

Appendix B-2 Residual Beryllium Contamination - Site Summary (As of July 28, 2006)

Facility	City	State	Period Previously Listed on DOE ES&H Website	Period Currently Listed on DOE ES&H Website	Previous Evaluation Findings	Previous Period of Potential Residual Contamination	Revised Evaluation Findings	Revised Period of Potential Residual Contamination
A.O. Smith	Milwaukee	WI	1948-1950	Same	Potential Exists	Additional information required	N/A	1951-present
AC Spark Plug	Flint	MI	1946 - 1947	Same	Potential Exists	Indistinguishable	N/A	1948-present
Accurate Machine & Tool	Albuquerque	NM	1987-2002	Same	Insufficient Information	N/A	Potential Exists	2003 - present
Aeroprojects, Inc.	West Chester	PA	1951-1973	Same	Potential Exists	Additional information is required.	N/A	1974-2001
American Beryllium Co.	Sarasota	FL	1968;1980s	1967-1992	Insufficient Information	N/A	Potential Exists	1993-present
Atomics International-Los Angeles	Los Angeles	CA	1954-1966	1955-1966	Potential Exists	1954 - 1999	N/A	1967-present
Battelle Laboratories-King Avenue	Columbus	OH	1947-1961	1943-1961	Little Potential	As Listed	Potential Exists	1962-1985
Beryllium Corp. of America-Hazelton	Hazelton	PA	1957-1979	Same	Potential Exists	Additional information is required	N/A	1980-1995
Beryllium Corp. of America-Reading	Reading	PA	1943-1979	Same	Potential Exists	Indistinguishable	N/A	1980-present
Beryllium Metals and Chemical Corp.	Bessemer City	NC	1963 - 1969	1962-1969	Insufficient Information	N/A	Potential Exists	1970-1980
Beryllium Production Plant-Brush Luckey Plant	Luckey	OH	BE 1949-1959; DOE 1949-1961; 1992-	Same	Little Potential	As Listed	Potential Exists	1962-1991
Brush Beryllium Co.-Cleveland	Cleveland	OH	1943-1967	Same	Potential Exists	Indistinguishable	N/A	1968-present
Brush Beryllium Co.-Elmore	Elmore	OH	1957-2001	Same	Potential Exists	Indistinguishable	N/A	2002-present
Brush Beryllium Co.-Lorain	Lorain	OH	1943-1948	Same	Little Potential	As Listed	N/A	N/A
Burns & Roe, Inc.	Maspeth	NY	1949	1949-1950	Potential Exists	1948 - 1949	Little Potential	N/A
BWX Technologies	Lynchburg	VA	1995-2001	Same	Potential Exists	Additional information is required.	N/A	2002-present
C.L. Hann Industries	San Jose	CA	1985-1994; 2000	Same	Potential Exists	Additional information is required.	N/A	1995-2000
Ceradyne, Inc.	Santa Ana	CA	1977-1988	Same	Potential Exists	Additional information is required.	Potential Exists	1989-present
Ceradyne, Inc.	Costa Mesa	CA	1990-1996	1987; 1990-1996	Potential Exists	Additional information is required.	N/A	1988-1989; 1997-present

Appendix B-2 Residual Beryllium Contamination - Site Summary (As of July 28, 2006)

