**SUPPLEMENTARY INFORMATION:** Section 205(a) of the Act (Pub. L. 109-53; 119 Stat. 462, 483; 19 U.S.C. 4034) provides that certain entries of textile or apparel goods of designated eligible countries that are parties to the Dominican Republic-Central America-United States Free Trade Agreement (CAFTA-DR) made on or after January 1, 2004 may be liquidated or reliquidated at the applicable rate of duty for those goods established in the Schedule of the United States to Annex 3.3 of the CAFTA-DR. Section 205(b) of the Act requires the USTR to determine, in accordance with Article 3.20 of the CAFTA-DR, which CAFTA-DR countries are eligible countries for purposes of Section 205(a). Article 3.20 provides that importers may claim retroactive duty treatment for imports of certain textile or apparel goods entered on or after January 1, 2004 and before the entry into force of CAFTA-DR from those CAFTA-DR countries that will provide reciprocal retroactive duty treatment or a benefit for textile or apparel goods that is equivalent to retroactive duty treatment.

Pursuant to Section 205(b) of the Act, I have determined that Costa Rica will provide an equivalent benefit for textile or apparel goods of the United States within the meaning of Article 3.20 of the CAFTA-DR. I therefore determine that Costa Rica is an eligible country for purposes of Section 205 of the Act.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59218; File No. 4-575]

### Program for Allocation of Regulatory Responsibilities Pursuant to Rule 17d-2; Order Approving and Declaring Effective a Plan for the Allocation of Regulatory Responsibilities Between the Financial Industry Regulatory Authority, Inc. and the Boston Stock Exchange, Incorporated

January 8, 2009.

On December 8, 2008, the Financial Industry Regulatory Authority, Inc. ("FINRA") and the Boston Stock Exchange, Incorporated ("BX") (together with FINRA, the "Parties") filed with the Securities and Exchange Commission ("Commission") a plan for the allocation of regulatory responsibilities, dated December 5, 2008 ("17d-2 Plan" or the "Plan"). The Plan was published for comment on December 22, 2008.<sup>1</sup> The Commission received no comments on the Plan. This order approves and declares effective the Plan.

#### I. Introduction

Section 19(g)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>2</sup> among other things, requires every self-regulatory organization ("SRO") registered as either a national securities exchange or national securities association to examine for, and enforce compliance by, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO's own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d) or Section 19(g)(2) of the Act.<sup>3</sup> Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO ("common members"). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act<sup>4</sup> was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication.<sup>5</sup> With respect to a common member, Section 17(d)(1)

authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d-1 and Rule 17d-2 under the Act.<sup>6</sup> Rule 17d-1 authorizes the Commission to name a single SRO as the designated examining authority ("DEA") to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO rules.<sup>7</sup> When an SRO has been named as a common member's DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d-1 deals only with an SRO's obligations to enforce member compliance with financial responsibility requirements. Rule 17d-1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission adopted Rule 17d-2 under the Act.<sup>8</sup> Rule 17d-2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect to their common members. Under paragraph (c) of Rule 17d-2, the Commission may declare such a plan effective if, after providing for appropriate notice and comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors; to foster cooperation and coordination among the SROs; to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system; and is in conformity with the factors set forth in Section 17(d) of the Act. Commission approval of a plan filed pursuant to Rule 17d-2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

## II. Proposed Plan

On August 29, 2008, BX was acquired by The NASDAQ OMX Group, Inc. ("NASDAQ OMX"). At the time of this acquisition, BX was not operating a venue for trading cash equities. BX has since adopted a new rulebook with rules governing membership, the regulatory obligations of members, listing, and equity trading.<sup>9</sup> The new BX rules, in particular the member conduct rules that would be the Common Rules under the proposed Plan, are based to a substantial extent on the rules of the NASDAQ Stock Market LLC ("NASDAQ Exchange"),<sup>10</sup> which, in turn, are based to a substantial extent on the comparable rules of FINRA.

The NASDAQ Exchange currently is party to a 17d-2 plan with FINRA.<sup>11</sup> The proposed Plan would allocate regulatory responsibility between BX and FINRA in a manner similar to the allocation of regulatory responsibility that currently exists between the NASDAQ Exchange and FINRA.

Accordingly, the proposed 17d-2 Plan is intended to reduce regulatory duplication for firms that are common members of both FINRA and BX.<sup>12</sup> Pursuant to the proposed 17d-2 Plan, FINRA would assume certain examination and enforcement responsibilities for common members with respect to certain applicable laws, rules, and regulations.

