

Table 8-1. Total, Infant, and Neonatal Deaths, by Race: United States, Each State and County, and Specified Urban Places of 10,000 or More, 1999

(Small figures should be interpreted with caution. Urban places are those with populations of 10,000 or more in 1990 and are incorporated unless otherwise noted. The places designated as urban other than incorporated places are special situations which are explained in the "Geographic classification" section of the Technical Appendix)

Table 8-1. Total, Infant, and Neonatal Deaths, by Race: United States, Each State and County, and Specified Urban Places of 10,000 or More, 1999

(Small figures should be interpreted with caution. Urban places are those with populations of 10,000 or more in 1990 and are incorporated unless otherwise noted. The places designated as urban other than incorporated places are special situations which are explained in the "Geographic classification" section of the Technical Appendix)

Area and race	Total deaths by county of occurrence	Deaths by place of residence		
		Total deaths	Infant	Neonatal
Wyoming				
All other	-	-	-	-
Black.....	-	-	-	-

- Quantity zero.

--- Data not available.

1/ Areas shown are census areas, the nearest equivalent of counties.

2/ Includes data for Texarkana, Ark., only.

3/ Areas shown are parishes which are county equivalents.

4/ Includes data for Bristol, Tenn., only.

5/ Includes data for Texarkana, Tex., only.

6/ Independent city having population of less than 10,000 according to the 1990 census.

7/ Includes data for Bristol, Va., only.

8/ Beginning with the 1996 data year, includes data for South Boston city which was previously shown separately.

9/ Includes data for Bluefield, W. Va., only.
