

MEETING NOTICE

New Jersey Departments of Environmental Protection and Transportation Draft Global Warming Response Act Recommendations Report

**Stakeholders Meetings – Sessions 4 and 5
Monday, January 12 and Wednesday, January 14, 2009**

The **New Jersey Department of Environmental Protection (NJDEP)**, in coordination with the **New Jersey Department of Transportation (NJDOT)**, will hold a series of Stakeholders Meetings on the Draft Global Warming Response Act Recommendations Report, released by NJDEP on December 15, 2008. You are encouraged to actively participate by attending the appropriate meetings and providing comments at the meetings, by mail, or by e-mail.

The Meetings (Agendas 4 & 5)

The individual meetings are being broken down into Six (6) sessions concerning separate issues covered in the Draft Report. The Session 4 Meeting "Transportation – Vehicles, Fuels and Infrastructure" will be held at the **NJDEP Public Hearing Room, 1st Floor, 401 East State Street, Trenton, NJ on Monday, January 12, 2009 from 9 a.m. to 12 p.m.**

The Session 5 Meeting "Land Use and Transportation Planning" will be held at the **NJDOT Multi-Purpose Room, 1st Floor, 1035 Parkway Avenue, Trenton, NJ on Wednesday, January 14, 2009 from 1 p.m. to 4 p.m.** You are welcome to attend either or both meetings.

Background

The State has posted a draft report for stakeholder input as required by the New Jersey Global Warming Response Act. The report provides analyses on significant sources of GHG emissions and outlines policies as well as legislative and regulatory actions that are needed to achieve the Statewide 2020 and 2050 greenhouse gas limit established under the Act.

For further information contact:

Andrew Swords, NJDOT

PO Box 600

1035 Parkway Avenue

Trenton, NJ 08625 – 0600

(609) 530-2856

Please RSVP by 1/8/09 to:

rsvp-ghg@dep.state.nj.us

(Please indicate which session(s) you will be attending)

To ensure that these stakeholder meetings are as productive as possible, we strongly encourage all participants to read the draft GHG recommendation report, available on the State's webpage at <http://www.state.nj.us/globalwarming/>
