Suggestions for Presenters

1. Distribute the *Data Collection Worksheet* to the large group.
2. Divide the participants into small groups, with five to seven members each. Have each group choose someone to report back to the larger group.
3. Ask the groups to fill out the *Data Collection Worksheet*.
4. Wrap up the exercise by asking the reporter from each group to summarize the group's "take-away" ideas for working with the financing strategy.
