Release No. 120802
Dec. 16, 2008

Exceedingly generous Lt. Col. Edward P. Feigenbaum, center right, deputy commander of the Galveston District Army Corps of Engineers, receives a certificate from Larry Shaw, Houston United Way, in recognition of the District's contributions to the Combined Federal Campaign this year. In spite of severe damage to dozens of Galveston District employees' homes from Hurricane Ike, the District exceeded its CFC goal and donated more \$31,000, topping any other year's donations. Many contributions were earmarked for the Galveston area. Key workers were Corps employees, from left, Jill Wiggins, Jennifer Hymel, Rose Cabaleo (Project Officer), Paula Wise, and Maria Green. The CFC is the only authorized solicitation of employees in the federal workplace on behalf of charitable organizations. (U.S. Army photo by Marney Mason)
