Public Workshops to Help Plan the Future of your National Forest Lands

The US Forest Service Lake Tahoe Basin Management Unit (LTBMU) is hosting public workshops to get your input on the revision of the Forest Plan.

80% of the land in the Lake Tahoe Basin is yours -- come help determine its future

Purpose of the September workshops:

- *Provide an update on the status of the Forest Plan revision and anticipated next steps*
- *Invite public input on forest management issues to inform the Forest Plan revision*

Why you should attend:

- *Learn about the Forest Plan revision process and timeline*
- *Learn about Forest Plan revisions under consideration*
- *Provide input on forest management to inform the Forest Plan revision*
- *Learn about future opportunities to participate in developing the Forest Plan*
