Introduction

This publication contains directories relating to real estate mortgage investment conduits (REMICs) and collateralized debt obligations (CDOs), including CDOs issued in the form of "regular interests" in Financial Asset Securitization Investment Trusts (FASITs). The directory for each calendar quarter is based on information submitted to the Internal Revenue Service during that quarter. This publication is only available on the Internet.

For each quarter, there is:

- A directory of new REMICs and CDOs, and
- A section containing amended listings.

You can use the directory to find the representative of the REMIC or the issuer of the CDO from whom you can request tax information. The amended listing section shows changes to previously listed REMICs and CDOs.

The directory for each calendar quarter will be added to this publication approximately six weeks after the end of the quarter.

Other information. Publication 550, *Investment Income and Expenses*, discusses the tax treatment that applies to holders of these investment products. For other information about REMICs, see sections 860A through 860G of the Internal Revenue Code and any regulations issued under those sections. For information on FASITs, see sections 860H through 860L of the Internal Revenue Code.

Back issues. To get information for a REMIC or CDO with a start-up/issue date prior to 2001 follow these procedures.

Prior to 1996. Paper editions of Publication 938 are available for periods prior to 1996. The November 1991 edition contains a complete directory of REMICs and CDOs with start-up/issue dates before October 1, 1991. After that edition, yearly supplements were issued. The November 1995 edition was the last paper edition of Publication 938. To order back issues of the paper editions, call 1-800-TAX-FORM (1-800-829-3676), or mail Form 6112, *Prior Year Tax Form Order*. Be sure to specify which edition you want.

After 1995. After the November 1995 edition, Publication 938 is only available electronically. Back issues of these publications are only available on the Internet. To get back issues of this publication, visit the IRS web page at www.irs.gov.

Who May Request Information

The persons listed below, or their agent or representative, should follow the procedures in this publication to request tax information from the representative of the REMIC or the issuer of the CDO.

- 1) Any broker who holds a REMIC regular interest or CDO for itself or as a nominee for an actual holder.

- 2) A middleman who holds a REMIC regular interest or CDO as a nominee for an actual holder and who is required to file an information return with respect to the regular interest or CDO.
- 3) The following persons, if they hold their REMIC regular interest or CDO directly and not through a nominee:
 - a) A corporation,
 - b) A non-calendar year taxpayer,
 - c) A dealer in securities or commodities required to register as such under the laws of the United States or a state,
 - d) A real estate investment trust (as defined in section 856 of the Internal Revenue Code),
 - e) An entity registered at all times during the tax year under the Investment Company Act of 1940,
 - f) A common trust fund (as defined in section 584(a) of the Internal Revenue Code),
 - g) A financial institution such as a mutual savings bank, savings and loan association, building and loan association, cooperative bank, homestead association,

credit union, industrial loan association or bank, or other similar organization,

- h) Any trust which is exempt from tax under section 664(c) of the Internal Revenue Code (a charitable remainder annuity trust or a charitable remainder unitrust), and
 - i) A REMIC.

Note. A person listed in (3) above who holds an interest through a nominee (instead of directly from the REMIC or the issuer of the CDO) should request the information from the nominee instead of from the REMIC or the issuer of the CDO. The request should be made of the nominee in the same manner as specified below for requesting information from the representative.

How To Request Information

Use the directory to find the representative of the REMIC or issuer of the CDO. You can request

information from the representative or issuer by telephone or mail. If only an address is listed in the directory, you must request the information in writing. Your request must specify the calendar quarters and the classes of REMIC regular interests or CDOs for which you need the information.

The representative or issuer must provide the information to you by the later of:

- 1) The 30th day after the close of the calendar quarter for which you request the information, or
- 2) The 14th day after the receipt of your request.

The representative or issuer can provide the information to you by telephone, by written statement sent by first class mail, by printing the information in a publication that is generally read by and available to persons who may request the information, or by any other method agreed to by both parties. If the information is published, the representative or issuer must notify you by telephone or in writing of the publication in which the information will appear, the date of its appearance, and, if possible, the page number.

