Professional Organizations

American Library Association [ALA] (www.ala.org)

ALA seeks to provide leadership for the development, promotion, and improvement of library and information services and the profession of librarianship in order to enhance learning and ensure access to information for all.

Association for Library and Information Science Educators [ALISE] (<http://www.alise.org/mc/page.do>)

ALISE seeks to provide a forum for library educators to share ideas, to discuss issues, and to seek solutions to common problems.

Texas Library Association [TLA] (www.txla.org/)

TLA is a professional organization that promotes librarianship and library service in Texas. Through legislative advocacy, continuing education events, and networking channels, TLA offers members opportunity for service to the profession as well as personal growth.

Association of College and Research Libraries [ACRL]

(<http://www.ala.org/ala/acrl/index.cfm?section=acrl=/taggedpage/taggedpagedisplay.cfm=15=7768>)

The Association of College & Research Libraries enhances the effectiveness of academic and research librarians to advance learning, teaching, and research in higher education. ACRL is a division of ALA.

American Association of Law Libraries (<http://www.aallnet.org/>)

The American Association of Law Libraries was founded in 1906 to promote and enhance the value of law libraries to the legal and public communities, to foster the profession of law librarianship, and to provide leadership in the field of legal information.

Association of Research Libraries [ARL] (<http://www.arl.org/>)

Shaping and influencing forces affecting the future of research libraries in the process of scholarly communication.
