

45.505-12

(3) When installation costs are included in the price of equipment delivered to the using location, the property records should be so annotated.

45.505-12 Records of misdirected shipments.

The contractor's property control system shall provide the following information regarding each misdirected shipment of Government property received:

- (a) Identity of shipment, such as shipping document or bill of lading.
- (b) Origin of shipment.
- (c) Content (items in the shipment) per shipping documents, if available.
- (d) Location.
- (e) Disposition.

45.505-13 Records of property returned for rework.

(a) The contractor shall maintain quantitative records of property returned for processing to assure control from time of receipt through return of the items to the Government. The contractor shall establish item records under its property control system and shall include the information required in 45.505-1.

(b) The records shall specify the quantity of units returned to the Government and the quantity otherwise disposed of with proper authority.

45.505-14 Reports of Government property.

(a) The contractor's property control system shall provide annually the total acquisition cost of Government property for which the contractor is accountable under each contract with each agency, including Government property at subcontractor plants and alternate locations. The following classifications (property classifications may be varied to meet individual agency needs) shall be reported:

- (1) Land and rights therein.
- (2) Other real property, including utility distribution systems, buildings, structures, and improvements thereto.
- (3) Plant equipment.
- (4) Special tooling.
- (5) Special test equipment.
- (6) Material.
- (7) Agency peculiar property.

48 CFR Ch. 1 (10-1-02 Edition)

(b) The contractor shall report the information under paragraph (a) as directed by the contracting officer.

[48 FR 42392, Sept. 19, 1983, as amended at 59 FR 11385, Mar. 10, 1994]

45.506 Identification.

(a) Upon receipt of Government property, the contractor shall promptly—

- (1) Identify the property in accordance with agency regulations;
- (2) Mark the property in accordance with this section; and
- (3) Record the property in its property control records.

(b)(1) Except for the following, all Government property shall be marked with an indication of Government ownership:

- (i) Items issued to individuals for use in their work (e.g., protective clothing or tool crib tools) where adequate physical control is maintained over the items.
- (ii) Property of a bulk type, or where its general nature of packing or handling precludes adequate marking.
- (iii) Material that is commingled, as authorized by 45.507.
- (iv) Where the property administrator agrees that marking is impractical.

(2) Exempted items shall be entered and described on the accountable property records.

(c)(1) In addition to marking with an indication of Government ownership, the following property shall be marked with a serial number in accordance with procedures approved by the property administrator:

- (i) Special tooling.
- (ii) Special test equipment.
- (iii) Components of special test equipment that have an acquisition cost of \$5,000 or more and are incorporated in a manner that makes removal and reutilization feasible and economical.
- (iv) Plant equipment.
- (v) Accessory or auxiliary equipment associated with a specific item of plant equipment that is recorded on the property records, if necessary to assure return with the associated basic item.

(2) The contractor shall record assigned numbers on all applicable documents pertaining to the property control system.
