

§ 2634.503 Determinations.

(a) Where the Senior Attorney concludes that violations or apparent violations of the trust restrictions exist and may warrant revocation of trust certification or trustee approval previously granted under §2634.405 or §2634.406 of this subpart, the Senior Attorney may, pursuant to the procedure specified in paragraph (b) of this section, conduct a review of the matter, and may submit findings and a recommendation concerning final action to the Director of the Office of Government Ethics.

(b) Review procedure. (1) In his review of the matter, the Senior Attorney shall perform such examination and analysis of violations or apparent violations as he deems reasonable.

(2) The Senior Attorney shall provide an independent trustee and, if appropriate, the interested parties, with:

(i) Notice that revocation of trust certification or trustee approval is under consideration pursuant to the procedures in this subpart;

(ii) A summary of the violation or apparent violations which shall state the preliminary facts and circumstances of the transactions or occurrences involved with sufficient particularity to permit the recipients to determine the nature of the allegations; and

(iii) Notice that the recipients may present evidence and submit statements on any matter in issue within ten business days of the recipient's actual receipt of the notice and summary.

(c) Determination. (1) In making determinations with respect to the violations or apparent violations under this section, the Director of the Office of Government Ethics shall consider the findings and recommendations of final action submitted by the Senior Attorney under paragraph (a) of this section, as well as the written record of review compiled under paragraph (b) of this section.

(2) If the Director finds a violation or violations of the trust restrictions he may, as he deems appropriate:

(i) Issue an order revoking trust certification or trust approval;

(ii) Resolve the matter through any other remedial action within the Director's authority;

(iii) Order further examination and analysis of the violation or apparent violation; or

(iv) Decline to take further action.

(3) If an order of revocation is issued, the parties to the trust instrument shall be expeditiously notified in writing. The notice shall state the basis for the revocation, and shall inform the parties either that the trust is no longer a qualified blind or qualified diversified trust for any purpose under Federal law; or that the independent trustee may no longer serve the trust in any capacity, and must be replaced by a successor, who is subject to the prior written approval of the Director; or both where appropriate.

§ 2634.601 Report forms.

(a) The Office of Government Ethics provides, through the Federal Supply Service of the General Services Administration (GSA), a standard form, the SF 278 (Public Financial Disclosure Report), for reporting the information described in subpart B of this part on executive branch public disclosure. The Office of Government Ethics also provides two uniform formats relating to confidential financial disclosure: OGE Form 450 (Confidential Financial Disclosure Report) for reporting the information described in subpart I of this part on executive branch confidential disclosure; and OGE Optional Form 450-A (Confidential Certificate of No New Interests) for voluntary use by certain employees in lieu of filing an annual OGE Form 450, if authorized by their agency, in accordance with §2634.905(d) of subpart I of this part. Supplies of the two confidential forms are to be reproduced locally by each agency, from a camera-ready copy or an electronic format made available by the Office of Government Ethics. (Until August 31, 1997, the old SF 450 remains usable, rather than the new OGE Form 450, and is available from GSA's Federal Supply Service.)

(b) Subject to the prior written approval of the Director of the Office of

Office of Government Ethics

§ 2634.602

Government Ethics, an agency may require employees to file additional confidential financial disclosure forms which supplement either or both of the standard forms referred to in paragraph (a) of this section, if necessary because of special or unique agency circumstances. The Director may approve such agency forms when, in his opinion, the supplementation is shown to be necessary for a comprehensive and effective agency ethics program to identify and resolve conflicts of interest. See §§ 2634.103 and 2634.901.

(c) The information collection and recordkeeping requirements have been approved by the Office of Management and Budget under control number 3209-0001 for the SF 278, and control number 3209-0006 for OGE Form 450/SF 450. OGE Optional Form 450-A has been determined not to require an OMB paperwork control number, as its use is strictly optional for employees, it is used exclusively by current Government employees, and it does not require affirmative disclosure of substantive information.
