

§ 240.2

7 CFR Ch. II (1-1-01 Edition)

(f) Sections 17(h)(1) (B) and (C) of the Act provide that the value of commodities, or cash in lieu thereof, donated to States for use in nonresidential child or adult care institutions participating in the Child and Adult Care Food Program (7 CFR part 226) for any school year shall be, at a minimum, the amount obtained by multiplying the number of lunches and suppers served during the preceding school year by the rate established for lunches for that school year under section 6(e) of the Act. At the end of each school year, FNS shall reconcile the number of lunches and suppers served in participating institutions in each State during such school year with the number of lunches and suppers served in the preceding school year and, based on such reconciliation, shall increase or reduce subsequent commodity assistance or cash in lieu of commodities provided to each State.

(g) Section 16 of the Act provides that a State which has phased out its food distribution facilities prior to June 30, 1974, may elect to receive cash payments in lieu of donated foods for the purposes of the applicable child nutrition programs—i.e., the National School Lunch Program, the Summer Food Service Program for Children (7 CFR part 225) and the Child Care Food Program.

(h) These regulations prescribe the methods for determination of the amount of payments, the manner of disbursement and the requirements for accountability for funds when these respective statutory authorities require the Department to make cash payments in lieu of donating agricultural commodities and other foods.
