EXHIBIT B**DEFINITIONS**

AREA: means a discrete, specifically delineated space that is smaller, and in most cases much smaller, than a Ranger District.

VEHICLE: means any device in, upon, or by which any person or property is or may be transported, including any frame, chassis, or body of any motor vehicle, except devices used exclusively upon stationary rails or tracks.

(For purposes of this Order a vehicle is any OSV, over snow vehicle, which includes snowmobiles and any vehicle specifically designed or altered to operate over snow).

MOTOR VEHICLE: means any vehicle which is self-propelled, other than:

- (1) A Vehicle operated on rails; and
- (2) Any wheelchair or mobility device, including one that is battery-powered, that is designed solely for use by a mobility-impaired person for locomotion and that is suitable for use in an indoor pedestrian area.

NATIONAL FOREST SYSTEM ROADS: means a forest road other than a road which has been authorized by a legally documented right-a-way held by a State, county, or other local public road authority.

FOREST ROAD OR TRAIL: means a road or trail wholly or partly within or adjacent to and serving the National Forest System that the Forest Service determines is necessary for the protection, administration, and utilization of the National Forest System and the use and development of its resources.

For further definitions or clarification of definitions, refer to Title 36 Code of Federal Regulations 261.2.