The text of the Plan delineates the proposed regulatory responsibilities with respect to the Parties. Included in the proposed Plan is an exhibit (the "Rules Certification for 17d-2 Agreement with FINRA," referred to herein as the "Certification") that lists every BX rule, and select federal securities laws, rules, and regulations, for which FINRA would bear responsibility under the Plan for overseeing and enforcing with respect to BX members that are also members of FINRA and the associated persons therewith ("Dual Members").

Specifically, under the 17d-2 Plan, FINRA would assume examination and

enforcement responsibility relating to compliance by Dual Members with the rules of BX that are substantially similar to the applicable rules of FINRA, as well as any provisions of the federal securities laws and the rules and regulations thereunder delineated in the Certification ("Common Rules").<sup>13</sup> Common Rules would not include the application of any BX rule or FINRA rule, or any rule or regulation under the Act, to the extent that it pertains to violations of insider trading activities, because such matters are covered by a separate multiparty agreement under Rule 17d-2.<sup>14</sup> In the event that a Dual Member is the subject of an investigation relating to a transaction on BX, the plan acknowledges that BX may, in its discretion, exercise concurrent jurisdiction and responsibility for such matter.<sup>15</sup>

Under the Plan, BX would retain full responsibility for surveillance, examination, investigation, and enforcement with respect to trading activities or practices involving BX's own marketplace; registration pursuant to its applicable rules of associated persons (*i.e.*, registration rules that are not Common Rules); its duties and obligations as a DEA pursuant to Rule 17d-1 under the Act; and any BX rules that are not Common Rules.<sup>16</sup>

## III. Discussion

The Commission finds that the proposed Plan is consistent with the factors set forth in Section 17(d) of the Act<sup>17</sup> and Rule 17d-2(c) thereunder<sup>18</sup> in that the proposed Plan is necessary or appropriate in the public interest and for the protection of investors, fosters cooperation and coordination among SROs, and removes impediments to and fosters the development of the national market system. In particular, the Commission believes that the proposed Plan should reduce unnecessary

regulatory duplication by allocating to FINRA certain examination and enforcement responsibilities for Dual Members that would otherwise be performed by both BX and FINRA. Accordingly, the proposed Plan promotes efficiency by reducing costs to Dual Members. Furthermore, because BX and FINRA will coordinate their regulatory functions in accordance with the Plan, the Plan should promote investor protection. The Commission notes that the proposed Plan would allocate regulatory responsibility between BX and FINRA in a manner similar to the allocation of regulatory responsibility that currently exists between the NASDAQ Exchange and FINRA.<sup>19</sup>

The Commission notes that, under the Plan, BX and FINRA have allocated regulatory responsibility for those BX rules, set forth on the Certification, that are substantially similar to the applicable FINRA rules in that examination for compliance with such provisions and rules would not require FINRA to develop one or more new examination standards, modules, procedures, or criteria in order to analyze the application of the rule, or a Dual Member's activity, conduct, or output in relation to such rule. In addition, under the Plan, FINRA would assume regulatory responsibility for certain provisions of the federal securities laws and the rules and regulations thereunder that are set forth in the Certification. The Common Rules covered by the Plan are specifically listed in the Certification, as may be amended by the Parties from time to time.

According to the Plan, BX will review the Certification, at least annually, or more frequently if required by changes in either the rules of BX or FINRA, and, if necessary, submit to FINRA an updated list of Common Rules to add BX rules not included on the then-current list of Common Rules that are substantially similar to FINRA rules; delete BX rules included in the then-current list of Common Rules that are no longer substantially similar to FINRA rules; and confirm that the remaining rules on the list of Common Rules continue to be BX rules that are substantially similar to FINRA rules.<sup>20</sup>

<sup>19</sup> The proposed new BX rules are based to a substantial extent on the rules of the NASDAQ Exchange which, in turn, are based to a substantial extent on the comparable rules of FINRA. The NASDAQ Exchange currently is party to a 17d-2 plan with FINRA. See Securities Exchange Act Release No. 54136 (July 12, 2006), 71 FR 40759 (July 18, 2006) (File No. 4-517) (order approving and declaring effective the plan between the NASDAQ Exchange and NASD (n/k/a FINRA)).

<sup>20</sup> See paragraph 2 of the proposed 17d-2 Plan.

<sup>9</sup> See Securities Exchange Act Release Nos. 58927 (November 10, 2008), 73 FR 69685 (November 19, 2008) (SR-BSE-2008-48) (notice of proposed rule change); and 59154 (December 23, 2008), 73 FR 80468 (December 31, 2008) (SR-BSE-2008-48) (order approving proposed rule change).

