

21.14. TRANSLATIONS. [New]

CONSER standard and minimal record practice: It is not required to create or add a uniform title either as a main entry heading or in conjunction with a personal or corporate main entry heading for translations or other language editions. Enter a translation under the heading appropriate to the information appearing on that resource. Make an added entry under the heading for the original work and include the name of the language of the resource being cataloged in subfield \$I (cf. AACR2 25.5C).
