

Dear GA member,

from 2008 on we offer an individual electronic subscription to *Planta Medica* – including full text access to all articles - with 2 options for access to back issues:

1 year subscription with back issue access to 1998: 60 € p.a.

1 year subscription with back issue access to 1981: 100 € p.a.

The subscription is valid for one full calendar year. In October of every year (next time in Oct. 2008) the annual invoice for membership fees will be sent out together with the option for the *Planta Medica* onlineonly subscription for the following year (for 2009 then). Both have to be paid **before November 15**, otherwise the option for the online subscription of the coming year will expire (new members applying during the year can only subscribe for the following year).

Before January of the year of subscription Thieme Verlag will provide all subscribers with the necessary access data for the coming year.

This offer is limited to individual members of the Society for Medicinal Plant and Natural Product Research - Gesellschaft für Arzneipflanzen- und Naturstoff-Forschung (GA). Use of the articles for individual purposes only (including individual research). No transferring or forwarding of articles to other persons or institutions (universities, libraries, companies) allowed.

We hope to receive again many subscriptions!

Prof. Dr. Brigitte Kopp, GA president
