MEMORANDUM THRU Area Engineer

FOR The File

SUBJECT: Contract No. DACW29-94-C-0079, Lake Pontchartrain and Vicinity, London Avenue Canal Floodwall, Mirabeau Ave. to Leon C. Simon Blvd., Orleans Parish, Louisiana

1. On 21 May 96, a site visit was made to the project to view two mock-up panels that had been painted by the contractor on the subject contract. Those in attendance were Mr. Dennis Duhon, Mr. Chris Wagner and Mr. Frank Mineo of the Orleans Levee District.
2. The two panels were painted with a gray finish. They were both similar in color but one was slightly darker than the other. Mr. Mineo was asked which one was preferable to him and the Orleans Levee District. After looking at both monoliths and the floodwall north of Mirabeau Ave. (Boh Bros. job), Mr. Mineo stated that he preferred the darker gray finish for the wall. The contractor was then informed of the Levee District's preference.