<sup>10</sup> See Securities Exchange Act Release No. 58927 (November 10, 2008), 73 FR at 69686 (November 19, 2008) (SR-BSE-2008-48) (notice of proposed rule change).

<sup>11</sup> See Securities Exchange Act Release No. 54136 (July 12, 2006), 71 FR 40759 (July 18, 2006) (File No. 4-517) (order approving and declaring effective the plan between the NASDAQ Exchange and NASD (n/k/a FINRA)).

<sup>12</sup> The proposed 17d-2 Plan refers to these common members as "Dual Members." See Paragraph 1(c) of the proposed 17d-2 Plan.

<sup>13</sup> See paragraph 1(b) of the proposed 17d-2 Plan (defining Common Rules). See also paragraph 1(f) of the proposed 17d-2 Plan (defining Regulatory Responsibilities). Paragraph 2 of the Plan provides that annually, or more frequently as required by changes in either BX rules or FINRA rules, the parties shall review and update, if necessary, the list of Common Rules. Further, paragraph 3 of the Plan provides that BX shall furnish FINRA with a list of Dual Members, and shall update the list no less frequently than once each calendar quarter.

<sup>14</sup> See Securities Exchange Act Release No. 58806 (October 17, 2008), 73 FR 63216 (October 23, 2008) (File No. 4-566) (notice of filing and order approving and declaring effective the plan). The Certification identifies two Common Rules that may also be addressed in the context of regulating insider trading activities pursuant to the separate multiparty agreement.

<sup>15</sup> See paragraph 6 of the proposed 17d-2 Plan.

<sup>16</sup> See paragraph 2 of the proposed 17d-2 Plan.

<sup>17</sup> 15 U.S.C. 78q(d).

<sup>18</sup> 17 CFR 240.17d-2(c).

FINRA will then confirm in writing whether the rules listed in any updated list are Common Rules as defined in the Plan. Under the Plan, BX will also provide FINRA with a current list of Dual Members and shall update the list no less frequently than once each quarter.<sup>21</sup> The Commission believes that these provisions are designed to provide for continuing communication between the Parties to ensure the continued accuracy of the scope of the proposed allocation of regulatory responsibility.

The Commission is hereby declaring effective a plan that, among other things, allocates regulatory responsibility to FINRA for the oversight and enforcement of all BX rules that are substantially similar to the rules of FINRA for Dual Members of BX and FINRA. Therefore, modifications to the Certification need not be filed with the Commission as an amendment to the Plan, provided that the Parties are only adding to, deleting from, or confirming changes to BX rules in the Certification in conformance with the definition of Common Rules provided in the Plan. However, should the Parties decide to add a BX rule to the Certification that is not substantially similar to a FINRA rule; delete a BX rule from the Certification that is substantially similar to a FINRA rule; or leave on the Certification a BX rule that is no longer substantially similar to a FINRA rule, then such a change would constitute an amendment to the Plan, which must be filed with the Commission pursuant to Rule 17d-2 under the Act and noticed for public comment.<sup>22</sup>

The Plan also permits BX and FINRA to terminate the Plan, subject to notice.<sup>23</sup> The Commission notes, however, that while the Plan permits the Parties to terminate the Plan, the Parties cannot by themselves reallocate the regulatory responsibilities set forth in the Plan, since Rule 17d-2 under the Act requires that any allocation or reallocation of regulatory responsibilities be filed with the Commission.<sup>24</sup>

#### IV. Conclusion

This Order gives effect to the Plan filed with the Commission in File No. 4-575. The Parties shall notify all

<sup>21</sup> See paragraph 3 of the proposed 17d-2 Plan.

<sup>22</sup> The Commission also notes that the addition to or deletion from the Certification of any federal securities laws, rules, and regulations for which FINRA would bear responsibility under the Plan for examining, and enforcing compliance by, Dual Members, also would constitute an amendment to the Plan.

<sup>23</sup> See paragraph 13 of the proposed 17d-2 Plan.

<sup>24</sup> The Commission notes that paragraph 13 of the Plan reflects the fact that FINRA's responsibilities under the Plan will continue in effect until the Commission approves any termination of the Plan.

members affected by the Plan of their rights and obligations under the Plan.

*It is therefore ordered*, pursuant to Section 17(d) of the Act, that the Plan in File No. 4-575, between FINRA and BX, filed pursuant to Rule 17d-2 under the Act, is approved and declared effective.

*It is further ordered* that BX is relieved of those responsibilities allocated to FINRA under the Plan in File No. 4-575.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>25</sup>
