Professional Organizations

American Counseling Association [ACA] (<http://www.counseling.org>)

American Counseling Association members receive numerous benefits including professional publications, access to the best professional liability insurance in the industry, discounts on workshops, conferences, books and more...world's largest organization representing professional counselors.

American Board of Examiners in Clinical Social Work (<http://www.abecsw.org/>)

The American Board of Examiners in Clinical Social Work sets national practice standards, issues an advanced-practice certification, issues specialty credentials, and publishes reference information about board-certified clinicians. ABE is a unit of the Center for Clinical Social work, whose main purposes are to promote clinical social work as a profession and to advance it in all settings by developing practice standards and credentials, advocating for practitioners and their clients, and enhancing opportunities for research, education, and training.

American Public Health Services Association (<http://www.aphsa.org/>)

The American Public Human Services Association is a nonprofit, bipartisan organization of state and local human service agencies and individuals who work in or are interested in public human service programs.

Their mission is to develop and promote policies and practices that improve the health and well-being of families, children, and adults.

Association for Community Organization and Social Administration (<http://www.acosa.org>)

Association for Community Organization and Social Administration was formed in 1987 to strengthen community organization and social administration. ACOSA is a membership organization for community organizers, activists, nonprofit administrators, community builders, policy practitioners, students and educators. ACOSA provides a forum for sharing information on teaching materials, literature, models/theory, research, and proactive issues.

International Federation of Social Workers (<http://www.ifsw.org/intro.html>)

International Federation of Social Workers is dedicated to service for the welfare and self-fulfilment of human beings; to the development and disciplined use of scientific knowledge regarding human behaviour and society; to the development of resources to meet individual, group, national and international needs and aspirations; to the enhancement and improvement of the quality of life of people; and to the achievement of social justice.

National Hospice and Palliative Care Association (<http://www.nhpco.org/templates/1/homepage.cfm>)

National Hospice and Palliative Care Association's mission is to lead and mobilize social change for improved care at the end of life. A sample of programs that are not covered by membership dues but are funded through grants and contributions include research focused on the advancement of hospice and palliative care.

School of Social Work Association of America (<http://www.sswaa.org>)

The School Social Work Association of America is dedicated to promoting the profession of School Social Work and the professional development of School Social Workers in order to enhance the educational experience of students and their families.

Society for Social Work Leadership in Healthcare (<http://www.sswlhc.org/>)

The Society for Social Work Leadership in Health Care is an association, 1300 members strong, dedicated to promoting the universal availability, accessibility, coordination, and effectiveness of health care that addresses the psychosocial components of health and illness. The SSWLHC supports emerging leaders in all roles, provides leadership knowledge and skills and is a force for advocacy through its collective leadership in all health care arenas.

Texas Counseling Association [TCA] (<http://www.txca.org>)

TCA is the major force today in Texas in the professional growth of counselors and human development professionals. They offer unequalled resources and opportunities to assist you in realizing your full potential in the profession.
