Key Performance Measures from Latest PART

	Year	Target	Actual
Long-term Measure: Measure Under Development			

Recommended Follow-up Actions from Latest PART

The Administration reiterates its support of legislation requiring a national set of performance measures to ensure that all CAAs and other agencies administering CSBG are accountable for the services supported by the program. CAAs that fail to meet outcome goals would be subject to competition with faith-based and community groups under the proposed revised authority.

Status

Action taken, but not completed

Update on Follow-up Actions:

The Budget does not provide funding to the Community Services Block Grant (CSBG) due to weak performance measures, lack of competition among grantees and a low PART score and rating of results not demonstrated.