Facility	City	State	Period Previously Listed on DOE ES&H Website	Period Currently Listed on DOE ES&H Website	Previous Evaluation Findings	Previous Period of Potential Residual Contamination	Revised Evaluation Findings	Revised Period of Potential Residual Contamination
City Tool & Die Manufacturing	Santa Clara	CA	1985-2001	Same	Potential Exists	Additional information is required.	N/A	2002-present
Clifton Products Co.	Painesville	OH	1940-1952	1942-1952	Potential Exists	Additional information is required.	N/A	1953-present
Connecticut Aircraft Nuclear Engine Laboratory - CANEL	Middletown	CT	1958-1965	Same	Insufficient Information	N/A	Little Potential	N/A
Coors Porcelain	Golden	CO	1947 - 1975	Same	Potential Exists	Additional information is required.	N/A	1976-1984
Eagle-Picher Industries Inc.	Quapaw	OK	1988-1996	Same	Potential Exists	Additional information is required.	Potential Exists	1997-present
EDM Exotics	Hayward	CA	1990-1997	Same	Potential Exists	Additional information is required.	N/A	1998-present
Electrofusion Corporation	Fremont	CA	1986-2002	Same	Insufficient Information	N/A	Potential Exists	2003-present
Ethyl Corporation	Baton Rouge	LA	1967-1971	Same	Potential Exists	Additional information is required.	N/A	1972-1989
Fairchild Hiller Corporation	Farmingdale, Long Island	NY	1969-1970	Same	Potential Exists	Additional information is required.	N/A	1971-1986
Fansteel Metallurgical Corp.	North Chicago	IL	1944; 1950	Same	Potential Exists	Additional information is required.	N/A	1945-1949; 1951-present
Foote Mineral Co.	East Whiteland	PA	1947-uncertain	1947	Insufficient Information	N/A	Potential Exists	1948-1991
Franklin Institute	Boston	MA	1962	Same	Insufficient Information	N/A	Little Potential	N/A
General Astrometals	Yonkers	NY	1963 - 1965	1963-1965; 1970	Potential Exists	Additional information is required.	N/A	1966-1969; 1971-present
General Atomics	La Jolla	CA	1959-1967; DOE 1996-1999	Same	Potential Exists	1959 - 1999	N/A	1968 -1995
General Electric Company (Ohio)	Cincinnati/Evendale	OH	1951 - 1970	1951-1970	Insufficient Information	N/A	Potential Exists	1971-1983
Gerity-Michigan Corp	Adrian	MI	1949 - 1950s	Same	Potential Exists	Additional information is required.	N/A	1950s-present
Hafer Tool	Oakland	CA	1965-1985	Same	Potential Exists	Additional information is required.	N/A	1986-present
Hexcel Products, Inc	Berkeley	CA	1964-1965	Same	Potential Exists	Additional information is required.	N/A	1966-present
Jerry Carroll Machining, Inc.	San Carlos	CA	1985-1991	Same	Potential Exists	Additional information is required.	N/A	1992-present

Appendix B-2 Residual Beryllium Contamination - Site Summary (As of July 28, 2006)

Facility	City	State	Period Previously Listed on DOE ES&H Website	Period Currently Listed on DOE ES&H Website	Previous Evaluation Findings	Previous Period of Potential Residual Contamination	Revised Evaluation Findings	Revised Period of Potential Residual Contamination
Kettering Laboratory, University of Cincinnati	Cincinnati	OH	1947 - 1950	Same	Potential Exists	Additional information is required.	Little Potential	N/A
Ladish Co.	Cudahy	WI	1959 - 1965	Same	Potential Exists	Additional information is required.	N/A	1966-present
Lebow	Goleta	CA	1977-2002	Same	Insufficient Information	N/A	Potential Exists	2003-present.
Machlett Laboratories	Springdale	CT	1952	Same	Potential Exists	Additional information is required.	N/A	1953-1990
Manufacturing Sciences Corporation	Oak Ridge	TN	1992-1994	Same	Potential Exists	Additional information is required.	Potential Exists	1995-present
Massachusetts Institute of Technology	Cambridge	MA	1942-1963	Same	Potential Exists	Additional information is required.	N/A	1947-present
McDanel Refractory Co.	Beaver Falls	PA	1940s	1942-1949	Potential Exists	Additional information is required.	N/A	1950-present
Metallurgical Laboratory	Chicago	IL	1942-1946	Same	Potential Exists	1942 - 1987	N/A	1947-1981;1984-1986
National Beryllia	Haskell	NJ	1968-1973; 1983-1986	Same	Potential Exists	Indistinguishable	N/A	1974-1982; 1987-present
Northwest Machining and Manufacturing	Meridian	ID	1996-2000	Same	Potential Exists	Additional information is required.	N/A	2001-present
Norton Co.	Worcester	MA	1943-1961	1944-1956	Potential Exists	Additional information is required.	N/A	1957-present
Nuclear Materials and Equipment Corp. (NUMEC) (Apollo)	Apollo	PA	1960-1968	Same	Potential Exists	Additional information is required.	N/A	1969-1995
Nuclear Material and Equipment Corp. (NUMEC) (Parks Township)	Parks Township	PA	N/A	1960-1968	N/A	N/A	Potential Exists	1969-2004
Nuclear Metals, Inc.	West Concord	MA	1954-1986	Same	Potential Exists	Additional information is required.	N/A	1987-present
Philco-Ford Corporation	Newport Beach	CA	1967-1972	Same	Potential Exists	Additional information is required.	N/A	1973-1995
Pleasanton Tool and Manufacturing	Pleasanton	CA	1989-2002	Same	Insufficient Information	N/A	Potential Exists	2003-present
Poltech Precision	Fremont	CA	1999	Same	Potential Exists	Additional information is required.	N/A	2000-present
Radium Chemical Co.	New York	NY	1943-1950	Same	Potential Exists	Additional information is required.	N/A	1951-1994
Rensselaer Polytechnic Institute	Troy	NY	1951-1952; 1963	Same	Potential Exists	Additional information is required.	N/A	1953-1962; 1964-present

Appendix B-2 Residual Beryllium Contamination - Site Summary (As of July 28, 2006)

Facility	City	State	Period Previously Listed on DOE ES&H Website	Period Currently Listed on DOE ES&H Website	Previous Evaluation Findings	Previous Period of Potential Residual Contamination	Revised Evaluation Findings	Revised Period of Potential Residual Contamination
Revere Copper and Brass	Detroit	MI	1946-1950	Same	Potential Exists	Additional information is required.	N/A	1951-1989
Robin Materials	Mountainview	CA	1985-1997	Same	Potential Exists	Additional information is required.	N/A	1998-present
Ron Witherspoon, Inc.	Campbell	CA	1990-1995	Same	Potential Exists	Additional information is required.	Little Potential	N/A
Speedring Systems, Inc.	Detroit	MI	1963; 1968	1963; 1968; 1973-1975; 1992	Potential Exists	Additional information is required.	N/A	1964-1967; 1969-1972; 1976-1991; 1993-present
Speedring Systems, Inc.	Culman	AL	1971-1998	1971-2005	Potential Exists	Indistinguishable	N/A	2005-present
Stevens Institute of Technology	Hoboken	NJ	1959-1960	Same	Potential Exists	Additional information is required.	N/A	1961-present
Sylvania Corning Nuclear Corp. - Bayside Laboratories	Bayside	NY	1947-1962	Same	Potential Exists	Additional information is required.	N/A	1963-1980
Tapemation	Scotts Valley	CA	1990-1995	Same	Potential Exists	Additional information is required.	N/A	1996-present
Trudeau Foundation	Saranac Lake	NY	1950-1957	Same	Potential Exists	Additional information is required.	Little Potential	N/A
U.S. Pipe and Foundry	Burlington	NJ	1943	Same	Potential Exists	Additional information is required.	N/A	1944
United Lead Co.	Middlesex	NJ	1950-1967	Same	Potential Exists	Additional information is required.	N/A	1968-present
University of Denver Research Institute	Denver	CO	1963-1965	Same	Insufficient Information	N/A	Little Potential	N/A
University of North Carolina	Chapel Hill	NC	1949 - 1954	Same	Potential Exists	Additional information is required.	Little Potential	N/A
Vitro Corporation of America (Tennessee)	Chattanooga	TN	1957-uncertain	1959-1965	Insufficient Information	N/A	Potential Exists	1966-present
Vitro Manufacturing Company (Canonsburg)	Canonsburg	PA	N/A	1948	N/A	N/A	Little Potential	N/A
Wolverine Tube Division	Detroit	MI	1943-1946	Same	Potential Exists	Additional information is required.	N/A	1947-1989
Wymann-Gordon Inc.	Grafton, North Grafton	MA	1959 - 1965	Same	Potential Exists	Indistinguishable	Potential Exists	1966-present