How To Get Tax Help

You can get help with unresolved tax issues, order free publications and forms, ask tax questions, and get more information from the IRS in several ways. By selecting the method that is best for you, you will have quick and easy access to tax help.

Contacting your Taxpayer Advocate. If you have attempted to deal with an IRS problem unsuccessfully, you should contact your Taxpayer Advocate.

The Taxpayer Advocate represents your interests and concerns within the IRS by protecting your rights and resolving problems that have not been fixed through normal channels. While Taxpayer Advocates cannot change the tax law or make a technical tax decision, they can clear up problems that resulted from previous contacts and ensure that your case is given a complete and impartial review.

To contact your Taxpayer Advocate:

- Call the Taxpayer Advocate at **1-877-777-4778**.
- Call the IRS at **1-800-829-1040**.
- Call, write, or fax the Taxpayer Advocate office in your area.
- Call **1-800-829-4059** if you are a TTY/TDD user.

For more information, see Publication 1546, *The Taxpayer Advocate Service of the IRS*.

Free tax services. To find out what services are available, get Publication 910, *Guide to Free Tax Services*. It contains a list of free tax publications and an index of tax topics. It also describes other free tax information services, including tax education and assistance programs and a list of TeleTax topics.

Personal computer.

With your personal computer and modem, you can access the IRS on the Internet at www.irs.gov. While visiting our web site, you can:

- Find answers to questions you may have.
- Download forms and publications or search for forms and publications by topic or keyword.
- View forms that may be filled in electronically, print the completed form, and then

save the form for recordkeeping.

- View Internal Revenue Bulletins published in the last few years.
- Search regulations and the Internal Revenue Code.
- Receive our electronic newsletters on hot tax issues and news.
- Get information on starting and operating a small business.

You can also reach us with your computer using File Transfer Protocol at ftp.irs.gov.

TaxFax Service.

Using the phone attached to your fax machine, you can receive forms and instructions by calling **703-368-9694**. Follow the directions from the prompts. When you order forms, enter the catalog number for the form you need. The items you request will be faxed to you.

For help with transmission problems, call the FedWorld Help Desk at **703-487-4608**.

Many services are available by phone.

- *Ordering forms, instructions, and publications.* Call **1-800-829-3676** to order current and prior year forms, instructions, and publications.
- *Asking tax questions.* Call the IRS with your tax questions at **1-800-829-1040**.
- *TTY/TDD equipment.* If you have access to TTY/TDD equipment, call **1-800-829-4059** to ask tax questions or to order forms and publications.
- *TeleTax topics.* Call **1-800-829-4477** to listen to pre-recorded messages covering various tax topics.

Evaluating the quality of our telephone services.

To ensure that IRS representatives give accurate, courteous, and professional answers, we evaluate the quality of our telephone services in several ways.

- A second IRS representative sometimes monitors live telephone calls. That person only evaluates the IRS assistant and does not keep a record of

any taxpayer's name or tax identification number.

- We sometimes record telephone calls to evaluate IRS assistants objectively. We hold these recordings no longer than one week and use them only to measure the quality of assistance.
- We value our customers' opinions. Throughout this year, we will be surveying our customers for their opinions on our service.

Walk-in.

You can walk in to many post offices, libraries, and IRS offices to pick up certain forms, instructions, and publications. Some IRS offices, libraries, grocery stores, copy centers, city and county governments, credit unions, and office supply stores have an extensive collection of products available to print from a CD-ROM or photocopy from reproducible proofs. Also, some IRS offices and libraries have the Internal Revenue Code, regulations, Internal Revenue Bulletins, and Cumulative Bulletins available for research purposes.

Mail.

You can send your order for forms, instructions, and publications to the Distribution Center nearest to you and receive a response within 10 workdays after your request is received. Find the address that applies to your part of the country.
