Subject: 110 - NIOSH Truck Driver Survey

Dear Sirs,

I would first off like to thank you for conducting this survey...I would also like to know how to take part in this survey..I saw that you thinking of having this screening/survey done at appox 40 trucks stops across the country...Will you be releasing in advance the times dates for doing these??? Will you be comparing male drivers with female drivers???What about team drivers,,same sex vs. husband wife teams ect..What about teams VS single drivers...What about company drivers VS. Owner Operators...Drivers of different ages...Driver that have medical coverage available to them VS drivers that have no coverage??? Married drivers vs. single drivers...

I am looking forward to hearing from you...

Thank in advance for your time,
