(6) Concentrated citrus fruit juice provided for in items 165.25 and 165.35 of the TSUS.

(b) *Beneficiary country* means any country listed in section 212(b) of the Act with respect to which there is in effect a proclamation by the President designating such country as a beneficiary country for purposes of the Act.

§ 1540.3 Who may file request.

A request under this subpart may be filed by an entity, including a firm, or group or workers, trade association, or certified or recognized union which is representative of a domestic industry producing a perishable product like or directly competitive with a perishable product that such entity claims is being imported into the United States duty-free under the provisions of the Act from a beneficiary country(ies) in such increased quantities as to be a substantial cause of serious injury, or the threat thereof, to such domestic industry.

§ 1540.4 Contents of request.

A request for emergency action under section 213(f) of the Act shall be submitted in duplicate to the Administrator, Foreign Agricultural Service, United States Department of Agriculture, Washington, DC 20250. Such requests shall be supported by appropriate information and data and shall include to the extent possible:

- (a) A description of the imported perishable product(s) allegedly causing, or threatening to cause, serious injury;
- (b) The beneficiary country(ies) of origin of the allegedly injurious imports;
- (c) Data showing that the perishable product allegedly causing, or threatening to cause, serious injury is being imported from the designated beneficiary country(ies) in increased quantities as compared with imports of the same product from the designated beneficiary country(ies) during a previous representative period of time (including a statement of why the period used should be considered to be representative);
- (d) Evidence of serious injury or threat thereof to the domestic industry substantially caused by the increased quantities of imports of the product from the beneficiary country(ies); and
