MEMORANDUM FOR Office of Counsel

SUBJECT: Contract #DACW29-93-C-0081, Lake Pontchartrain, La. & Vic., HPP, HLP, 17th St. Outfall Canal, Flood Protection Improvement Project, Capping of Floodwalls, East Side Improvements, New Orleans, La.

1. Please reference the following:

a. CELMN-OC multiple memorandum dated 15 Feb 96, subject as above, enclosed.

b. Fonecon between Ms. Denise Frederick, CELMN-OC, and Mr. Robert J. Grubb, CELMN-ED-TF, dated 27 Feb 96, concerning contract records of the subject construction work.

2. In addition to the records previously furnished by Engineering Division, we hand carried to you on 5 Mar 96, a copy of Design Memorandum No. 20, 17th Street Outfall Canal, pertaining to the design of the floodwall in question. We believe that the previously furnished records and the DM contain all the pertinent records pertaining to the subject floodwall. However, since there is the possibility that others could interpret otherwise, all of our records are available for inspection by you or the plaintiff.

3. Our POC is Carl Guggenheimer, ext. 2643.

W. EUGENE TICKNER
Chief, Engineering Division
