The withdrawals currently segregate the lands from operation of the mining laws, but not the public land laws or mineral leasing laws. The Forest Service requests no changes in the purpose or segregative effect of the withdrawals.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal continuations may present their views in writing to the undersigned officer at the address specified above.

The authorized officer of the Bureau of Land Management will undertake such investigations as are necessary to determine the existing and potential demand for the lands and their resources. A report will also be prepared for consideration by the Secretary of the Interior, the President and Congress, who will determine whether or not the withdrawals will be

continued and if so, for how long. The final determination on the continuation of the withdrawals will be published in the Federal Register. The existing withdrawals will continue until such final determination is made.

Dated: February 25, 1987.

B. LaVelle Black,
Chief, Branch of Lands and Minerals Operations.

DEPARTMENT OF JUSTICE

[Civil Action No. CA 4-85-466K]

Lodging of Consent Decree Pursuant to Clean Air Act; Champion International Corp.

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that on February 24, 1987 to proposed consent decree in *United States v. Champion International Corporation*, Dairypak Division, Civil Action No. CA 4-85-466K was lodged with the United States District Court for the Northern District of Texas. The proposed consent decree concerns a complaint filed by the United States pursuant to section 113 of the Clean Air Act, 42 U.S.C. 7413, that alleged violations of the Texas State Implementation Plan ("SIP") for control of volatile organic compounds at Champion's flexographic printing facility in Fort Worth, Texas. The complaint sought injunctive relief to require defendant to comply with the SIP and civil penalties for past violations. Under the consent decree Champion is required to pay a civil penalty of \$67,500 in settlement of the government's civil penalty claims, and is required to limit its emissions of volatile organic compounds.

The Department of Justice will receive for a period of thirty (30) days from the

date of this publication comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General of the Land and Natural Resources Division, Department of Justice Washington, D.C. 20530, and should refer to *United States v. Champion International Corporation*, Dairypak Division, D.J. Ref. 90-5-3-1-744.

The proposed consent decree may be examined at the office of the United States Attorney for the Northern District of Texas, 310 U.S. Courthouse, 10th & Lamar Streets, Fort Worth, Texas 76102 and at the Region VI Office of the United States Environmental Protection Agency, 1201 Elm Street, Dallas, Texas 75270. Copies of the consent decree may also be examined at the Environmental Enforcement Section, Land and Natural Resources Division of the Department of Justice, Room 1517, Ninth Street and Pennsylvania Avenue NW., Washington, DC 20530. A copy of the proposed consent decree may be obtained from the Environmental Enforcement Section, Land and Natural Resources Division of the Department of Justice.

F. Henry Habicht II,

Assistant Attorney General, Land and Natural Resources Division.

Change of Date for Public Hearing; Pepper's Steel and Alloys et al.

On February 19, a Federal Register Notice was published at 52 FR 5209, notifying the public that a Consent Decree had been lodged with the Court in *United States v. Pepper's Steel and Alloys et al.* The Notice indicated that the Court would hold a public hearing on March 27 at 2:00 p.m.

Because of a scheduling conflict, the Court has revised the date for the public hearing. The hearing will take place on March 28, 1987, at 3:00 p.m. in the Courtroom of Hon. Eugene Spellman, United States District Courthouse, Miami, Florida. As indicated in the previous Federal Register Notice, the purpose of this hearing is to respond to those written comments received during the 30-day public comment period. That comment period expires on March 21, 1987.

F. Henry Habicht II,

Assistant Attorney General, Land and Natural Resources Division.

[Civil Action No. 83-3882]

Lodging of Partial Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation and Liability Act; AVX et al.

In accordance with Department policy, 28 CFR 50.7, notice is hereby given that on March 4, 1987, a proposed partial consent decree in *United States v. AVX, et al.*, Civil Action No. 83-3882, was lodged with the United States District Court for the District of Massachusetts. The action involves claims by the United States for recovery of damages for injury to natural resources and governmental clean-up costs, and for injunctive relief, under the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"). *Inter alia*, with respect to the polychlorinated biphenyl ("PCB") contamination of New Bedford Harbor in Massachusetts. The proposed partial decree involves the payment by one defendant in the action, AVX Corporation, of two million dollars (\$2,000,000) to resolve its liability under CERCLA for the damage to the natural resources of New Bedford Harbor caused by the release of PCBs that resulted from its former operation of a capacitor manufacturing plant adjacent to the Harbor. The settlement does not relieve AVX Corporation of any potential liability to clean up the contamination in the Harbor or to reimburse the government for the costs of investigating and cleaning up the contamination in the Harbor.

The Department of Justice will receive for a period of thirty (30) days from the date of publication comments relating to the proposed partial consent decree. Comments should be addressed to the Assistant Attorney General, Land and Natural Resources Division, Department of Justice, Washington, DC 20530, and should refer to *United States v. AVX, et al.*, D.J. Ref. 90-11-3-82/90-11-2-78.

The proposed consent decree may be examined at the Office of the United States Attorney, 1107 J.W. McCormack Post Office and Courthouse, Boston, Massachusetts 02109 and at the Region I Office of the Environmental Protection Agency, 22nd Floor, JFK Federal Building, Boston, Massachusetts, 02203, and at the Environmental Enforcement Section, Land and Natural Resources Division, Department of Justice, Room 1515, Washington, DC 20530. A copy of the proposed partial consent decree may be obtained in person or by mail from the Environmental Enforcement Section, Land and Natural Resources Division of
