Re: 0.7% Incidental Catch Allowance

Dear Jim:

The Western Alaska Community Development Association Board of Directors, serving in its capacity as the Community Development Quota (CDQ) Program Panel (16 U.S.C. 1855(i)(1)(G)) has reached agreement about how to allocate the seven-tenths of one percent that the Panel is authorized to allocate under section 305(i)(1)(C) of the Magnuson-Stevens Act (16 U.S.C. 1855(i)(1)(C)) to each of the six CDQ groups for the 2008 fishing seasons.

The allocations agreed upon unanimously by the CDQ Panel for 2008 are as follows:

Group	P. Cod	Atka Mack (541,542,543)	POP (541,542,543)	Rock Sole	FH Sole	YF Sole	ARROW	BS G. Turbot
APICDA	21.638%	29.933%	29.975%	25.040%	20.771%	23.598%	22.000%	16.000%
BBEDC	19.838%	15.026%	15.010%	23.064%	22.375%	22.854%	22.000%	20.000%
CBSFA	7.930%	7.996%	7.996%	7.457%	7.005%	8.038%	9.000%	8.000%
CVRF	16.648%	15.026%	15.013%	10.060%	14.665%	11.406%	13.000%	17.000%
NSEDC	15.738%	14.026%	14.012%	10.390%	14.361%	11.388%	12.000%	19.000%
YDFDA	18.208%	17.993%	17.994%	23.989%	20.823%	22.716%	22.000%	20.000%
<b>TOTAL</b>	<b>100.000%</b>	<b>100.000%</b>	<b>100.000%</b>	<b>100.000%</b>	<b>100.000%</b>	<b>100.000%</b>	<b>100.000%</b>	<b>100.000%</b>

These 2008 allocations were unanimously agreed upon by a vote of the CDQ Panel at its regularly scheduled meeting August 16 and 17 in Anchorage. The minutes from that meeting provide the following explanation of the Panel's motion, which was made by APICDA/Cotter and seconded by CBSFA/Thorpe:

*"...that the Panel approve an allocation of the ICA based on the model developed by the ICA Committee and presented to the Panel on March 19, 2007, with the exception that CBSFA receive an allocation of 7.93 percent and that the remaining five CDQ entities' allocations be reduced by equal shares to accommodate the increase for CBSFA for 2008 only."*

For 2009 and thereafter, the Panel therefore approves allocating the seven-tenths of one percent among the CDQ groups using the March 19, 2007 model and formula, but without the one-time 2008 adjustment for CBSFA. It is the intent of the Panel that the March 19, 2007 model and formula be used in all future years unless the Panel hereafter unanimously votes to change it. The Panel will submit the allocations for 2009 using the model/formula sometime during 2008 on a timeframe that is acceptable to NMFS, and similarly in each year thereafter.

Please contact Wanetta Ayers at the WACDA office if you have any questions regarding this matter or require any additional information.

Sincerely,
