

Admin Notes

15 SEPTEMBER 2008

(not just for the applicants, please make sure your YNs and Supervisors get this info too.)

New Business:

Welcome Back:... YN3 Oleg Lazakovich was TAD on CGC Dallas as an interpreter. He has returned and taken over his A School accounts to include: IT, MST, OS, PA and YN. We are glad to have YN3 Lazakovich back.

Reserve A School Orders: There has been an increase of Reserve “No Shows” at “A” School. We ask that all units with Reserves attached, please check your Airport Terminal periodically for orders.

Change in Marital Status: If you’ve already got orders to school...and your marital status changes before you leave, you really need to let someone know about it. As long as we know in advance, we can assist you with providing the correct kind of orders (PCS/Temdu or TDY). If you don’t tell anyone and get to school (and they check you in)...it’s too late. Orders will not be changed once you have departed for school. It’s all about timing, and passing important information.

Aviation A School Reminder: All members interested in aviation rates should note that the Airman Program begins 4 months prior to the actual class convening date. If an individual desires to pursue another rate other than the current one they are enrolled in, there must be a disenrollment message released and the individual will have to wait the required time before having their name added to the new rates list. Members who were previously on the Aviation School lists whose names do not appear on this publication should expect orders within the near future.

Old Business:

Notice to Commands: The “A” School Assignment Officers here at CGPC epm-2 will no longer accept “A” School request chits from non-rated members, including YN strikers. Members that are currently striking YN are allowed to draft the request, but the requests needs to be sent to epm-2 by a Petty Officer (including non-rates with a designator) or above authorized by the Command. Also, as per the Personnel Manual, non-rated members are not permitted to contact the Assignment Officers to include Non-rate AO and “A” School AO. In most cases, questions and concerns can be addressed at the PO1/CPO level.

Citizenship: Just a reminder that AET, AMT, AST, ET, GM, IS, IT, OS and PA schools all require their students to be U.S. Citizens. Make sure that you note this on all your applications for these schools.

CLASS 'A' SCHOOL FAQ's

Security Clearances (see your unit security officer for details): The following schools require an SF-86 (security clearance package) be mailed to SECCEN prior to attending "A" School: AET, AMT, AST, ET, GM, IT, OS, & PA. On each application, the command must certify that this package was mailed to SECCEN. This statement must accompany each application: *"this command certifies that mbr is a U.S. citizen and NACL security package mailed to SECCEN on (date)"*. If we do not receive this statement, mbr will be added to the list...but will be placed on SEC hold until the command can certify that the package was mailed SECCEN.

IS "A" School applicants must complete the following security clearance requirements: 1. Schedule an SCI interview with the CG Headquarters Special Security Officer (SSO) at (202) 372-2748. Ops permitting, interviews will be held on Friday's from 0800-1400Est 2. If SCI interview results are favorable, submit a request for placement on the IS "A" school Waiting List. Ensure the following statement is included: "This command certifies that member is a U.S. Citizen. SCI pre-nomination interview conducted on (date.)" Upon receipt of application, member will be placed on the "A" school Waiting List, however in a Security (SEC) hold status. When expected wait time for member to attend IS Class "A" school is between 6-8 months, member will be notified by CGPC (epm-2) for Active Duty and CGPC (rpm) for Reserve to ensure a Single Scope Background Investigation (SSBI) is submitted to the CG Security Center (SECCEN). Upon confirmation that a SSBI is underway by SECCEN, the (SEC) hold will be removed.

Normal Color Vision: The following ratings require normal color vision: AET, AMT, AST, BM, EM, ET, GM, HS, IS, IT, MK and OS. On each application, the command must certify that the mbr has been medically screened. This statement must accompany each application: **“this command certifies that mbr has been medically screened on (date) and has normal color perception”**. If we do not receive this statement, mbr will be added to the list...but will be placed on MED hold until the command can certify the candidate’s vision.

Normal Hearing: The following ratings require normal hearing: AST, IS and OS. On each application, the command must certify that the mbr has been medically screened. This statement must accompany each application: **“this command certifies that mbr has been medically screened on (date) and has normal hearing”**. If we do not receive this statement, mbr will be added to the list...but will be placed on MED hold until the command can certify the candidate’s hearing.

Applicant's not having the necessary active duty obligated service requirement for "A" school remaining on their present contract, must reenlist or sign an Agreement to Extend Enlistment to cover the required period prior to departing their unit for school. Members disenrolled from Class "A" school at their own request, for lack of application, or for misconduct will be required to fulfill their full-obligated service requirement. Personnel disenrolled for academic, humanitarian, or for the good of the Coast Guard may, upon the approval of EPM-1 have their obligated service requirement rescinded or reduced to cover the period of schooling received.

OTHER INFORMATION

“A” school orders are issued approximately ten weeks prior to class convening via direct access airport terminal. If the command does not have access to DA, the unit should contact their SPO for the member’s orders.

The following is a listing of qualifying ASVAB/AFQT scores for attending class “A” school. Members requiring an ASVAB beyond CO’s/OINC’s five (5) point combined approving authority or waivers for a single minimum score must send a msg to COMDT COGARD WASHINGTON DC //CG-132// requesting an additional waiver, POC: Mary Norwood at 202-475-5485. UPCOMING CLASS "A" SCHOOL CONVENINGS

Listed below are the class convenings for FY'08. Be aware that changes to the schedule can and do occur; if your name is still on one of the school lists, then you did not receive orders. However, if your name appears near the top of the waiting list, be ready to receive orders at anytime because of possible cancellations. Every attempt is made to fill all quotas up to one week prior to class convene.
