19 (b) **CONSIDERATION.**—In exercising the authority
20 provided by subsection (a) to acquire lands and interests,
21 the Secretary concerned shall offer the owners of record

8 part of that wilderness area.

9 **SEC. 204. ADJACENT MANAGEMENT.**

10 (a) NO PROTECTIVE PERIMETERS OR BUFFER

12 the wilderness areas by section 201 to lead to the creation
13 of protective perimeters or buffer zones around any such
14 wilderness area.

15 (b) NONWILDERNESS ACTIVITIES.—The fact that
16 nonwilderness activities or uses outside of a wilderness
17 area designated by section 201 can be seen or heard from
18 inside of the wilderness area shall not preclude the conduct
19 of those activities or uses outside the boundaries of the
20 wilderness area.

21 **SEC. 205. WILDFIRE MANAGEMENT.**

22 Consistent with section 4 of the Wilderness Act (16
23 U.S.C. 1133), nothing in this title precludes a Federal,

1 mechanized equipment, to manage wildfires in the wilder-

3 **SEC. 206. WATER RIGHTS.**

4 (a) FINDINGS.—Congress finds the following:

5 (1) The lands designated as wilderness areas by
6 section 201 are located at the headwaters of the
7 streams and rivers on those lands, with few, if any,
8 actual or proposed water resource facilities located
9 upstream from such lands and few, if any, opportu-
10 nities for diversion, storage, or other uses of water
11 occurring outside such lands that would adversely
12 affect the wilderness values of such lands.

13 (2) The lands designated as wilderness areas by
14 section 201 are not suitable for use for development
15 of new water resource facilities or for the expansion
16 of existing facilities.

17 (3) Therefore, it is possible to provide for prop-
18 er management and protection of the wilderness
19 value of the lands designated as wilderness areas by
20 section 201 in ways different from the ways utilized
21 in other laws designating wilderness areas.

22 (b) PURPOSE.—The purpose of this section is to pro-
23 tect the wilderness values of the lands designated as wil-
24 derness areas by section 201 by means other than a feder-
25 ally reserved water right.

1 (c) STATUTORY CONSTRUCTION.—Nothing in this
2 title—

3 (1) shall constitute, or be construed to con-
4 stitute, either an express or implied reservation by
5 the United States of any water or water rights with
6 respect to the wilderness areas designated by section
7 201;

8 (2) shall affect any water rights in the State of
9 Idaho existing on the date of the enactment of this
10 Act, including any water rights held by the United
11 States;

12 (3) shall be construed as establishing a prece-
13 dent with regard to any future wilderness designa-
14 tions;

15 (4) shall be construed as limiting, altering,
16 modifying, or amending any of the interstate com-
17 pacts or equitable apportionment decrees that appor-
18 tion water among and between the State of Idaho
19 and other States; and

20 (5) shall be construed as limiting, altering,
21 modifying, or amending provisions of Public Law
22 92–400, which established the Sawtooth National
23 Recreation Area (16 U.S.C. 460aa et seq.).

24 (d) IDAHO WATER LAW.—The Secretary concerned
25 shall follow the procedural and substantive requirements

1 of the law of the State of Idaho when seeking to establish
2 any water rights, not in existence on the date of the enact-
3 ment of this Act, with respect to the wilderness areas des-
4 ignated by section 201.

5 (e) NEW PROJECTS.—

6 (1) PROHIBITION.—Except as otherwise pro-
7 vided in this Act, on and after the date of the enact-
8 ment of this Act, neither the President nor any
9 other officer, employee, or agent of the United
10 States shall fund, assist, authorize, or issue a license
11 or permit for the development of any new water re-
12 source facility inside any of the wilderness areas des-
13 ignated by section 201.

15 (a) FINDINGS AND PURPOSES.—In the case of those
16 Federal lands not designated as wilderness in title II, Con-
17 gress has examined the management alternatives for such
18 lands and finds that the designation of such lands as a
19 special management area will provide outstanding oppor-
20 tunities for many forms of recreation, including mountain
21 biking, snowmobiling, and the use of off-road motorized
22 vehicles. The purpose of this title is to statutorily provide
23 for the continued management of such lands for motorized
24 and other recreational opportunities, livestock grazing,
25 and conservation and resource protection in accordance

1 with the existing management areas, plans, and applicable
2 authorities of the Challis National Forest, the Sawtooth
3 National Forest, the Sawtooth National Recreation Area,
4 and the Challis District of the Bureau of Land Manage-
5 ment. In addition, it is the purpose of this title to provide
6 that motorized use of such lands shall be allowed in ac-
7 cordance with the travel map entitled “Boulder-White
8 Clouds Management Area Travel Plan” and dated July
9 24, 2006.

