> <p>If you terminate employment or change health plans, only eligible expenses incurred while covered under that HDHP will be eligible for reimbursement, subject to timely filing requirements. Unused credits are forfeited.</p>
ANNUAL ROLLOVER	Yes, funds accumulate without a maximum cap.	Yes, credits accumulate without a maximum cap.

IMPORTANT REMINDER: This is only a summary of the features of the HDHP/HSA or HRA. Refer to the specific Plan brochure for the complete details covering Plan design, operation, and administration as each Plan will have differences.

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement

A Consumer-Driven plan provides you with freedom in spending health care dollars the way you want. The typical plan has common features: Member responsibility for certain up-front medical costs, an employer-funded account that you may use to pay these up-front costs, and catastrophic coverage with a high deductible. You and your family receive full coverage for In-Network preventive care.

Appendix F FEHB Plan Comparison Charts

High Deductible and Consumer-Driven Health Plans With a Health Savings Account or Health Reimbursement Arrangement

The tables on the following pages highlight what you are expected to pay for selected features under each plan. The charts are not a complete statement of your out-of-pocket obligations in every individual circumstance. Unlike many regular medical plans, the covered out-of-pocket expenses under a High Deductible Health Plan, including office visit copayments and prescription drug copayments, count toward the calendar year deductible and the catastrophic limit. *You must read the plan's brochure for details.*

Premium Contribution (pass through) to HSA/HRA (or personal care account) shows the amount your health plan automatically deposits or credits into your account on a monthly basis for Self Only/Self and Family enrollments. (Consumer-Driven Health Plans credit accounts annually.) The amount credited under "Premium Contribution" is shown as a monthly amount for comparison purposes only.

Calendar Year (CY) Deductible Self/Family is the maximum amount of covered expenses an individual or family must pay out-of-pocket, including deductibles, coinsurance and copayments, before the plan pays catastrophic benefits.

Catastrophic (Cat.) Limit Self/Family is the maximum amount of covered expenses an individual or family must pay out-of-pocket, including deductibles and coinsurance and copays, before the Plan pays catastrophic benefits.

Office Visit shows what you pay for a visit to a primary care physician after the deductible is met for other than preventive care.

Inpatient Hospital shows what you pay after the deductible is met for hospital services when an inpatient. The amount could be a daily copayment up to a specified amount (e.g., \$50 a day up to three days), a coinsurance

amount such as 20%, or a flat deductible amount (e.g., \$200 per admission). This amount does not include charges from physicians or for services that may not be charged by the hospital such as laboratory or radiology.

Outpatient Surgery shows what you pay the doctor for surgery performed on an outpatient basis.

Preventive Services are often covered in full, usually with no or only a small deductible or copayment. Preventive services may also be payable up to an annual maximum dollar amount (e.g., up to \$300 per person per year).

Prescription Drugs are categorized using a variety of terms to define what you pay such as generic, brand, Level I, Level II, Tier I, Tier II, etc. In capturing these differences we use the following: **Level I** includes most generic drugs, but may include some preferred brands. **Level II** may include generics and preferred brands not included in Level I. **Level III** includes all other covered drugs with some exceptions for specialty drugs. The level in which a medication is placed and what you pay for prescription drugs is often based on what the plan is charged.

High Deductible Health Plans and Consumer Driven Health Plans are much different from the other types of plans shown in this Guide. You can use in-network providers to save money. If you use out-of-network providers, however, you not only pay more of the costs but you are also usually responsible for any difference between the amount billed for a service and what the plan actually allows. (For example, you receive a bill from an out-of-network provider for \$100 but the plan allows \$85 for the service. You pay the higher copayment for out-of-network care plus the \$15 difference between \$100 – the billed amount – and the plan’s allowance of \$85.) In addition, the difference you pay between the billed amount and the plan’s allowance does not count toward satisfying the catastrophic limit.
