2008-2009 Request for Review of Special Circumstances for Dependent Students

SECTION A: STUDENT INFORMATION

Name:		UNT Assigned ID:
Telephone (include area code):	Email:	Social Security Number:

The method to determine a student's financial need for the 2008-2009 academic year is based upon the applicant's 2007 income and assets. For dependent students, as determined by the Free Application for Federal Student Aid (FAFSA), both student and parent income and assets are used. If there has been a major change in your situation since filing the FAFSA or Renewal Application, or you have special circumstances that were not taken into consideration on the FAFSA, you (the student and parents) should use this form in order to have your financial aid file reviewed.

Please check the boxes that apply to you, attach the indicated information/documentation and complete all required sections, including the personal statement. Return this form with the appropriate documentation to our office. If you have any questions regarding the criteria, please contact our office at (877) 881-1014. **If information or documentation is missing, the form will NOT be processed and will be returned to you.** Please allow 6 weeks for our response to reach you.

Please note that if the review of this special circumstances form does not yield at least a \$300 difference in the Expected Family Contribution (EFC) as determined by your FAFSA, no further processing by our office will be necessary. Please be aware that even if a special circumstance is approved and financial need has been established, grant funding may already be exhausted.

If your special circumstances pertain to conditions related to income, identify situation in SECTION E.
 If your special circumstances pertain to extraordinary expenses, identify situation in SECTION F.

If your situation is related to a loss of income and extraordinary expenses, you may complete both Section E and F, but be advised that our office may be able to revise your financial aid for only one issue. In this case, we will determine which circumstance will be more beneficial in reducing your EFC and revise aid accordingly.