10 (b) ESTABLISHMENT.—

11 (1) ESTABLISHMENT.—Those Federal lands in
12 the Challis National Forest, the Sawtooth National
13 Forest, the Sawtooth National Recreation Area, and
14 the Challis District of the Bureau of Land Manage-
15 ment that are not designated as wilderness in title
16 II, as generally depicted on the map entitled “Boul-

19 der-White Clouds Management Area and shall be
20 managed as provided by this title.

21 (2) RELATION TO SAWTOOTH NATIONAL RECRE-
22 ATION AREA.—The designation of land already in
23 the Sawtooth National Recreation Area for inclusion
24 in both the management area and the Sawtooth Na-
25 tional Recreation Area is declared to be supple-

1 mental to, not in derogation of, the Sawtooth Na-
2 tional Recreation Area.

3 (3) MANAGEMENT AREA DEFINED.—In this
4 title, the term “management area” means the Boul-

23 and in accordance with the management plans of the
24 Sawtooth National Recreation Area, the Challis Na-
25 tional Forest, the Sawtooth National Forest, and the

2 in existence as of that date.

3 (3) RELATION TO SAWTOOTH NATIONAL RECRE-
4 ATION AREA.— If lands in the management area are
5 also included in the Sawtooth National Recreation
6 Area, the Secretary of Agriculture shall also admin-
7 ister that land in accordance with Public Law 92-
8 400 (16 U.S.C. 460aa et seq.).

9 (4) CONTINUED REFERENCE TO EXISTING AD-
10 MINISTRATIVE UNITS.—Notwithstanding the estab-
11 lishment of the management area, the administrative
12 units in effect as of the date of the enactment of
13 this Act and known as the Sawtooth National Recre-
14 ation Area, the Challis National Forest, the Saw-
15 tooth National Forest, and the Challis District of
16 the Bureau of Land Management, including areas
17 within the administrative units established as the
18 management area, shall continue to be known as the
19 Sawtooth National Recreation Area, the Challis Na-

5 sand, and rock along existing roads in the management
6 area as necessary for road maintenance in accordance with
7 the applicable management plan.

8 (e) **TIMBER HARVESTING.**—Timber harvesting may
9 be allowed on lands in the management area only in ac-

7 travel; and

8 (B) the primitive and non-paved, but
9 wheelchair accessible, trail along Murdock
10 Creek in the Hemingway-Boulders wilderness
11 area required by section 202(e)(2).

16 may acquire, by donation or purchase from willing sellers,
17 lands and interests in lands—

18 (1) located inside the boundaries of the man-
19 agement area; or

20 (2) located adjacent to the management area to
21 provide easements for additional public access to the

10 of which is attributable to unpatented mining
11 claims located inside the boundaries of the
12 management area.

13 (2) ACCESS FOR VALUATION PURPOSES.—The
14 Secretary concerned shall permit any donor of an in-
15 terest described in paragraph (1), or any agent of
16 the donor, to access the unpatented mining claim
17 and conduct sampling and exploration work nec-
18 essary to determine the fair market value of the
19 claim if—

20 (A) the donor notifies the local Federal
21 land manager in writing of the donor's intent to
22 access the unpatented mining claim for such
23 purposes; and

24 (B) the Secretary determines that the pro-
25 posed access, sampling, and exploration work

1 will not cause substantial impairment of the
2 surface resources.

3 (3) VALUATION METHOD IF ACCESS DENIED.—

4 If the Secretary concerned determines that a request
5 for access under paragraph (2) to conduct sampling
6 and exploration work necessary to determine the fair
7 market value of an unpatented mining claim will
8 cause substantial impairment of the surface re-
9 sources or otherwise fails to permit access within 30
10 days after receipt of the written request for access
11 under such paragraph, the fair market value of the
12 claim for purposes of determining the amount of the
13 contribution under paragraph (1) shall be based on
14 an appraisal that relies upon noninvasive methods to
15 determine the value.

16 (c) LIMITATION ON USE OF CONDEMNATION.—No
17 lands or interests in lands may be acquired by condemna-
18 tion for inclusion in the management area or to provide
19 access to the management area, except as provided for by
20 Public Law 92-400 (16 U.S.C. 460aa et seq.) and regula-
21 tions, in effect as of the date of the enactment of this
22 Act, for the use of private land in the Sawtooth National

7 (a) MOTORIZED AND BICYCLE TRAVEL AUTHOR-

12 cle travel shall continue to be allowed on the Spar
13 Canyon, Herd Lake, and Road Creek routes.

