The petition for a writ of certiorari is granted limited to the following questions:

1. Whether the application for, or receipt of, disability insurance benefits under the Social Security Act, 42 U.S.C. §428, creates a rebuttable presumption that the applicant or recipient is judicially estopped from asserting the she is a “qualified individual with a disability” under the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 et seq.
2. If it does not create such a presumption, what weight, if any, should be given to the application for, or receipt of, disability insurance benefits when a person asserts she is a “qualified individual with a disability” under the ADA?

The motion of petitioner for leave to proceed *in forma pauperis* is granted. The petition for a writ of certiorari is granted limited to the following questions:
