

The below presents all of the various pages that comprise the TEAS Plus version of the initial application form. The actual form requires a “page-by-page” approach; *i.e.*, you must complete and successfully validate each section of the form before moving on to the next section. However, the below will provide a sense of what information is needed for all sections before actually beginning the filing process. The display is then followed by similar information for the “regular” version of the form. For more information about the differences between TEAS Plus and “regular” TEAS, please review the information provided on the [form selector page](http://www.uspto.gov/teas/teasplus.htm). ### Trademark/Service Mark Application, Principal Register TEAS Plus Application (Version 4.2)

#### Mark Information

Before the USPTO can register your mark, we must know exactly what the mark is. You may present your [mark](#) either as: (1) [standard characters](#); or (2) [special form \(stylized and/or design\)](#). In this section of the form, you must present the [mark by itself](#). If you are already using the mark in commerce, do **not** show here how the mark appears on a specimen (sample of actual use, e.g., a label or advertisement. This will be required in a different part of the form, if appropriate.) Also, you may submit only **one** mark per application. An application that includes multiple marks may be denied a filing date or refused registration.

When you click on one of the two circles presented below, and follow the specific instructions, the system will automatically create a separate page that displays your mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately identifies your mark. You may not be able to [change or correct your mark](#) after filing this application. While minor changes in the mark are *sometimes* permitted, any [material alteration](#) will not be permitted and will result in the examining attorney issuing a refusal on that ground.

**WARNING: AFTER SEARCHING THE USPTO DATABASE, EVEN IF YOU THINK THE RESULTS ARE "O.K.," DO NOT ASSUME THAT YOUR MARK CAN BE REGISTERED. AFTER YOU FILE AN APPLICATION, THE USPTO WILL PERFORM ITS OWN SEARCH AND OTHER REVIEW, AND MIGHT REFUSE TO REGISTER YOUR MARK.**

\* **Click the appropriate circle to indicate the Mark type:**  [Standard Characters](#)  [Special Form \(Stylized and/or Design\)](#)

Enter the mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof. Do not include the "", \*, @, or © symbols after the mark entry, because they are not part of the actual mark. If using Internet Explorer, the entry cannot exceed 2036 characters; otherwise, you must switch to another browser.)

NOTE: For how the USPTO determines what the display of the entered mark will be, click [here](#).

NOTE: For information about mark display in USPTO databases, click [here](#).

Check here if you need to enter an [additional statement](#), e.g., a disclaimer, translation, or claim of ownership. The full range of possible statements will then be displayed. If, upon review of all of the statements, you realize that no statement is needed, you must click on the box to "uncheck" it, and the entire Additional Statement section will be removed.  
**NOTE: You MUST enter certain additional statements (those designated within the section with an asterisk (\*)) at the time you file this application, if applicable under the specific application facts, to qualify as a TEAS Plus filing. Failure to do so will result in the examining attorney requiring the payment of an additional \$50 fee per class, because the application will lose its TEAS Plus status; therefore, you are encouraged to review the additional statement section in its entirety before proceeding to the next section.**

Click the appropriate circle to indicate the Mark type:  Standard Characters  Special Form (Stylized and/or Design)

Click on the "Browse/Choose File" button to select a properly sized JPG image file (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you must submit a color image, otherwise, the image must be clear black-and-white. After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

NOTE: The image files for, respectively, the mark and the specimen (if filing under Section 1(a), use in commerce, and showing actual use in commerce of the mark at the time of this filing) should NOT be the same files (or, even if different files, should not display essentially the exact same thing). The mark image file should ONLY show the mark by itself, and not a representation of how the mark is used on the overall packaging for the goods or within an advertisement for services, for example. On the other hand, an image file that shows the complete package for the goods or a full advertisement for the services, with the mark clearly displayed thereon or within, would be an appropriate attachment for a specimen in the later "basis" section of the form (which only appears where a Section 1(a) filing basis is being claimed).

NOTE: The attached image should ONLY show the mark by itself, and should NOT be a representation of how the mark is or may be used, e.g., on the overall packaging for the goods or within an advertisement for services. Except in rare circumstances, the attached image should not be the same as the specimen image file (when filing under basis Section 1(a), use in commerce).

For any image that also includes a word(s), letter(s), and/or number(s), enter the LITERAL ELEMENT only of the mark here:

NOTE: Do NOT enter any word(s), letter(s), or number(s) that do not appear in the attached image; the image file must reflect the overall mark, consisting of the design and the word(s), letter(s), or number(s).

\* If claiming color as a feature of the mark list the colors below, including black and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, NOT an upper-case, letter. (Required for color marks only.)

The color(s)  is/are claimed as a feature of the mark.

Check this box if you are NOT claiming color as a feature of the mark. NOTE: Check only if you believe your image is black-and-white, yet you received after clicking the "CONTINUE" button a WARNING about color within the mark (perhaps because the image consists of too much grayscale), otherwise, do not check this box, because the attached image was automatically accepted as black-and-white.

\* Enter description of mark below, and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark. The mark consists of:

NOTE: A description of the mark is required for ALL marks that are in a special form (i.e., for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "The letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "A bird with a red body, blue wings, and yellow beak."  
NOTE: Do NOT include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, NOT an upper-case, letter.

Check here if you need to enter an additional statement, e.g., a disclaimer, translation, or claim of ownership. The full range of possible statements will then be displayed. If, upon review of all of the statements, you realize that no statement is needed, you must click on the box to "uncheck" it, and the entire Additional Statement section will be removed.

NOTE: You MUST enter certain additional statements (those designated within the section with an asterisk (\*)) at the time you file this application, if applicable under the specific application facts, to qualify as a TEAS Plus filing. Failure to do so will result in the examining attorney requiring the payment of an additional \$50 fee per class, because the application will lose its TEAS Plus status; therefore, you are encouraged to review the additional statement section in its entirety before proceeding to the next section.

**Additional Statement**

This section is for the entry of various statements that may pertain to the mark. For any field herein designated with an asterisk (\*), you must make an entry to maintain TEAS Plus status, if applicable within the facts of the application. You are not required to enter any of the other statements at the time of filing, however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure about whether you should make such a statement, the examining attorney assigned to your application will make a requirement, if appropriate.

To select a statement, enter any required information specific to your mark (or, if no information must be entered, check the box in front of the existing statement to select it). If you make an entry, but then determine it was not correct and no additional statements should appear, you must click on the original box that produced the Additional Statement section, to "uncheck" it so that the entire section will be removed. Otherwise, if one additional statement exists, but a second entry was made in error, simply remove the entry from the statement that you do not wish to use.

**Instructions:**

**Step 1:** Click on the "Add Goods/Services by Searching IDManual" button below to select goods and/or services from the *Manual of Trademark Acceptable Identifications of Goods & Services* (IDManual).

**Step 2:** After creating the complete list of goods and/or services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

**NOTE:**

- The desired term(s) must appear in the IDManual for you to use the TEAS Plus form. If the term(s) does not appear, you can request that an identification be added, by e-mailing [TMIDSUGGEST@uspto.gov](mailto:TMIDSUGGEST@uspto.gov); however, this would not enable you to file immediately. For more information on this process, click [here](#).
- The TEAS Plus version of the IDManual intentionally does not include the following: (1) items classified in Classes A, B, or 200, because those marks are not eligible for filing under TEAS Plus; (2) any listings that appear in the "regular" manual under "000," because correct classification is required under TEAS Plus, and classification for these listings varies according to the additional information provided within the listing; and (3) the Class 25 listing of "Clothing, namely, ...", because this entry is too open-ended, and could result in items being listed that do not truly fall within this class. Since specific clothing items must be listed anyway, the TEAS Plus version of the form requires the *initial* selection of those specific items.
- If you cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, please contact [TEAS@uspto.gov](mailto:TEAS@uspto.gov).

**Instructions:**

**Step 1: Enter a word or phrase to search for Goods and/or Services.**

- Search requests can be for a single item (e.g., pants), or multiple items (e.g., pants shirts shoes). While also possible to search for goods and/or services in different classes at the same time (e.g., pants baseballs), separate searches are recommended. The form will compile an "overall goods/services list," regardless of the search approach.  
NOTE: Most manual entries are displayed in the plural. e.g., the entry is "soups," rather than "soup." While entering the search term "soup" will retrieve "soups," it would first be preceded by other listings, e.g., "soup tureens" and "soup mixes."
- To search for an entry where the single entry consists of multiple words, enclose the complete entry within quotation marks; e.g., enter "computer programs" rather than computer programs.
- To browse the complete listing of items in one or more classes, enter the following search criteria: class:NNN or class:(NNN NNN etc.), where NNN is the 3-digit international class number, e.g., to search for all items in International Class 3, enter class:003, for all items in International Classes 25 and 42, enter class:(025 042).
- For a listing of all international class headings, including a summary of the types of items within each class, click [here](#).
- For more information about using advanced query syntax (e.g., using truncation), click [here](#).

### Trademark/Service Mark Application, Principal Register

#### Version 4.2

#### Mark Information

Before the USPTO can register your mark, we must know exactly what the mark is. You may present your **mark** either as: (1) **standard characters**; or (2) **special form (stylized and/or design)**. In this section of the form, you must present the mark **by itself**. If you are already using the mark in commerce, do **not** show here how the mark appears on a specimen (sample of actual use, e.g., a label or advertisement. This will be required in a different part of the form, if appropriate.) Also, you may submit only **one** mark per application. An application that includes multiple marks may be denied a filing date or refused registration.

When you click on one of the two circles presented below, and follow the specific instructions, the system will automatically create a separate page that displays your mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately identifies your mark. You may not be able to **change or correct your mark** after filing this application. While minor changes in the mark are *sometimes* permitted, any **material alteration** will not be permitted and will result in the examining attorney issuing a refusal on that ground.

**WARNING: AFTER SEARCHING THE USPTO DATABASE, EVEN IF YOU THINK THE RESULTS ARE "O.K.," DO NOT ASSUME THAT YOUR MARK CAN BE REGISTERED. AFTER YOU FILE AN APPLICATION, THE USPTO WILL PERFORM ITS OWN SEARCH AND OTHER REVIEW, AND MIGHT REFUSE TO REGISTER YOUR MARK.**

\* Click the appropriate circle to indicate the Mark type:  Standard Characters  Special Form (Stylized and/or Design)

Enter the mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof. Do not include the™, ®, ©, or ® symbols after the mark entry, because they are not part of the actual mark. If using Internet Explorer, the entry cannot exceed 2036 characters; otherwise, you must switch to another browser.)

Preview USPTO-Generated Image

NOTE: For how the USPTO determines what the display of the entered mark will be, click [here](#).

NOTE: For information about mark display in USPTO databases, click [here](#).

Check here if you need to enter an **additional statement**, e.g., a disclaimer, translation, or claim of ownership. The full range of possible statements will then be displayed. If, upon review of all of the statements, you realize that no statement is needed, you must click on the box to "uncheck" it, and the entire Additional Statement section will be removed.

Click the appropriate circle to indicate the Mark type:  Standard Characters  Special Form (Stylized and/or Design)

Click on the "Browse/Choose File" button to select a properly-sized JPG image file (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you must submit a color image; otherwise, the image must be clear black-and-white. After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

NOTE: The image files for, respectively, the mark and the specimen (if filing under Section 1(a), use in commerce, and showing actual use in commerce of the mark at the time of this filing) should NOT be the same files (or, even if different files, should not display essentially the exact same thing). The mark image file should ONLY show the mark by itself, and not a representation of how the mark is used on the overall packaging for the goods or within an advertisement for services, for example. On the other hand, an image file that shows the complete package for the goods or a full advertisement for the services, with the mark clearly displayed thereon or within, would be an appropriate attachment for a specimen in the later "Basis" section of the form (which only appears where a Section 1(a) filing basis is being claimed).

