Washington, DC 20230

Dear Ms. Ferrer:

I am pleased to submit the Department of Veterans Affairs' (VA) Federal Performance Report for Fiscal Years 2004-2006 in support of Executive Order 13339, Increasing Economic Opportunity and Business Participation of Asian Americans and Pacific Islanders.

The Performance Report describes VA's initiatives and program activities that support Departmental objectives to increase the business participation of Asian Americans and Pacific Islanders in Federal programs where they may be underserved.

If you have any questions concerning the report, please have a member of your staff contact David Walton, National Program Manager for Asian Americans and Pacific Islanders, Office of Diversity Management and Equal Employment Opportunity, at (202) 461-4002 or via e-mail at: david.walton@va.gov. Mr. Walton is VA's representative on the Coordinating Committee for the White House Initiative on Asian Americans and Pacific Islanders.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Paul J. Hutter". The signature is written in a cursive style with a large initial "P".

Paul J. Hutter
Executive in Charge of the
Office of Human Resources and Administration

The Vocational Rehabilitation and Employment Division at the VARO in Honolulu, HI, procured services and supplies from vendors in Hawaii, Guam, and American Samoa.	Ensure nondiscrimination in Federal contracts and procurement opportunities.	FY2006			With a caseload of over 1,200 veterans—including 100 veterans in Samoa and approximately the same number in Guam—almost all purchases are made through local vendors who are predominantly of Asian and Pacific Islander descent.	
The Philadelphia VARO provided equal opportunity for public-sector/private-sector partnership for the community—and economic development of Asian American and Pacific Islander businesses—by intervening with the City of Philadelphia.	Provide equal opportunity for public-sector/private-sector partnerships for the community and economic development of AAPI businesses.	FY2005			The Philadelphia VARO worked with the City of Philadelphia to have an ordinance passed which permitted an AAPI-owned business to provide food service to VA employees at the VARO.	
The Los Angeles VARO created an Outreach Committee to address issues impacting AAPI veterans regarding the dissemination of program information on VA benefits relating to compensation and education and services such as counseling and vocational rehabilitation. As a result, the VARO established meaningful partnership arrangements with several AAPI community groups such as the Japanese American National Museum, the Japanese Bar Association, the Japanese American Korean War Veterans Association and the Veterans of Foreign Wars.	Provide equal opportunity for public-sector/private-sector partnerships for the community and economic development of AAPI businesses.	FY2005			These partnership arrangements have enabled the Los Angeles VARO, with input from the community associations, to identify specific needs of the AAPI communities, including those relating to business entities, to increase participation in VA programs and services by AAPI individuals by providing awareness information on equal access to VA programs and services.
