

Due to the lack of profitability, NACD will no longer offer printing service, effective November 1, 2007. We thank you for your loyal support and express our gratitude to you for promoting the importance of conservation. If you would like to continue having Harvey-Daco Printers provide their services, please call:

Cecilia O'Neal at 800-766-5207, or  
email her at [coneal@harvey-daco.com](mailto:coneal@harvey-daco.com)

You can also use a local printer in your area. The Conservation Logo and other information you will need to prepare business cards, letterheads, envelopes and more is available on NACD's website at <http://nacdnet.org/resources/logos/>