14 (2) FOREST SERVICE LAND.—In the case of
15 National Forest System land included in the man-
16 agement area, motorized and bicycle travel shall con-
17 tinue to be allowed in accordance with Forest Serv-
18 ice travel plans and maps in existence as of July 24,
19 2006, which managed recreation use for the specific
20 areas, roads, and trails on that land, as referenced
21 on the travel map entitled “Boulder-White Clouds
22 Management Area Travel Plan” and dated July 24,
23 2006.

24 (b) ESTABLISHMENT OR USE OF OTHER TRAILS AND
25 ROUTES.—Notwithstanding subsection (a), other trails

4 an emergency.

5 (c) ROUTE AND TRAIL CLOSURES.—The following
6 roads or trails shall be closed to motorized and mechanized
7 trail use, except when there is adequate snowcover to per-

13 Creek from Trail 104 to the wilderness boundary.

14 (d) GROUNDS FOR TRAIL SEGMENT CLOSURES.—Re-
15 source damage that can be mitigated and issues of user
16 conflict shall not be used as grounds for the closure of
17 a trail or route in the management area, although the Sec-
18 retary concerned may close any trail or route, or prohibit
19 the use of trail or route for motorized and mechanize trav-
20 el, if the Secretary determines that such closure or prohi-
21 bition is the only reasonable means available for resource
22 protection or public safety.

23 (e) MITIGATION OF TRAIL CLOSURES.—If the Sec-
24 retary determines under subsection (d) that closing an
25 available trail or route in the management area is nec-

1 essary for resource protection or public safety, the Sec-
2 retary shall take any of the following mitigation actions,
3 intended to provide commensurate motorized recreation
4 opportunities in the same general area of the management
5 area:

6 (1) Repair resource damage and secure condi-

12 (3) A combination of the actions specified in
13 paragraphs (1) and (2) and other actions to achieve
14 the overall mitigation objective.

15 (f) RELATION TO OTHER LAWS.—In considering
16 mitigation actions under subsection (e), the Secretary con-
17 cerned shall ensure that such action is consistent with the
18 overall objectives of the management area. If the lands
19 are also included in the Sawtooth National Recreation

21 action in accordance with Public Law 92–400 (16 U.S.C.
22 460aa et seq.), the map referred to in subsection (a)(2),
23 and executive orders and other relevant laws and regula-

25 this Act.

1 (g) BLM TRAVEL PLAN.—Not later than three years
2 after the date of the enactment of this Act, the Secretary
3 of the Interior shall develop and implement a travel plan
4 for public land included in the management area, but not
5 otherwise covered by this section. The travel plan shall be
6 developed in accordance with the laws and regulations gen-
7 erally applicable to the public land included in the man-
8 agement area and in accordance with the existing manage-
9 ment plan for the Challis District of the Bureau of Land
10 Management. Motorized and bicycle travel authorized in
11 the travel plan shall be managed in accordance with the

24 Recreation, which is used to support the acquisition, pur-
25 chase, improvement, repair, maintenance, furnishing, and

1 equipping of off-road motor vehicle facilities and sites, to
2 groom snowmobile trails, and for enforcement activities
3 and the rehabilitation of land damaged by off-road vehicle
4 users. As a condition of the grant, the State must main-
5 tain the grant funds as a separate account of the Off Road
6 Motor Vehicle Program and may not use the funds except
7 as provided by this section.

8 (b) USE OF GRANT FUNDS.—When the Secretary
9 concerned determines that additional funds are required
10 to carry out the activities described in subsection (a) in
11 the management area, the Secretary may apply for funds
12 from the Off Road Motor Vehicle Program. Funds re-
13 ceived under this subsection shall be used only in the man-
14 agement area or in connection with the Boise motorized
15 recreation park authorized by section 107.

16 (c) CONSULTATION AND RECOMMENDATIONS.—Be-
17 fore funds are provided under subsection (b), the Off Road

13 National Forest is host to several extremely rare and
14 sensitive plant species.

15 (2) The area supports some of the most unique
16 and well-developed alpine plant communities in
17 Idaho, and is more botanically diverse than most al-
18 pine communities in North America.

19 (3) The area is currently closed to cross-coun-
20 try motorized travel

21 (b) ENHANCED AWARENESS AND CONSERVATION.—

22 There is authorized to be appropriated to the Secretary
23 of Agriculture \$50,000 for the development of educational
