Mr. Stutts/pas/2614

1. Reference is made to the 29 July 1986 letter from Modjeski and Masters which responded to our review comments furnished to OLB by our letter of 30 Sept 85. Copies of both of these letter were hand-carried to Mr. Romero of Des Br and Mr. Richardson of F&M Br on 31 July 1986.

2. It is requested that you review, relative to your area of expertise, the responses furnished in the referenced 29 July 1986 letter. If deficiencies are found in the responses, please provide your comments to this office NLT 15 Aug 86. You are aware that we have gone on record that we would make a plan call on the 17th St Canal by Nov 86. Therefore the completeness of the plan presented by Modjeski & Masters should be sufficient so that we can reduce it to a GDM ~~image~~ ^{cost} scope estimate.