Browse Attach

NOTE: The attached image should ONLY show the mark by itself, and should NOT be a representation of how the mark is or may be used, e.g., on the overall packaging for the goods or within an advertisement for services. Except in rare circumstances, the attached image should not be the same as the specimen image file (when filing under basis Section 1(a), use in commerce).

For any image that also includes a word(s), letter(s), and/or number(s), enter the LITERAL ELEMENT only of the mark here:

NOTE: Do NOT enter any word(s), letter(s), or number(s) that do not appear in the attached image; the image file must reflect the overall mark, consisting of the design and the word(s), letter(s), and/or number(s).

If claiming color as a feature of the mark, list the colors below, including black and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, NOT an upper-case, letter. (Entry required for color marks only.)

The color(s)  is/are claimed as a feature of the mark.

Check this box if you are NOT claiming color as a feature of the mark. NOTE: Check only if you believe your image is black-and-white, yet you received after clicking the "CONTINUE" button a WARNING about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do not check this box, because the attached image was automatically accepted as black-and-white.

Enter description of mark below, and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark. The mark consists of:

NOTE: A description of the mark is required for ALL marks that are in a special form (i.e., for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "The letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "A bird with a red body, blue wings, and yellow beak."

NOTE: Do NOT include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, NOT an upper-case, letter.

Check here if you need to enter an additional statement, e.g., a disclaimer, translation, or claim of ownership. The full range of possible statements will then be displayed. If, upon review of all of the statements, you realize that no statement is needed, you must click on the box to "uncheck" it, and the entire Additional Statement section will be removed.

Additional Statement

- This section is for the entry of various statements that may pertain to the mark. You are not required to enter any of the statements at the time of filing, however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure about whether you should make such a statement, the examining attorney assigned to your application will make a requirement, if appropriate.
- To select a statement, enter any required information specific to your mark (or, if no information must be entered, check the box in front of the existing statement to select it). If you make an entry, but then determine it was not correct and no additional statements should appear, you must click on the original box that produced the Additional Statement section, to "uncheck" it so that the entire section will be removed. Otherwise, if one additional statement exists, but a second entry was made in error, simply remove the entry from the statement that you do not wish to use.

#### Goods and/or Services Information

**Instructions:**  
**Step 1:** Click on the appropriate button, below, to indicate whether you wish to create your listing of goods/services by (1) taking entries directly from the *Manual of Trademark Acceptable Identifications of Goods & Services* (IDManual); or (2) entering your own free-text entry. **NOTE:** Option 1 is recommended, to ensure automatic acceptance of the listing in examination; however, if the entry requires customization through the insertion of free-form text, even Option 1 obviously will not ensure that the listing is automatically accepted.  
**Step 2:** Click on the "Add Goods/Services" button.  
**Step 3:** After creating the complete list of goods and/or services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

**NOTE:**

1. If a desired term does not appear in the IDManual, you can request that identification be added, by e-mailing [TMIDSUGGEST@uspto.gov](mailto:TMIDSUGGEST@uspto.gov); however, since the item would not be added immediately, you would need to use Option 2 (free-text entry). #### Fee Information

**Note:** The total fee is computed based on the Number of Classes in which the goods and/or services associated with the mark are classified. You must manually adjust the Total Fee Paid amount, using the pull-down box to select the correct fee amount.

**Note:** Three payment options ([credit card](#), [automated deposit account](#), and [Electronic Funds Transfer](#)) will appear after clicking on the **Pay/Submit** button, which is available on the bottom of the *Validation Page* after completing and validating this form.
