WHY SOME VEHICLES ARE NOT IN THE GUIDE

Some larger van, pickup truck, and sport utility vehicle models belong to the heavy-duty vehicle category (vehicles above 8,500 pounds GVWR). Fuel economy regulations do not apply to heavy-duty vehicles. These models do not have fuel economy labels in the window and are not included in this Guide.

NOTE: This guide is based on the latest information available at press time. As more data are received, it will be posted on the website (www.fueleconomy.gov).
