Conservation Investment Letter

October 17, 2007

2008 National Conservation Investment

Dear Conservation District Officials:

October 1, 2007 marked the beginning of NACD's 2008 fiscal year and our new budget cycle. Thank you in advance for your continued support and sponsorship of NACD's policies and programs. Without conservation districts, NACD would not exist; it is your investment that determines the success of our organization.

As we gear up for this year, I want to make certain you are aware of your national association's activities and priorities. Listed below are a few of the major issues that are consistent with the priorities in our strategic plan.

NACD updates

### Support for State and Local Members

- ◆ Planning for the 2008 Annual Meeting to be held in Reno, Nevada this February.
- ◆ Continuing our 509 Capitol Court Campaign endeavor to raise funds to restore your national headquarters building.
- ◆ Collecting and compiling data on districts' activities in urban and conservation to enhance NACD support for members' work in these areas.

### Grassroots Advocacy

- ◆ Working with our grassroots network to provide information to help realize the 2007 Farm Bill, appropriations, and budget priorities.
