Corps of Engineers at Waco Lake to open Airport Park Campground

FORT WORTH, Texas – The U.S. Army Corps of Engineers at Waco Lake announces the opening of Airport Park Campground. The camping facilities that are currently available include 18 new recreational vehicle sites with 50 amp electrical outlet service including 12 with sewer hookup, nine tent sites with individual water service, new restroom with individual shower rooms, a group camping area including eight RV sites with 50 amp electric service, sewer hookups, group pavilion and restroom, a new four lane boat ramp with courtesy dock and a new two lane sewer dump station. Future facilities are expected to open in the spring or early summer will include an additional 28 RV sites with 50 amp electric service including nine with sewer hookup and eight Screen Shelter Sites with 110 electricity and water. This new facility is located on Skeet Eason Rd. south of the Waco Regional Airport.

For information call the Waco Lake Office at 254-756-5359.
